

We have been
learning about.....

25/2/22

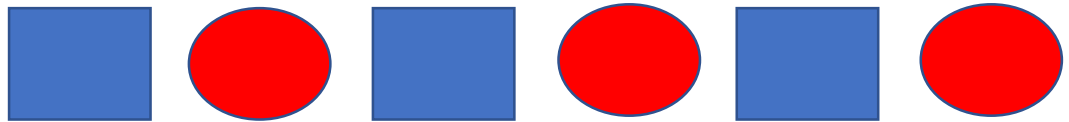

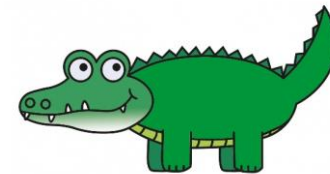

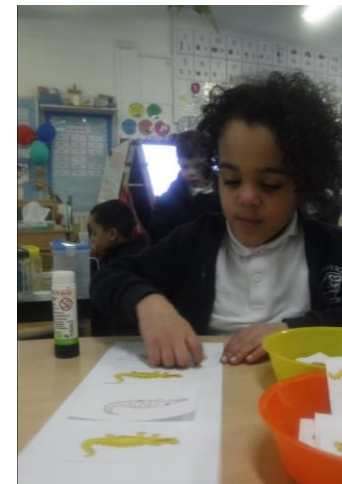

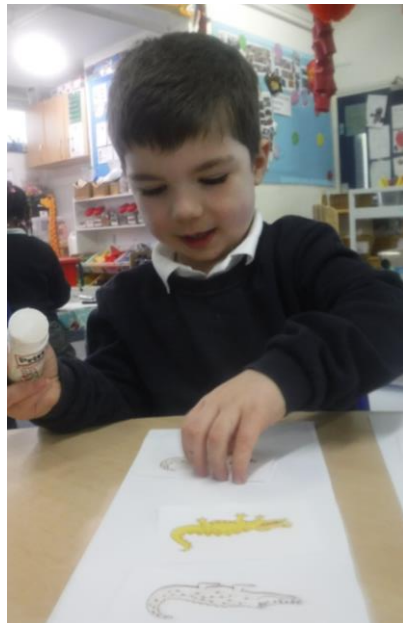

Were you brave enough to put your hand in the crocodiles mouth? What happened when you pushed the teeth down?

We have been learning about patterns.

Can you spot the pattern in the children?

We made patterns with our crocodiles.

We went on a crocodile hunt!
How did you know where to find
the crocodile?

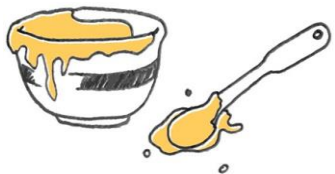

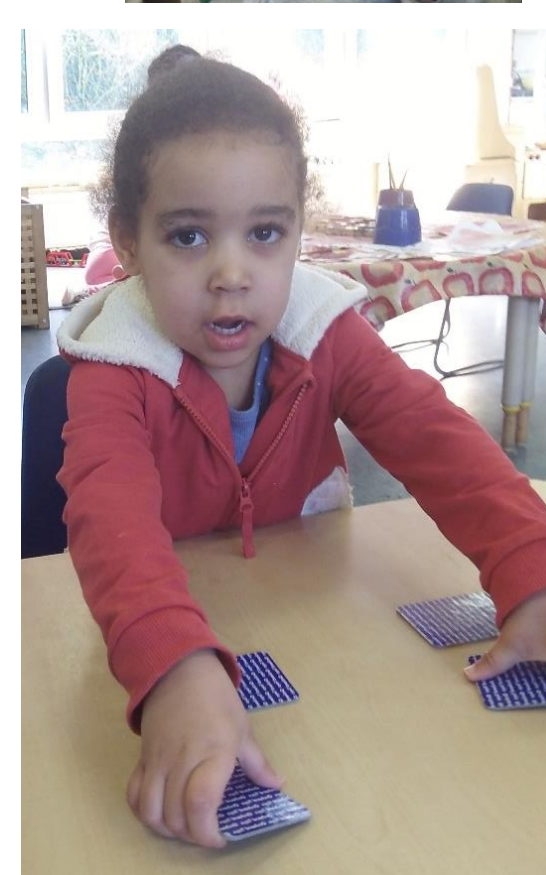

We have been learning how to subitise using the Numicon.

