

We have been learning
about..

12.01.2023

The children painted their own buses to support our learning around our core text Naughty Bus.

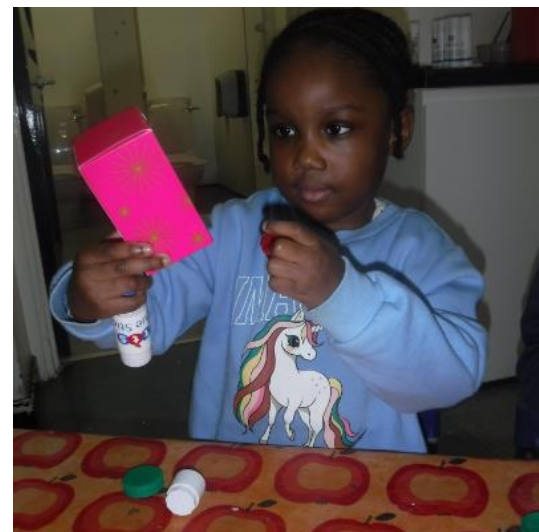

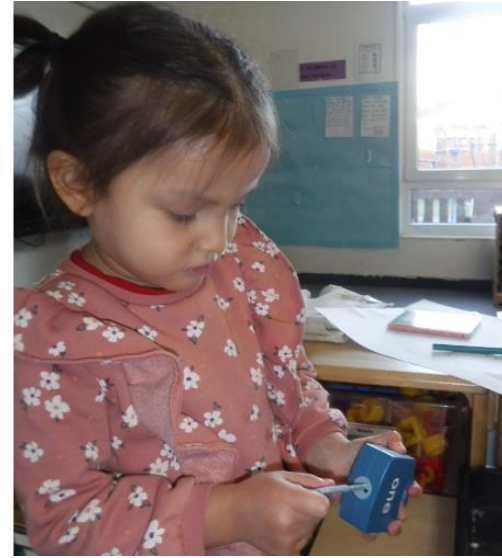

The children made buses at the DT table.

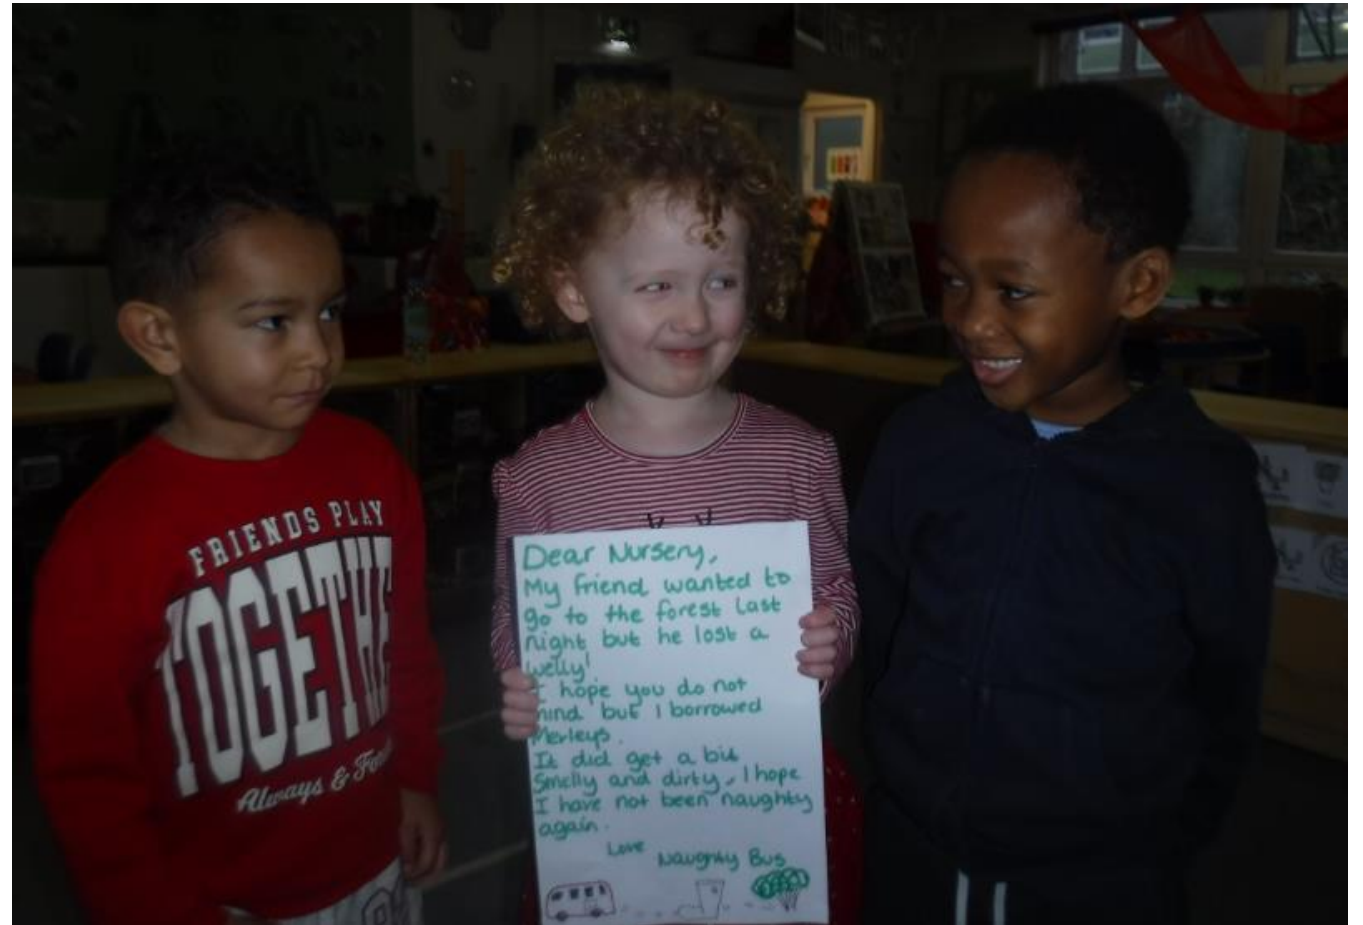

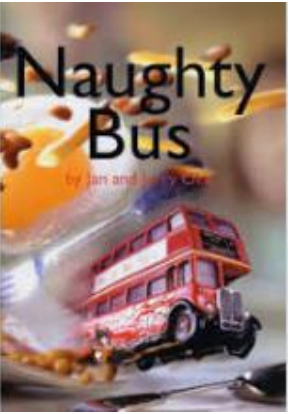

Can you remember how you made your bus?

The children worked really hard to open our number padlocks!

The Nursery had a visit this week from a very naughty bus! Every day we came in and the bus had been very mischievous, it even stole Miss Merley's wellington boot! I wonder if the children can remember what else the boot got up to this week...

What else have we been learning about at nursery this week?

The children engaged in sensory play with corn flour.

Can you remember what it felt like?
