July 2018

Dear Parents and carers

Nearly the end of another term and the school year. This term it has been lovely to welcome Rev Alan Comfort to St John's Church and we very much look forward to him joining our school governing board. As you may well be aware, he was a professional footballer – so now the World Cup has finished I know that he will be very interested in getting to know our lovely school.

We also congratulate Year 6 on their achievements as they prepare to leave - their SATS results are very encouraging. They have had an exciting week of outdoor activities and challenges in Osmington Bay, Dorset. We are very proud that school parents have made it possible for them to enjoy a full week. We wish them all the best in their new schools, and that the support they have been given for this transition, and the foundations set in St John's, will stand them in good stead for the next phase of their lives.

We also thank the St John's Parents group. Their hard work and enthusiasm for the school has helped to provide funding for many activities in the school. In particular thanks for organising the summer disco. The group will be seeing some of the parents moving on as their children leave school. Their contribution has been much appreciated and we look forward to supporting the group as it changes next year.

We would also like to thank our school parents and their extended friends and families. We recognise the value of the support of family and community for the St John's children which is so important in underpinning the children's efforts at school. It was wonderful that so many parents were able to see the Art Displays from the Art week which was such a great success. We look forward to supporting activities that help parent involvement next year.

And as always, our thanks to Mr Welsh and the staff team for all their hard work during the year. We wish the very best for the staff that are leaving St Johns this year as they move on to progress in their education careers.

Hopefully you are looking forward to the summer holidays – and we look forward to starting the new school year in September after a refreshing summer holiday.

On behalf of the governing body,

Sue Hallam

Chair of Governors
