

We have been learning  
about....

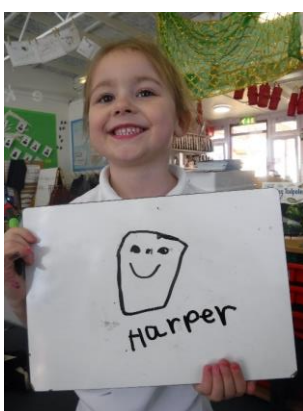

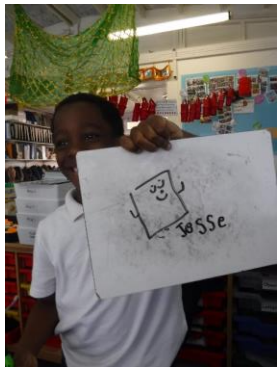

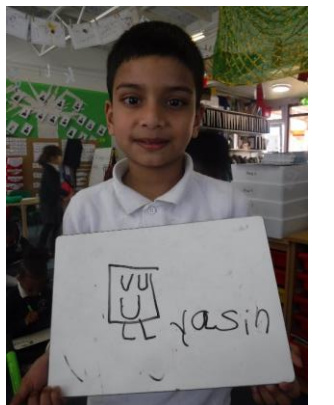

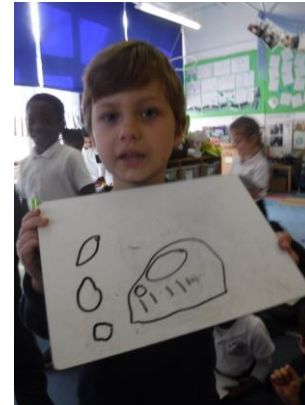

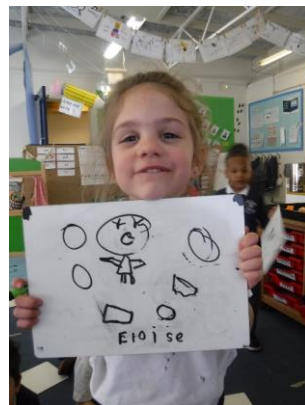

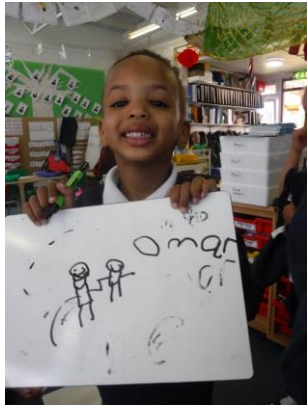

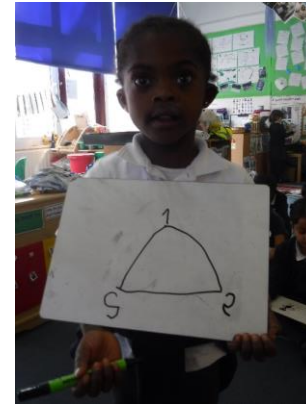

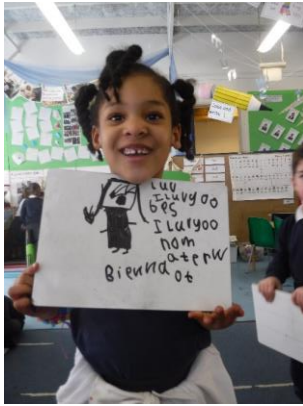

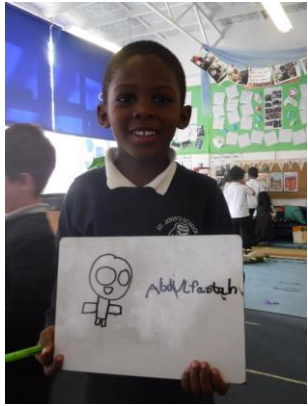

25<sup>th</sup> March 2022

To celebrate Holi we created our own colourful pictures!

