

We have been learning  
about....

11.2.22

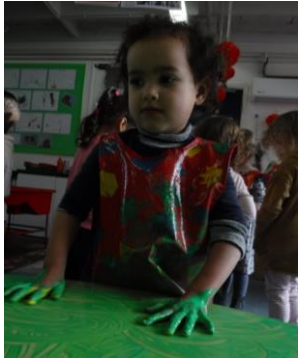

What happened in the hospital this week?

Disasters happened in the hospital – plus there were terrible queues to see the medical team!

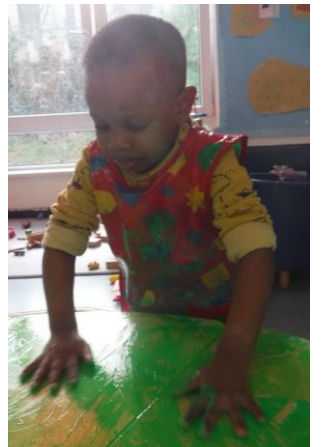

We played shape SNAP! Can you remember what the shapes were called? Can you remember who won?

# Fingerpainting!

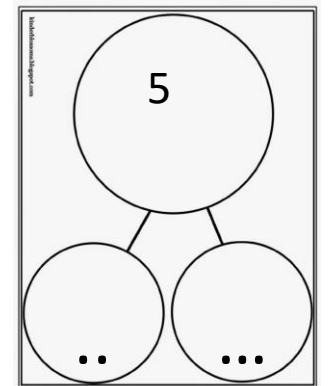

How did the paint feel on your hands? Tell me about your pictures.

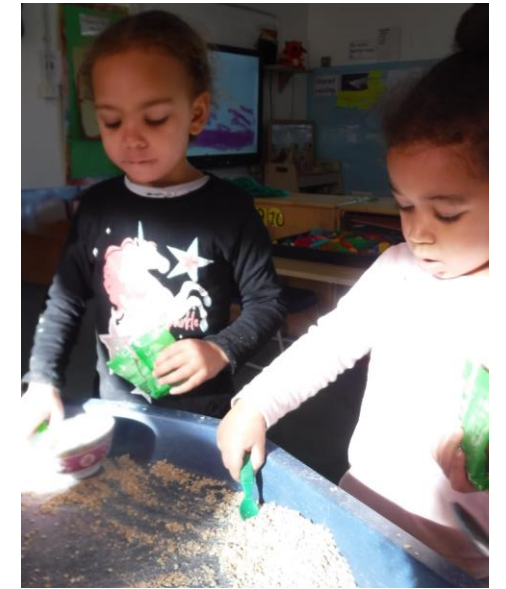

Working on our number bonds by using our part/whole.

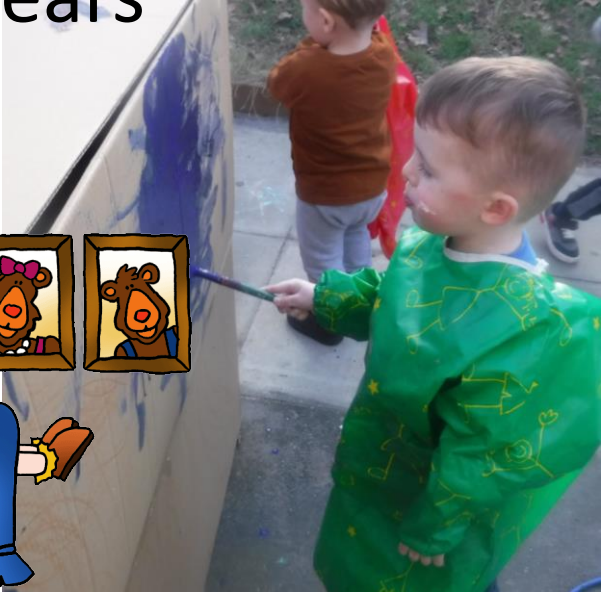

Tell me about your crocodile models.

Tell me about the oats. What did you do? Did you see any bears?

