

We have been learning  
about...

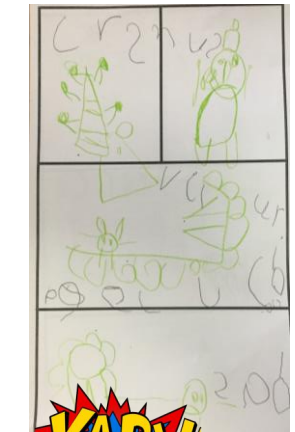

26/1/24

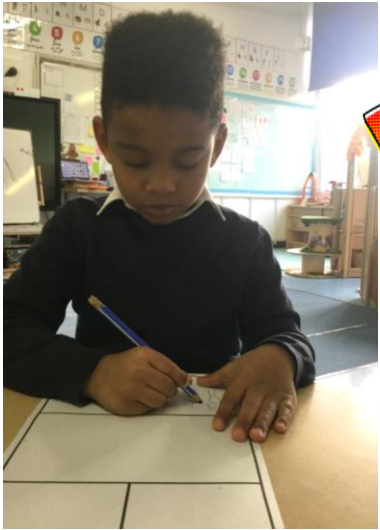

**POW**

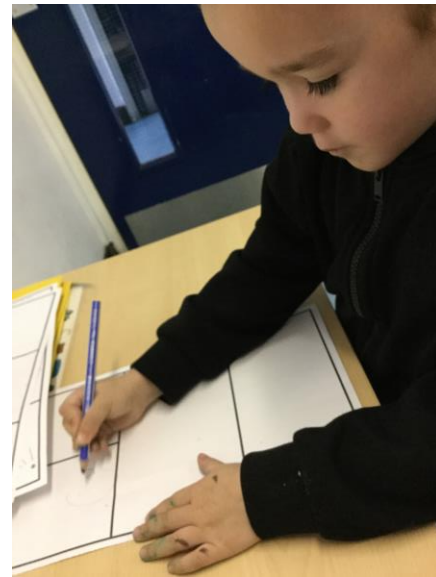

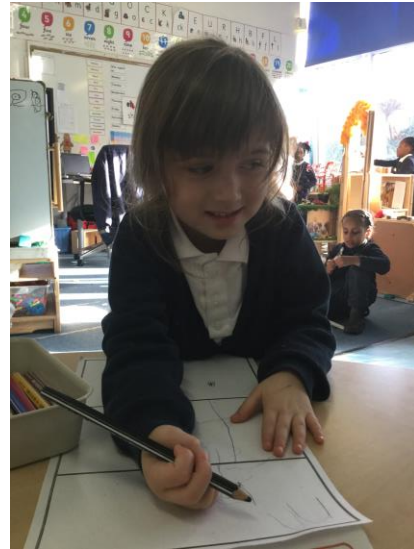

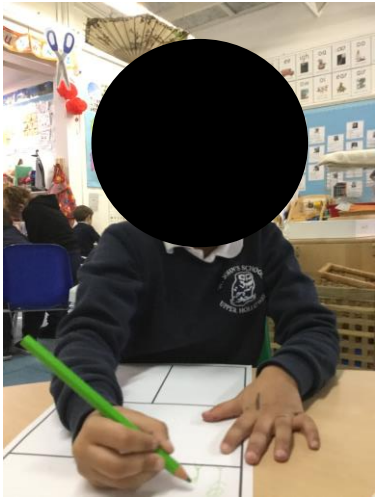

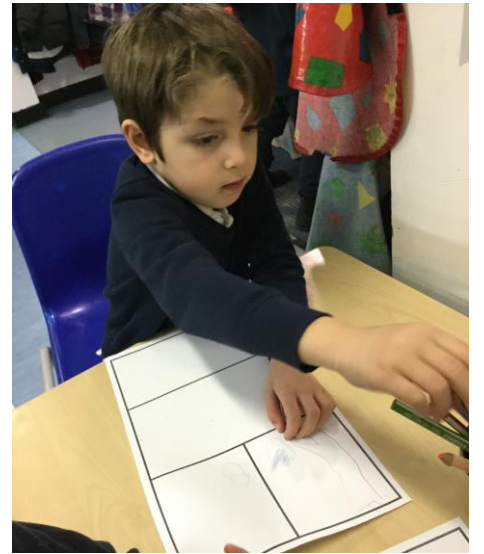

We created  
our own  
comics!

**ZAP!**

**POW**

**ZAP!**

**KAPOW!**

We played dancing games in PE...

...then we had a dance off!

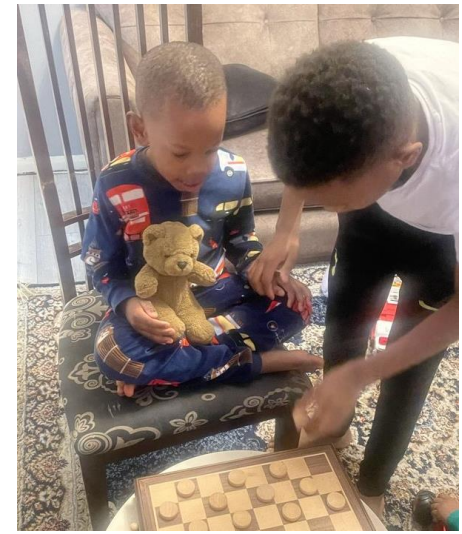

Ben is amazed by all of the sights and sounds at the Chelsea Football stadium. We have come to watch Manchester United Womens FC play against Chelsea Womens FC. Cheer loudly for Manchester United Ben!

