

We have been  
learning about....

1<sup>st</sup> December 2023

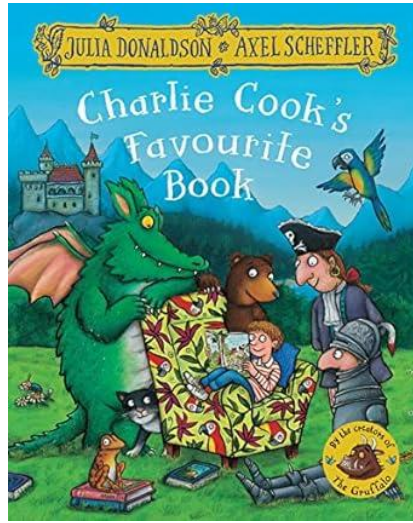

**We made fires at Forest School!**

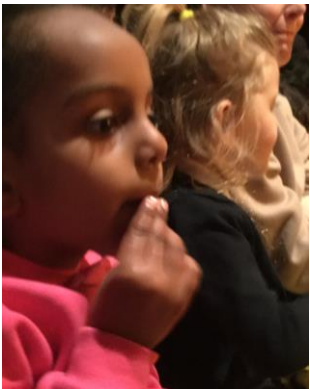

**We talked about how to stay safe next to the big fire. Then we toasted regular and vegetarian marshmallow to make smores!**