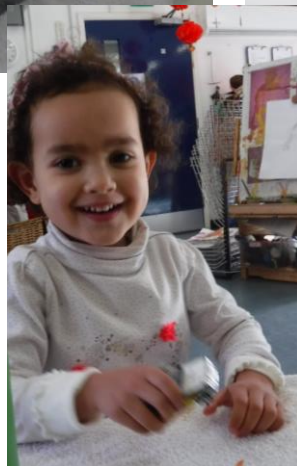

How did
you make
your play
dough?

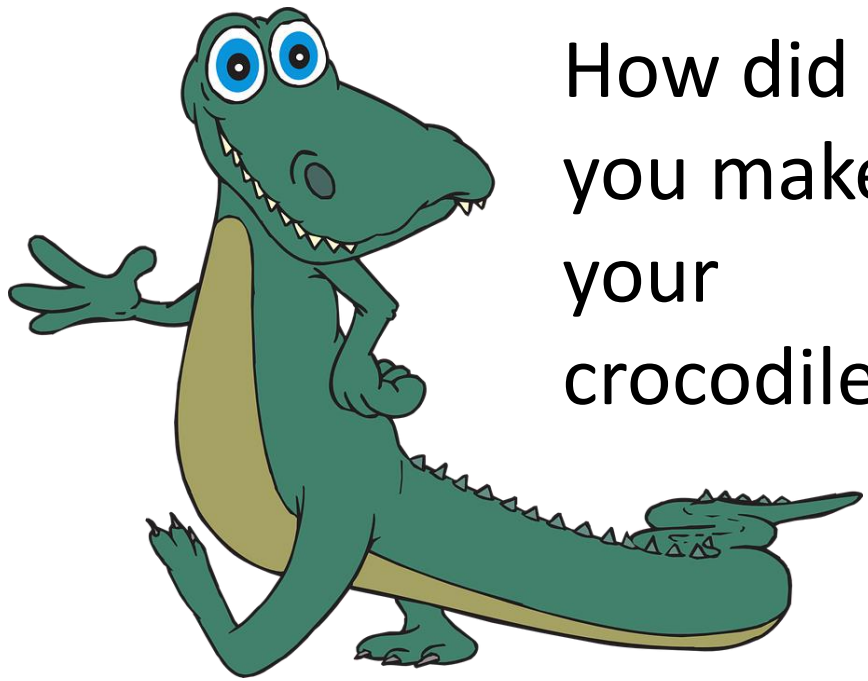

How did you play your memory game?

We did an experiment to find out if the different crocodiles would float or sink. Can you remember what happened?

How did you make your crocodiles?

Our wedding photos!

Cosmic Kids Star Wars Yoga!

A strange beanstalk began to grow in the 2 year old room. A giant sent them a letter and gave them some beans to grow. I wonder what will be at the top of the beanstalk?

Planting the beans from the giant!

