

**We have been
learning about...**

17.10.25

We started painting our self portraits. We looked at our skin colour and matched it with the paint. When our faces are dry we can paint our features.

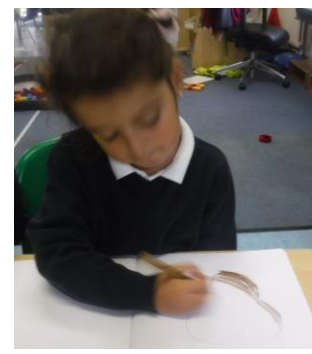

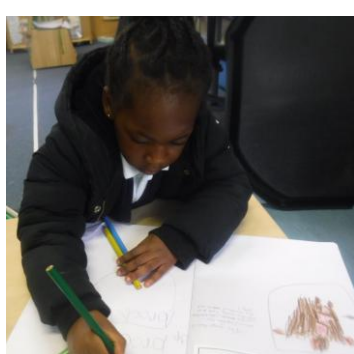

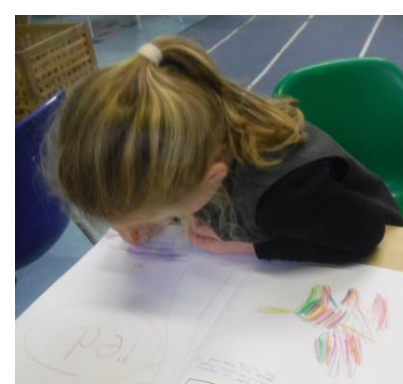

Our Drawing Club text was The Gingerbread Man. We did an experiment to see what happened to the Gingerbread Man when it was put into water.

**We planted flowers
and bulbs in out
new giant bug
house.**

Our Drawing Club text was the Gingerbread Man. We drew our characters and wrote our code word.

Our mischievous cat has been getting into trouble! He ate our Gingerbread men, snuck into Miss Tara's office and even ended up at Forest School! We snuck into Miss Tara's office to get him back.

He has gotten in to SO much trouble that we have decided he needs to go home with the children. He will go home with one child each week. Send us photos on Seesaw of what he is doing with you.

**Fabulous
building!**

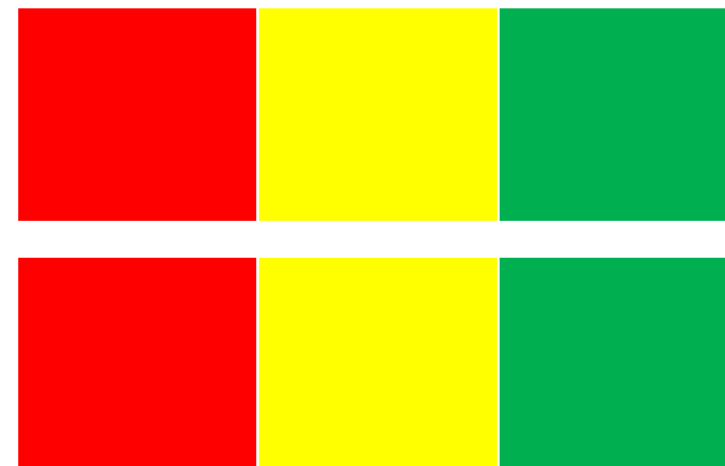

**Look at our
amazing
phonics!**

As part of our Black History Month celebrations we are holding a Carnival. This week we made our costumes!

**Can you
spot the
pattern we
used in our
costumes?**

**What
else
have
you
been
learning
about?**

**We sat in the sunshine
and looked at the
changes in the trees.**

**Amazing learning with
blocks!**