# We went to the theatre to see Charlie Cook's Favourite Book!

**We were such an amazing audience!**

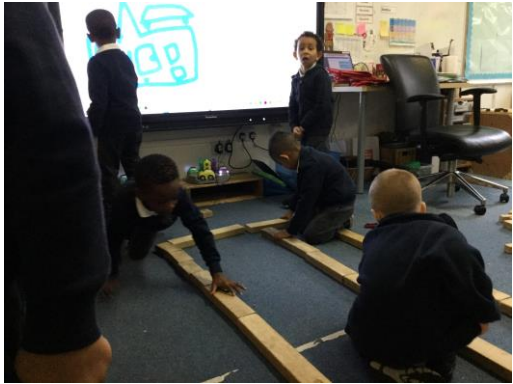

**Oh my goodness!! What has happened to our fruit experiment?**

**How had the fruit changed?**

**They were so disgusting we had to throw them away!**

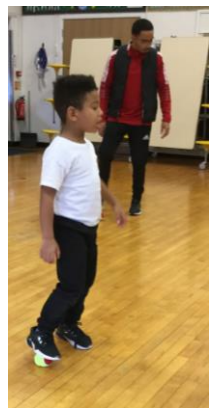

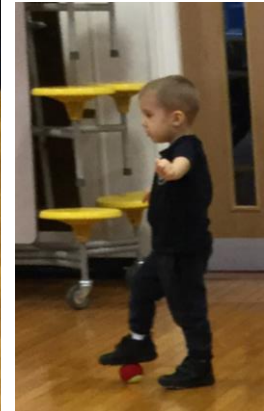

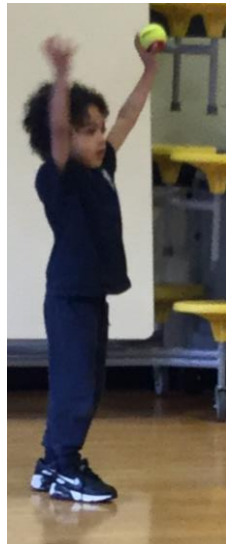

# Amazing building!

# P.E.

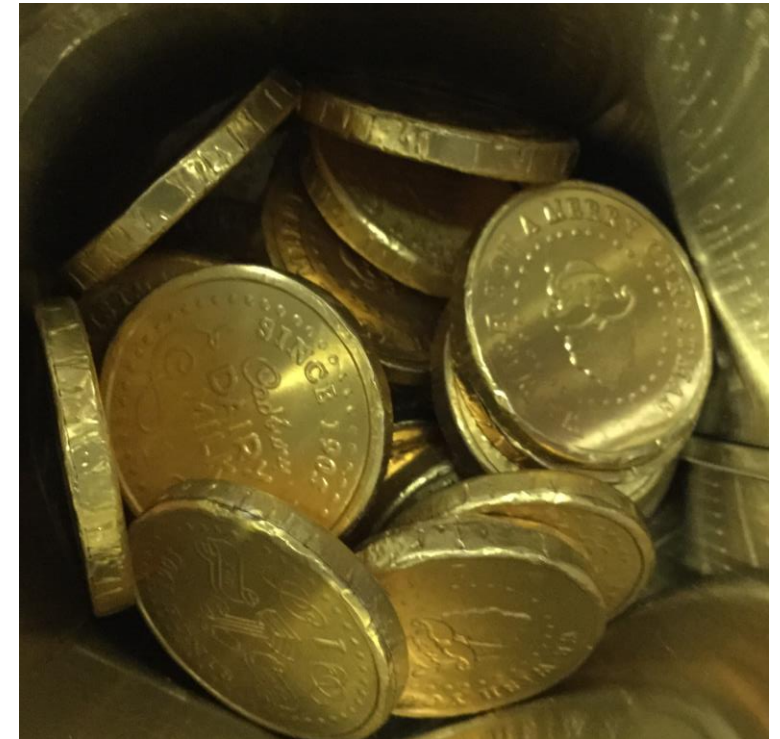

**We used chocolate coins to help us partition numbers.**

**We estimated how many gold coins were in the tin! The rule was that if somebody estimated the right amount then we got to share the coins.**

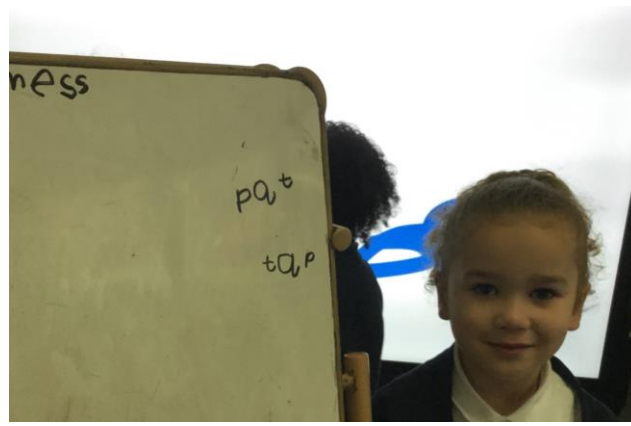

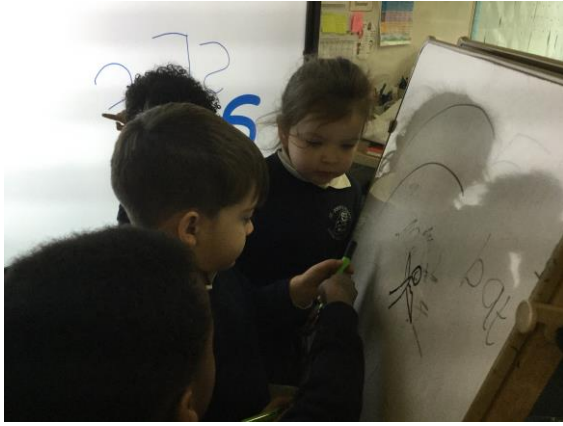

**We wrote about what we would wish for if we had a magic wand.**

**What did you do in Grendel's cave?**

**What else did you learn about this week?**

**Our Torchlit Walk is on Thursday the 7<sup>th</sup> of December (only 1 week to go)! There will be a fun party after the walk!**

**We are trying to raise enough money to pay for coaches for the children to go to Legoland in the summer term! Please try to raise money by getting sponsorship for the children to walk around the school in the dark.**
