

**We have been
learning about...**

20th September 2024

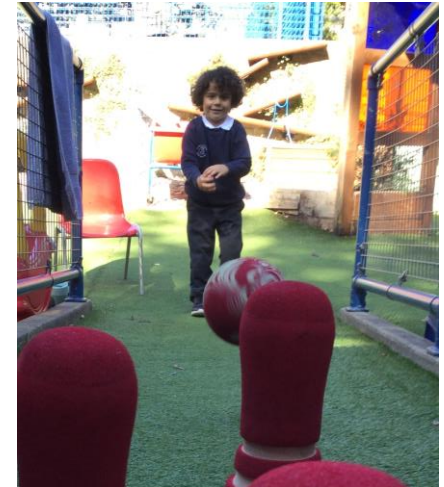

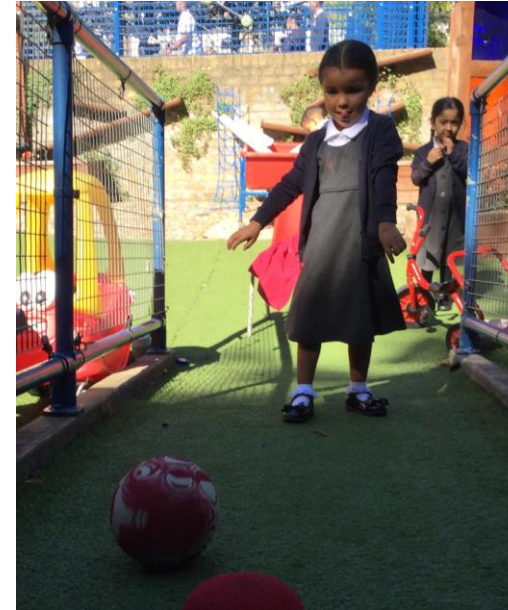

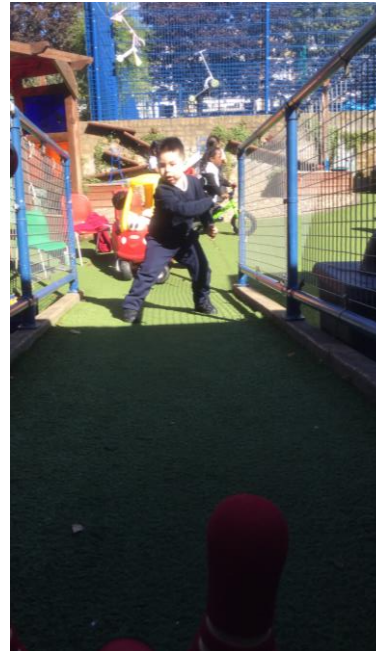

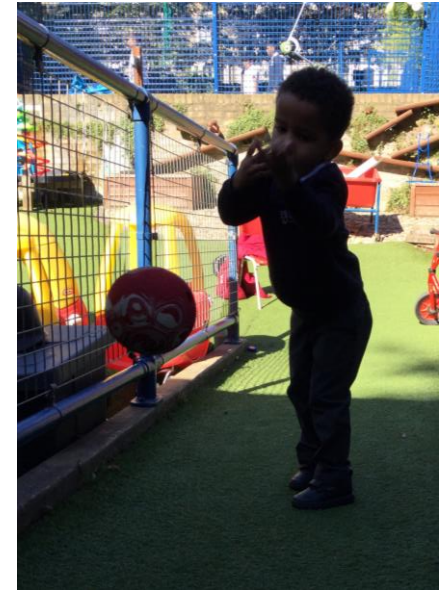

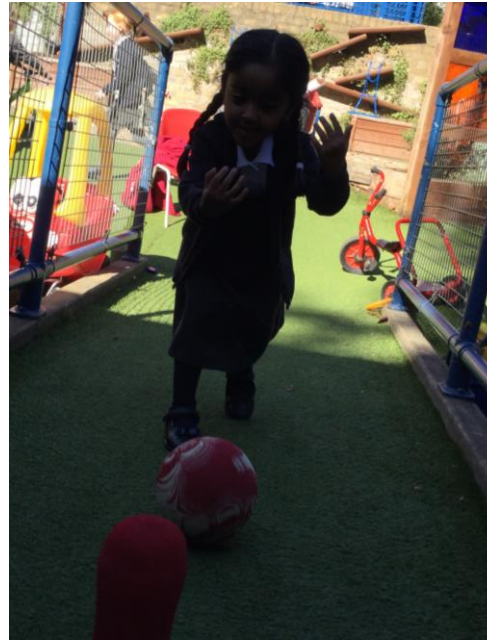

**Our first
phonics session.**

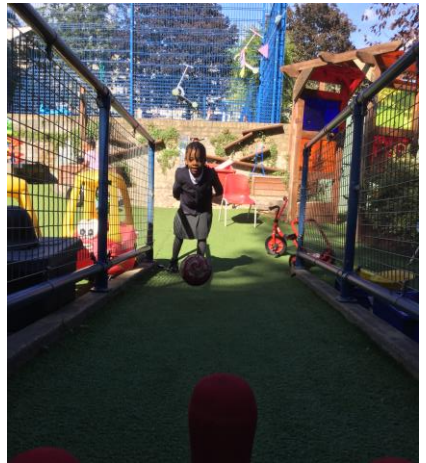