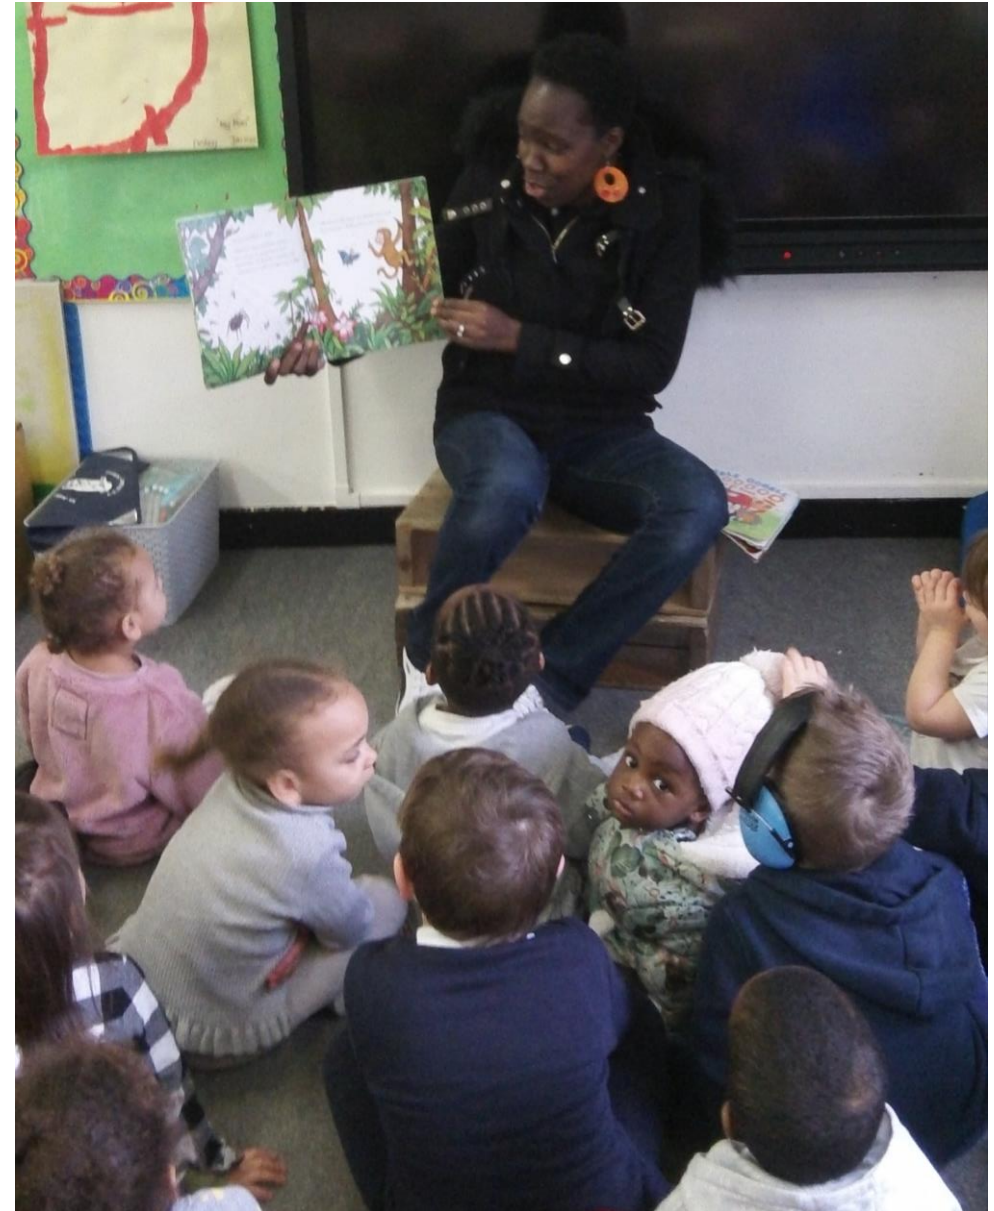

We painted the 3 Bears house.

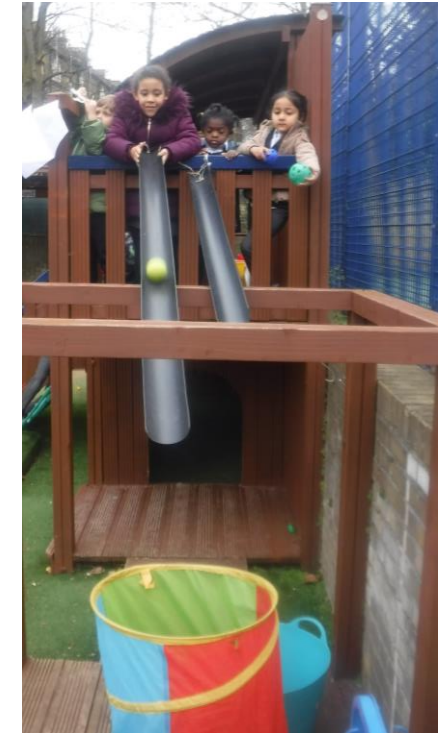

Who  
came into  
school to  
read to us  
this  
week?

What did you do to catch the balls?

Tell me about the guttering. How did it work?

What else did you learn about this week?