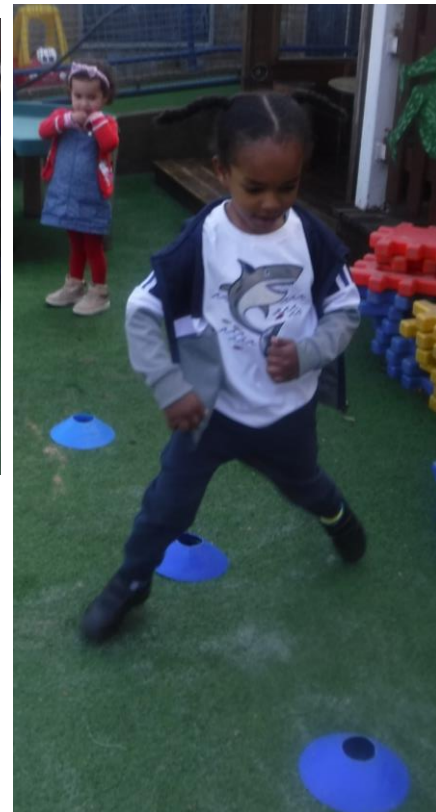

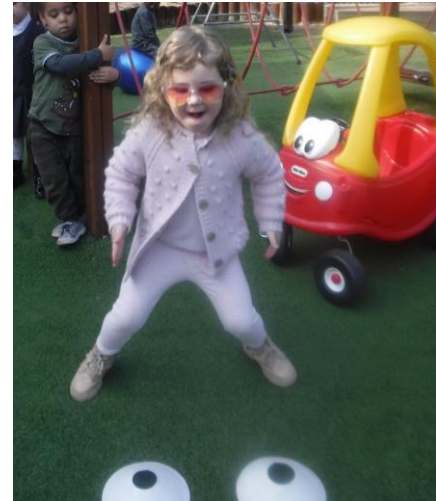

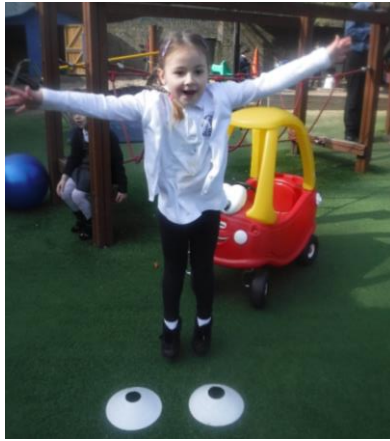

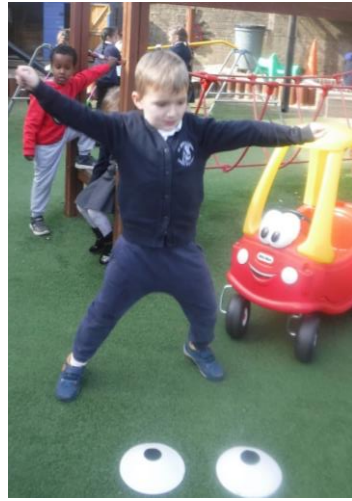

We thought about 2D shapes and created pictures using the shapes.

We thought about 3D shapes. Then we worked in teams to create the tallest tower using the blocks. What was the trickiest thing about working in your team?

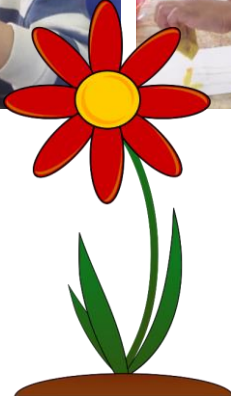

We did circuit training! How did you feel when you had finished your exercises?

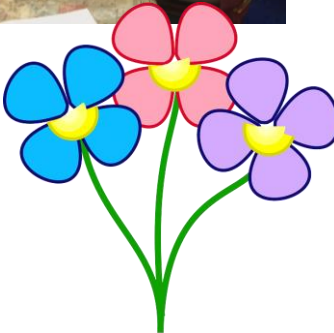

We thought about our mums and wrote Mothers Day cards.

We painted flowers on our Mothers Day cards.

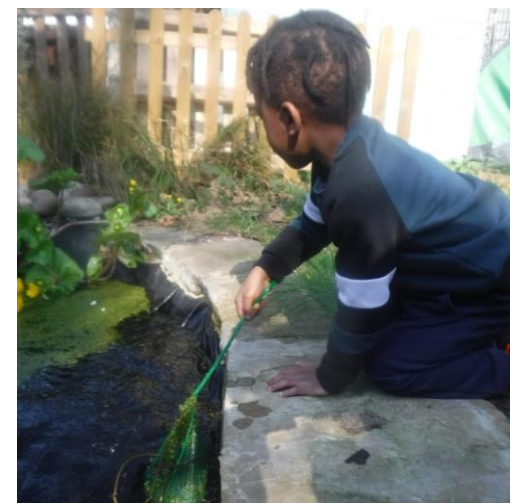

The Nursery went to try to find a Bog Baby! We looked everywhere but we couldn't find it!

We did find some frogspawn! We are going to keep it in our classroom to see what happens to it.

The Reception class used EVERY block to create this amazing structure!

What did you learn about in the mud kitchen?  
What happened to the mud?

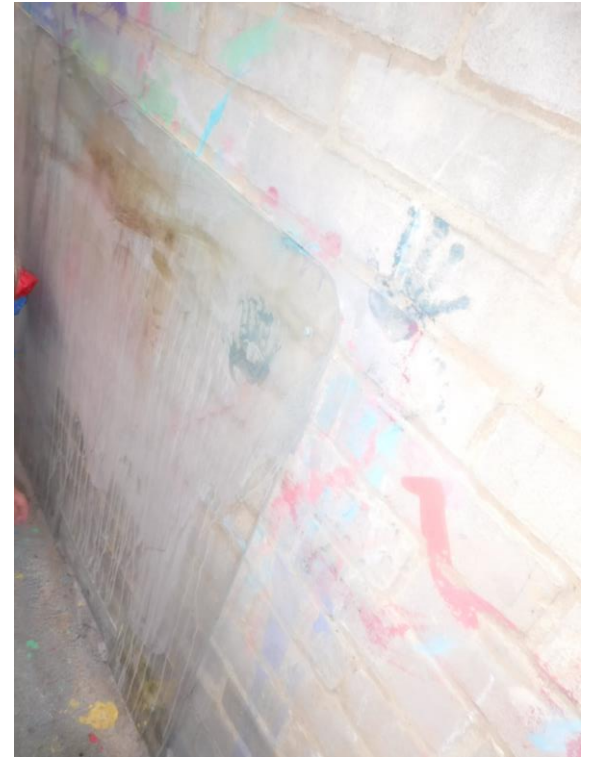

Amazing learning in the 2 year olds!

Making houses to protect the 3 little pigs!

Our  
frogspawn  
have  
become  
tadpoles!

We did our class assembly! The children were amazing!!