Time for cuddles. You have to go back to school tomorrow Ben, and someone else will have a chance to look after you. I have really enjoyed looking after you and will miss you.

I love building dens with my sister Aisha. They are the best places to have tea parties.

These are my favourite swings. I hope Ben doesn't fall off, maybe I should have put him in the baby swing.

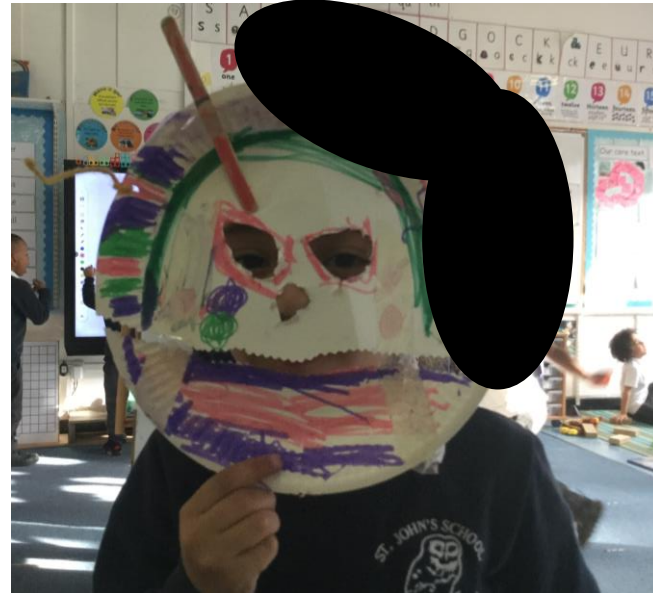

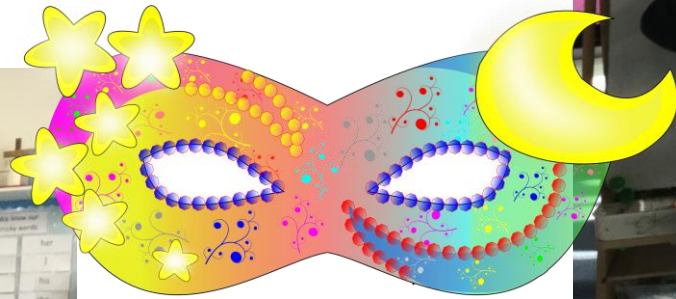

I'm teaching Ben how to wrap a present. This one is for Maria-Grace.

Ben is travelling on the tube with me. I wonder if it is his first time because he didn't have an Oyster card.

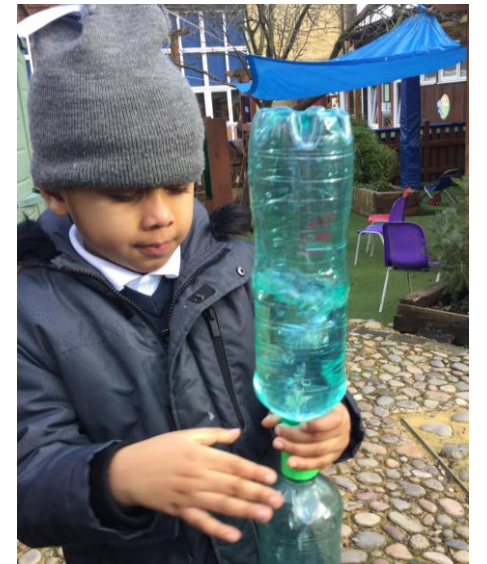

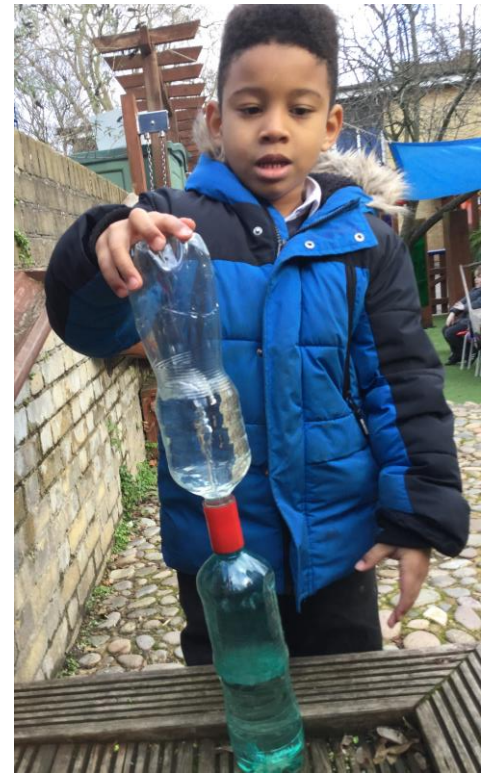

What did Bee and Ben do this week?

Tell me about your mask. How did you make them?

How did you make your tornado tubes work?

Amazing  
reading!

What  
else did  
you  
learn  
about  
this  
week?

We have been practising our subtraction skills!