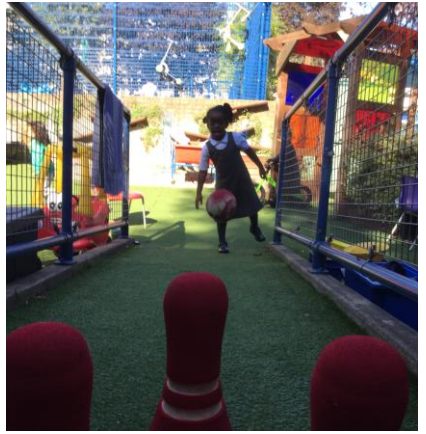

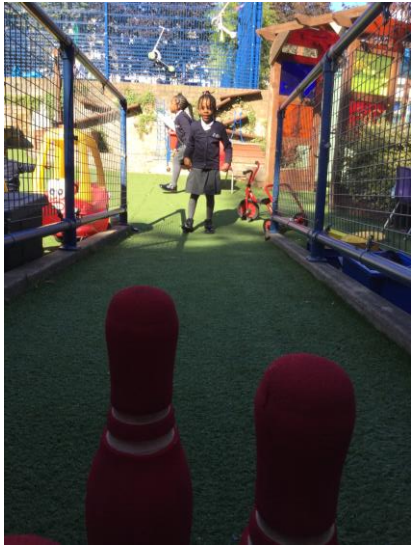

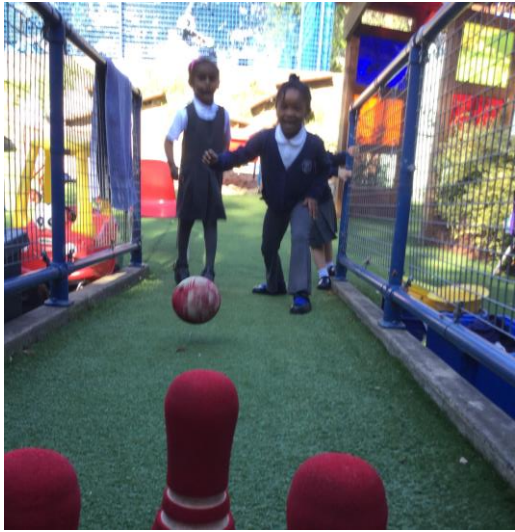

**Our sounds this
week have been
s a t p.**

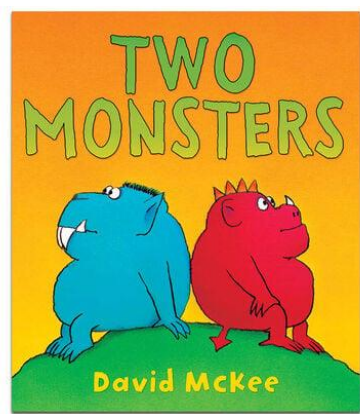

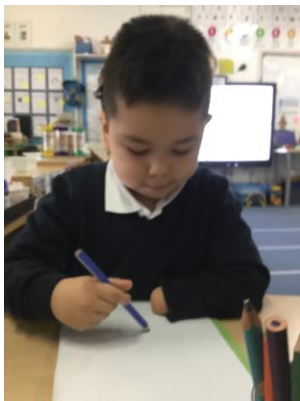

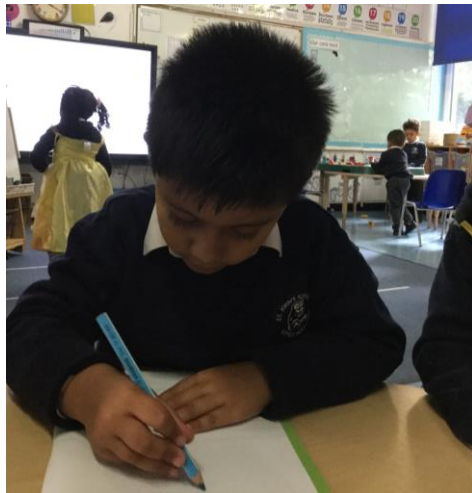

Our first guided reading session!

