

We have been learning
about...

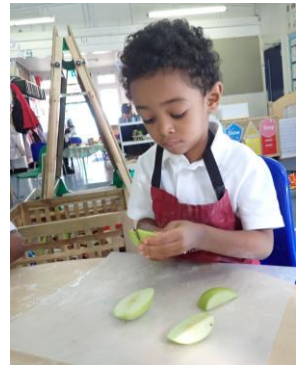

19th September 2025

**We harvested the apples
from the trees in the
wildlife garden.**

**How did
you get the
apples off
the tree?**

We made delicious apple pies!

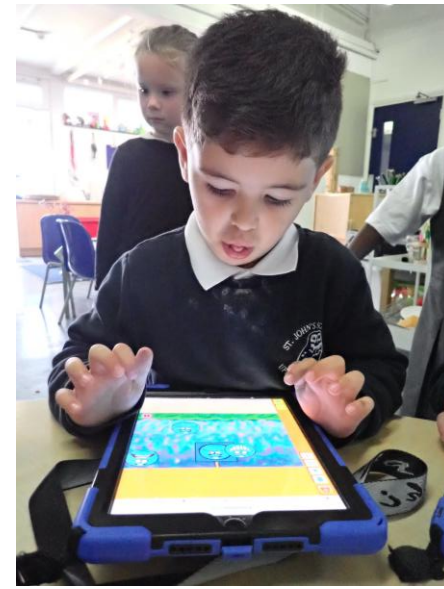

Amazing phonics! It was so good that all of the children went into the Brilliant Book...

...and stood up in front of the whole school to get clapped!

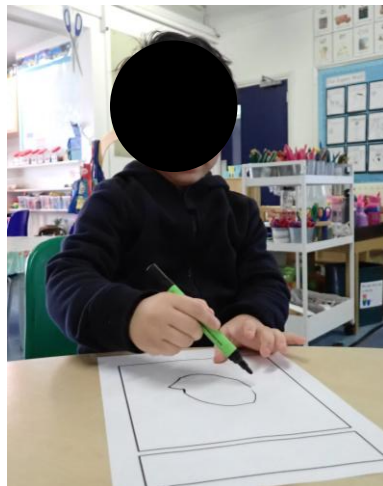

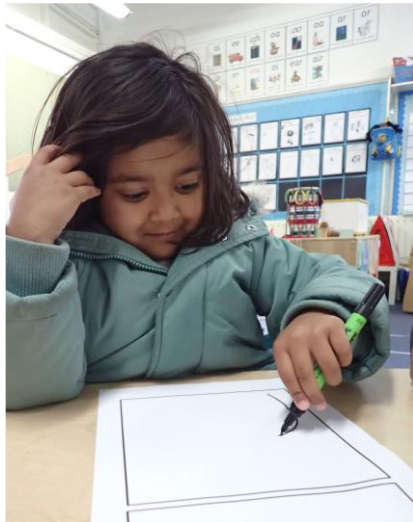

Look out for your Numbots and Busythings log on. They will be in you homework packs in the next few weeks.

Wonderful drawing and name writing!

**We planted bulbs and watered them.
Now we need to wait for them to grow!**

**Maths session:
can you spot
the pattern in
the groups of
children?**

**Did you
find the
treasure
buried
in the
sandpit?**

**The
challenge
was to build
a tower
using all of
the blocks!
What
happened?**

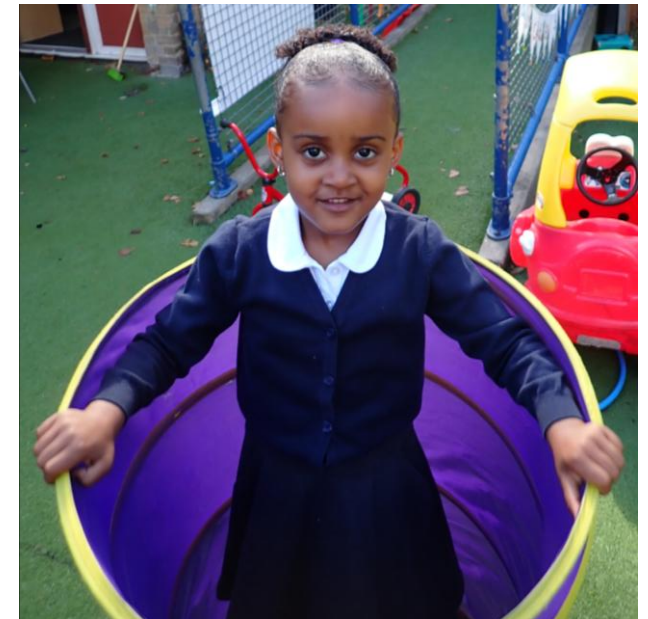

**Tell me about the blocks.
Can you remember how
high you can build?**

**Happy 5th
birthday!**

What else did you learn about this week?
