

**We have been
learning about...**

26th September 2025

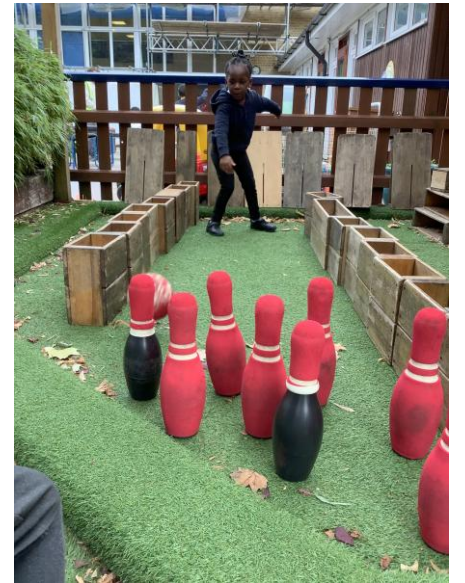

We read our first Drawing Club text. Then we drew our character, wrote a secret code and sent our character on an adventure.

We practised our counting skills by knocking down the skittles and counting them. We were very good!

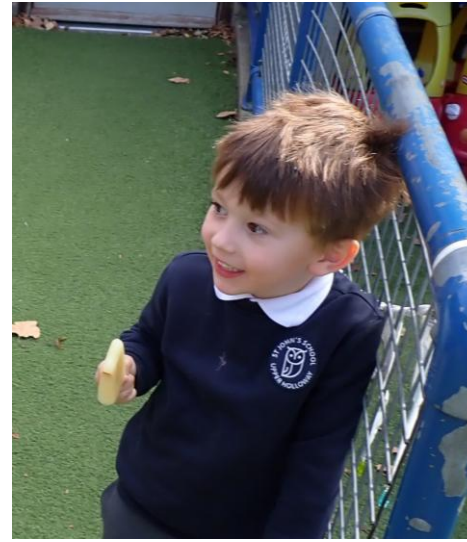

We harvested the rest of the apples, juiced them and then made ice lollies.

**We sat in the
sunshine and ate
our homemade ice
lollies.**

Our first visit to the library.

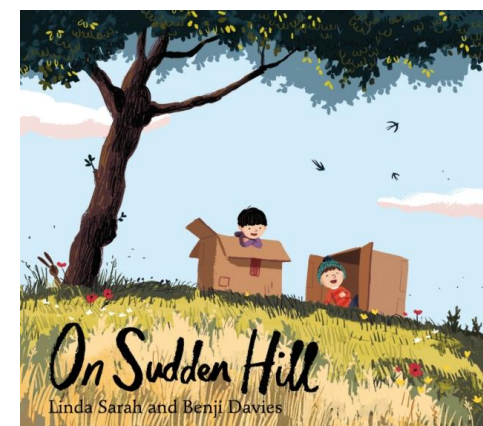

**Look at
our
amazing
guided
reading!**

We are BIG friends – just like Shu and Etho in our core text.

Would you
rather:
It was always
raining or
always sunny?

Philosophy for Children

Would you
rather:
You were tiny
or enormous?

What else have you been learning about?