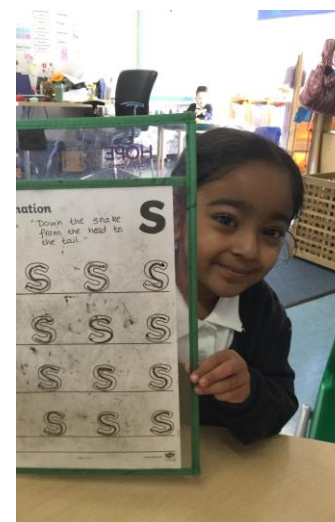

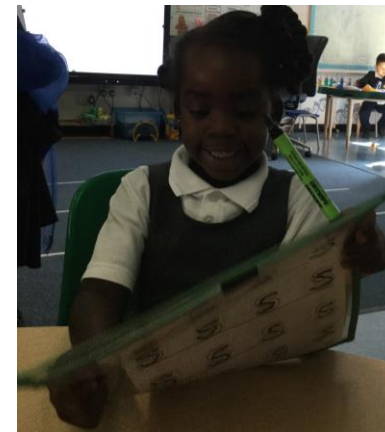

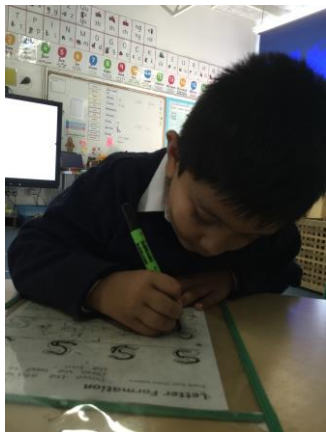

We used the skittles to learn how to subitise!

We started Drawing Club! What was your code to change your monster or your mountain?

We have been
practising our
letter formation.

We went on a bear hunt! We looked everywhere...then we spotted a bear in a tree! We quickly got that one down. Then we spotted another one!

We tried to get it down by poking the bag with a stick. That didn't work!

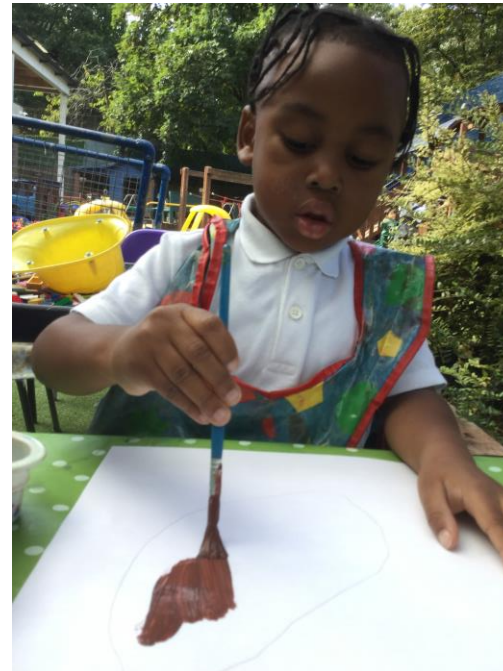

Then Kenia thought she could reach it by stretching very tall. Nariyah helped her – but she still couldn't reach. Then all of the children helped her... and Kenia got the bear...and the bag down from the tree! The bear had very kindly left us a snack in the bag!

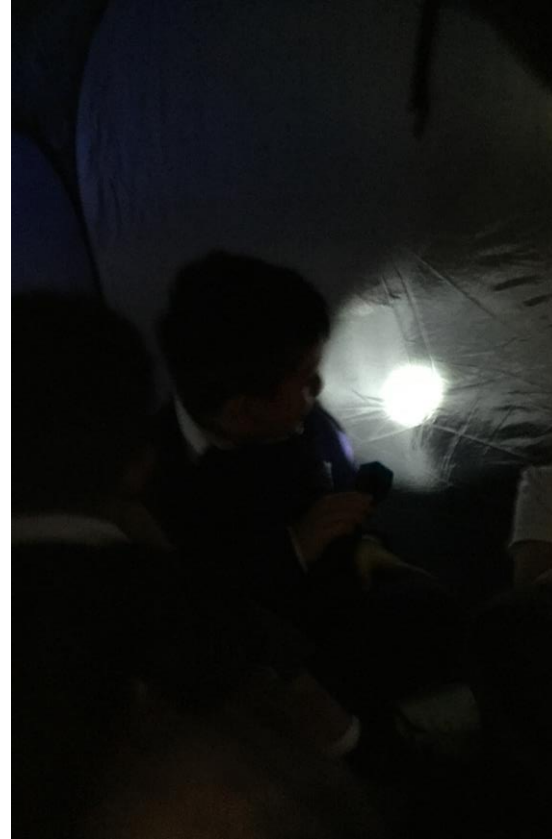

We are painting our self portraits. This week we matched our skin colour to paint and painted our faces.

**When our faces
are dry we will
paint our
features.**

**What else
did you
learn
about this
week?**

**There is a phonics workshop on:
Thursday at 9am.**

**Come along if you can. We will be
talking about how we teach phonics at
school and how you can support the
children at home.**
