June 2017

After the SAT's there is a bit more time to enjoy the summer events. We are looking forward to the last part of the school year - and what a year it has been!

There are several events coming up:

- Sport day on the 6th July. Parents are welcome to join the children and staff at Whittington Park from 9:30am.
- Summer Extravaganza on the 7th July. A very big thank-you to the friends for organising this fun event. It's a fantastic fund raiser for the school so please do come along and support while at the same time having a great evening out.
- 10th July is the beginning of Enterprise week. We will be able to enjoy seeing what the children have done on Thursday 13th July at the Summer Fair from 3-4:30pm.

We hope that you will be able to join some of these activities. It is always rewarding to see children enjoying these events and it makes it even more special when parents are able to join us.

And as we reach the end of the school year, we will be saying goodbye to our lovely Miss Hughes and Miss McLoughlin.

One of the strengths of our wonderful school is our staff team. As a governing body we want to see all our staff supported in their careers so that they can provide the best possible education for our children at St John's.

A consequence of this is that as our staff develop, there comes a time when it is right and proper for them to move on to new challenges. We are therefore delighted that Miss Hughes will now be a head teacher in her own school. We are of course sorry to be losing her and very grateful for all the work she has done in the senior leadership team supporting St John's School. Miss McLoughlin has been at St John's since being an NQT five years ago and will be looking forward to gaining even greater experience in her next school.

Change always brings challenges and opportunities and we look forward to meeting both with Mr Turpin our new deputy head in September and Ms Ward, our new class teacher. They will be coming in to school before we break for the summer holidays to meet parents and get to know the school a little better.

Much to look forward to – and we hope that you will be able to join in the after school activities, and if possible help with supporting the Friends and Family activities.

On behalf of the governing body

Sue Hallam

Chair of Governors
