

We have been
learning about...

16/9/22

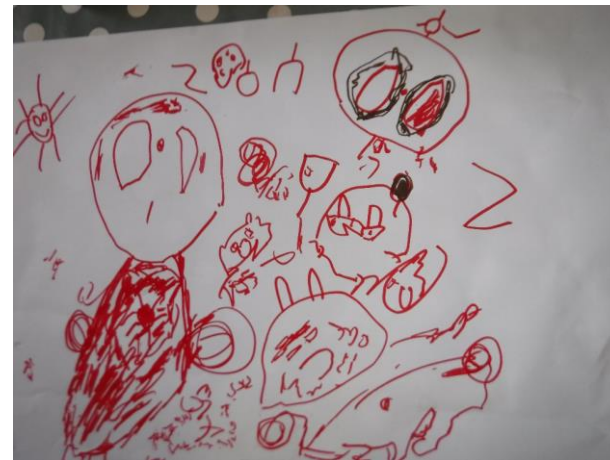

We tried to make our new bubble rocket fly! We tried jumping on it quickly, slowly and from a block! Nothing worked...then the children decided that we needed somebody bigger so they asked Miss Anne and Miss Georgina who finally made the rocket fly!

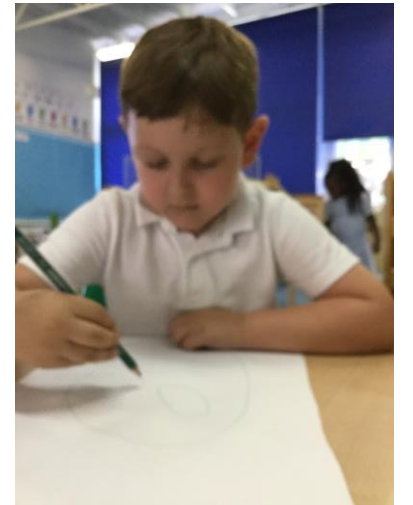

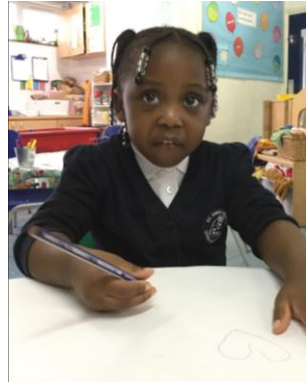

Tell me
about
your
picture.

We created stories through pictures and words.
What type of story did you draw? Was it a scary
story? A funny story? A sad story?
Can you remember the characters in your story?

The children talked about what they had been doing over the summer break. They asked for 'holiday' music and sang and danced!

We thought about how to stay safe when we are using the woodwork table.

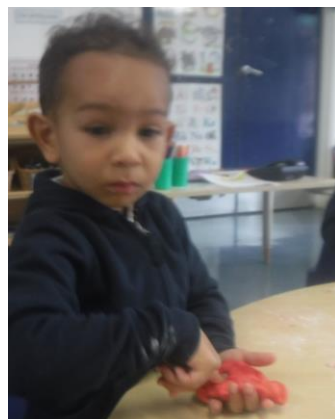

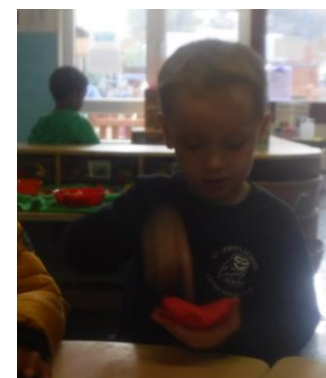

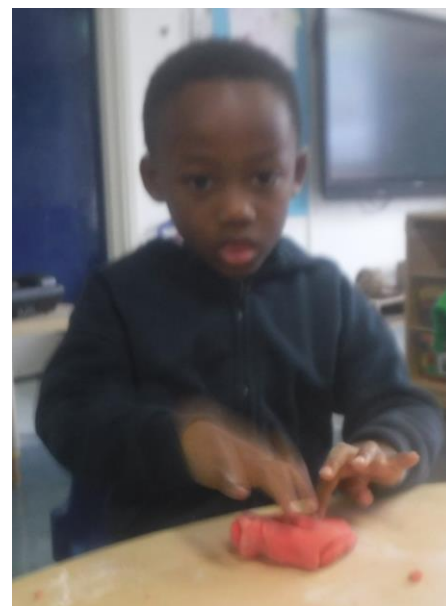

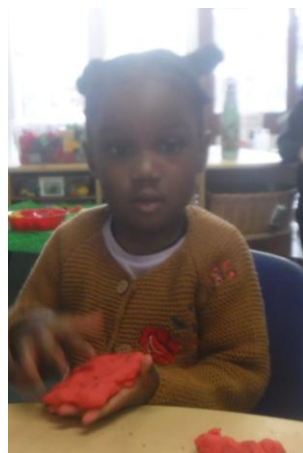

Can you remember the safety rules?

We explored the wildlife garden.

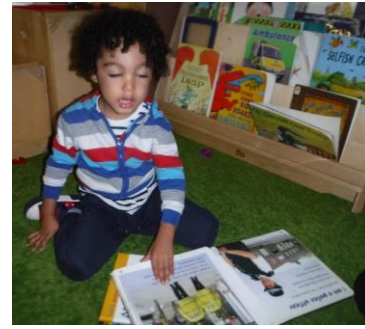

We used the apples we picked to make apple pies! Can you remember how you made them?

We went to the Dough Disco! Try it at home too!

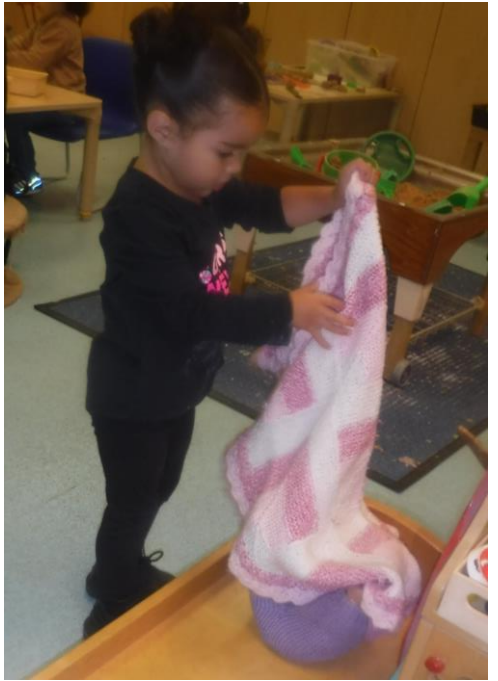

The children counted how many cars could fit on different size roads!

The children were encouraged to talk about the books they like and make links to the books they have at home.

We said hello to
all of our new
two year olds!

Happy
birthday!

We played a listening game!

What else have you been learning about?
