

**We have been
learning about...**

16th May 2025

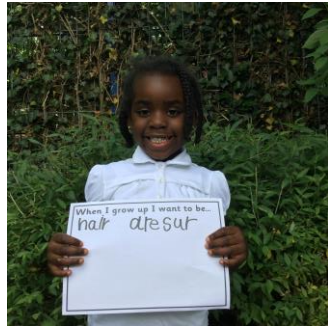

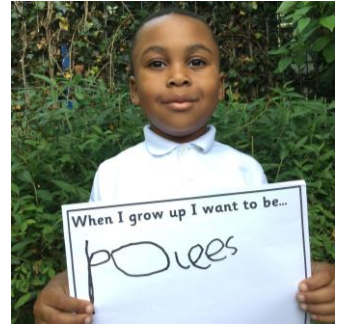

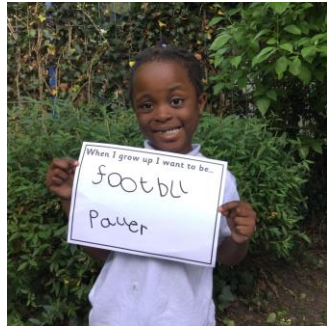

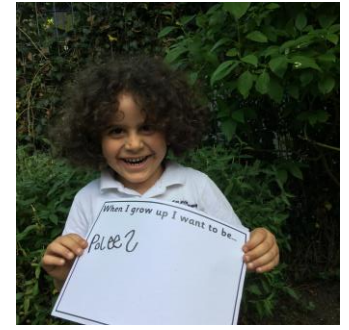

Drawing Club!
Tell me about
your character
and setting.
What was your
code word?

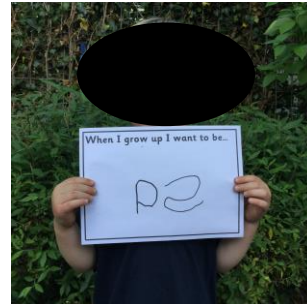

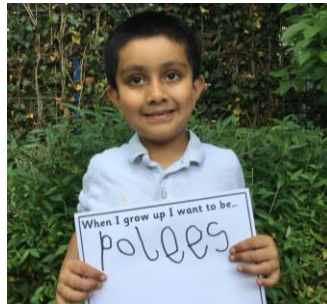

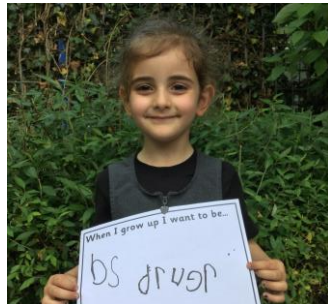

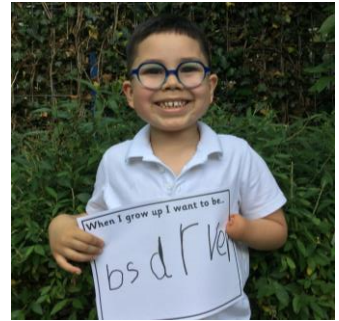

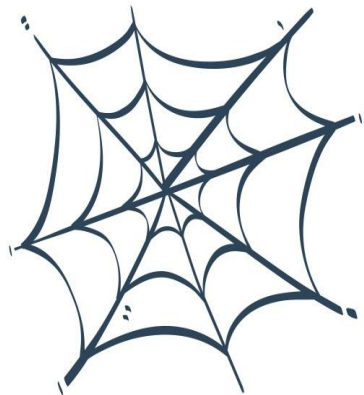

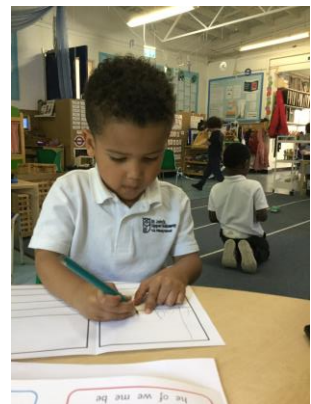

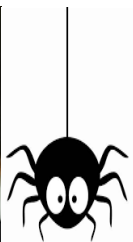

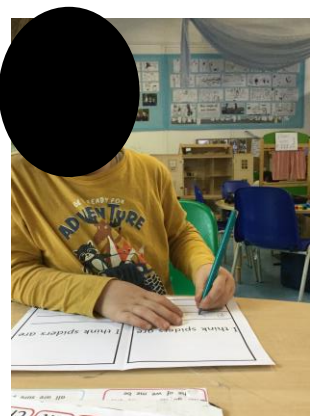

We thought about what we wanted to be when we are grown up!

We want to be police officers, doctors, football players, bus drivers, singers, hairdressers, teachers, vets, horse riders and bus drivers!

We made our own books about spiders. What did you already know about spiders?

We used the blocks to make our own church. We looked at the shapes we could see in the church and tried to replicate it.