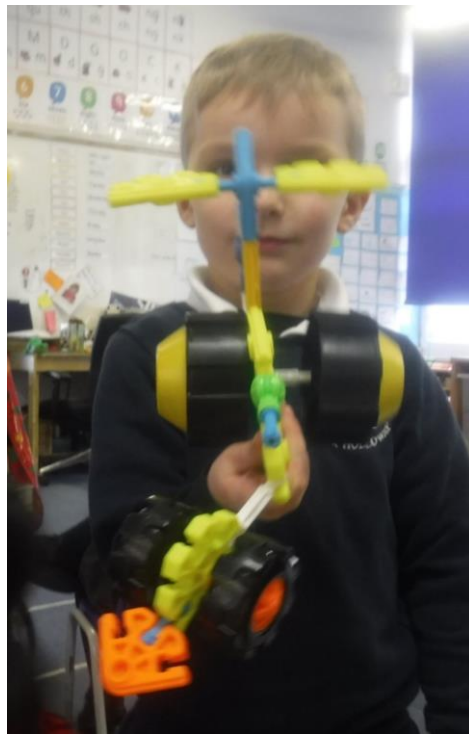

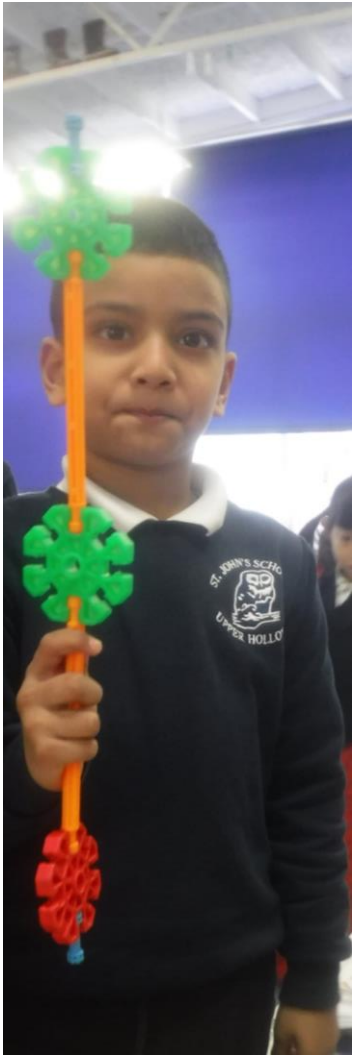

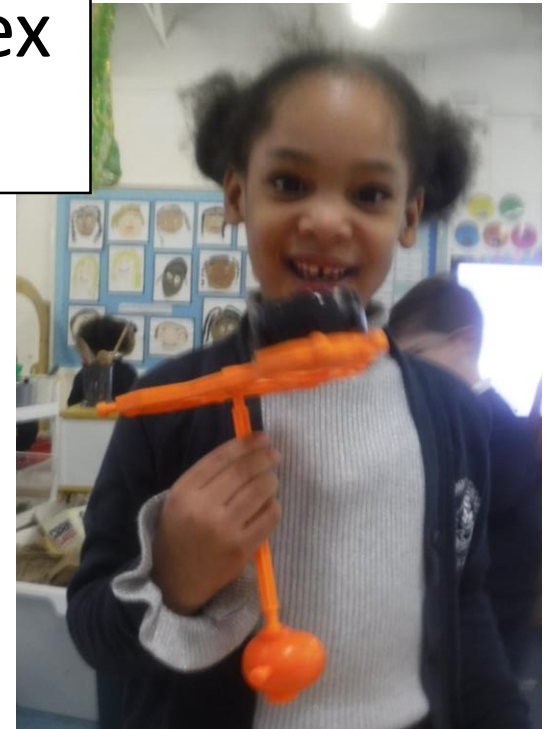

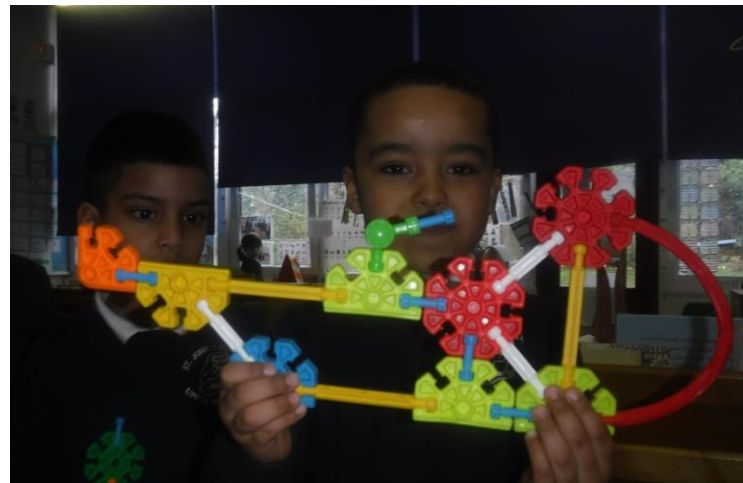

Amazing drawing!

Who came to read to us this week?

Amazing K'Nex models!

What else
did you
learn
about this
week?