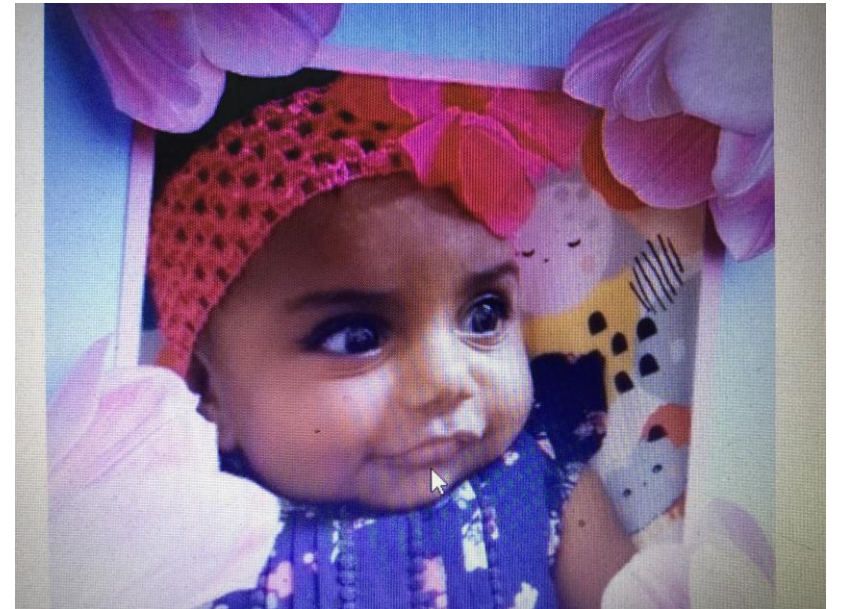

As part of our RE session we thought about why a church might be special to some people.

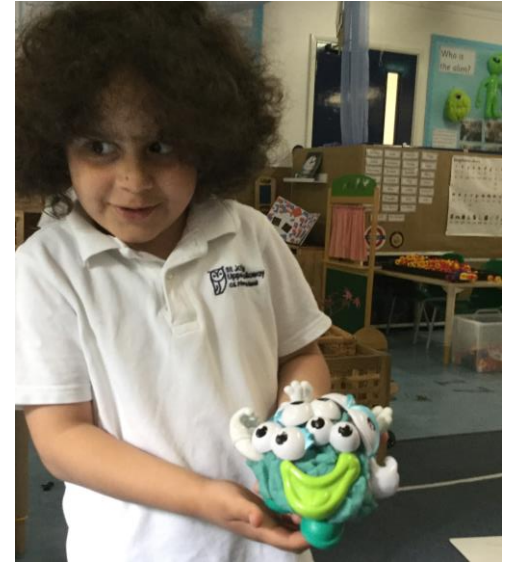

Can you tell who it is?

**If you haven't sent your baby picture
in please send it in asap!**

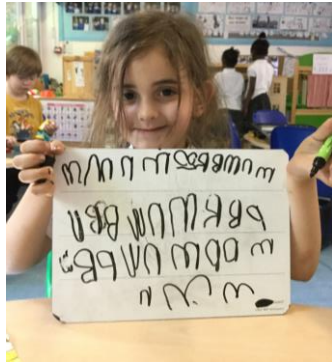

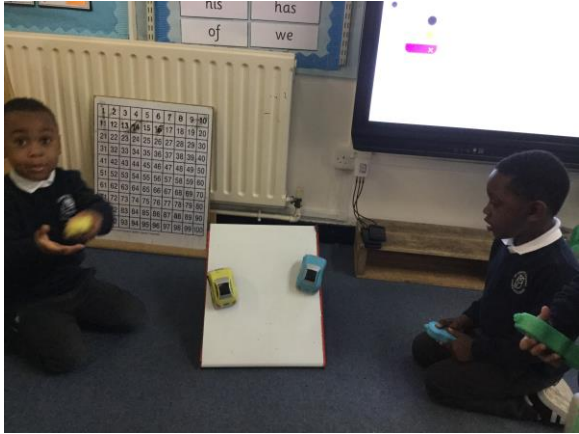

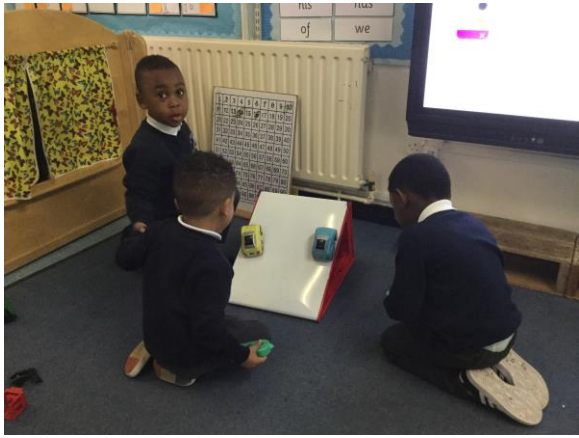

**Look at
our
amazing
dough
figures!**

**We had an ice pole to try
and stay cool in the hot
weather!**

**What else did
you learn about
this week?**

Please check your parentmail for the email about our trip to Kentish Town City Farm on the 17th of June.
