

**We have been
learning about...**

30.1.26

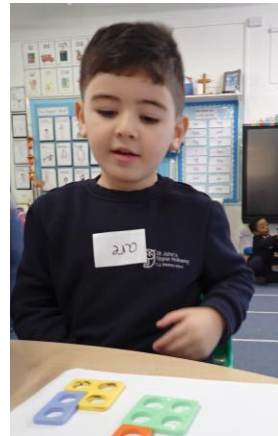

We thought
about what
we did when
we were
little.

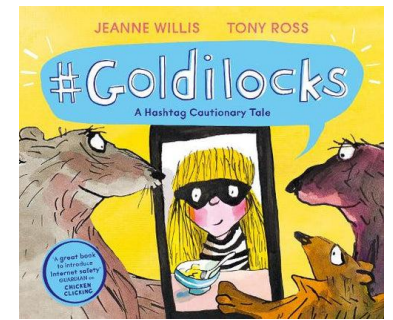

Can you tell who it is?

We thought
about our
number bonds
to 5.
5 is made of...

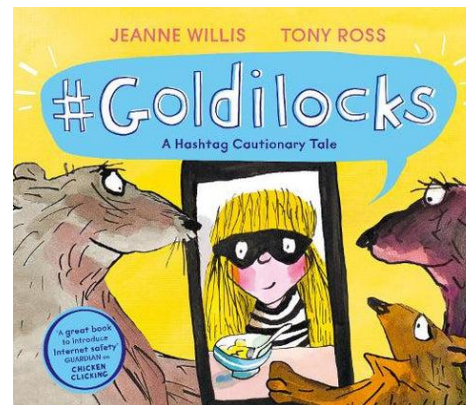

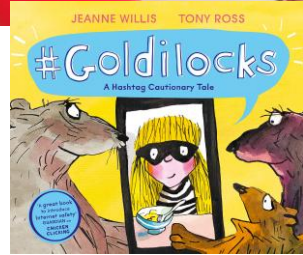

We thought decided which character to draw from our Drawing Club text #Goldilocks.

We wrote our secret code word and sent out character on an adventure.

We made flapjacks to give to Goldilocks so that she wouldn't steal porridge from the bears!

**What do
you think
we should
cook next?**

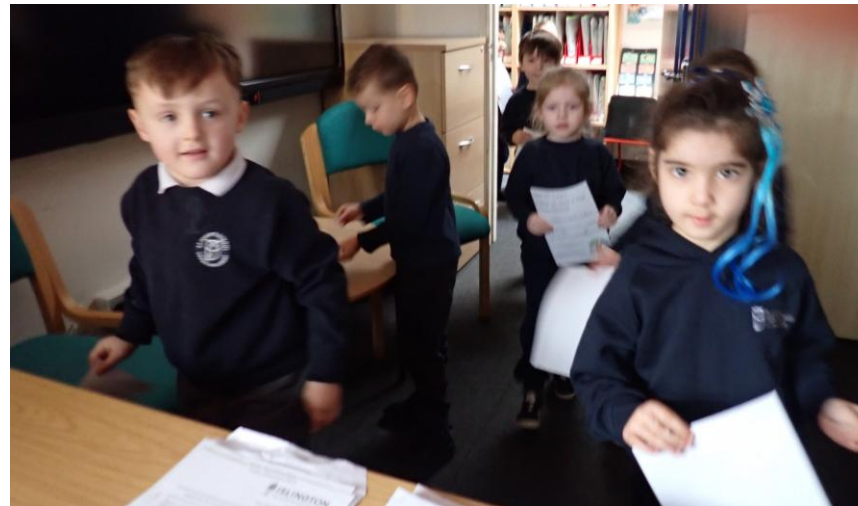

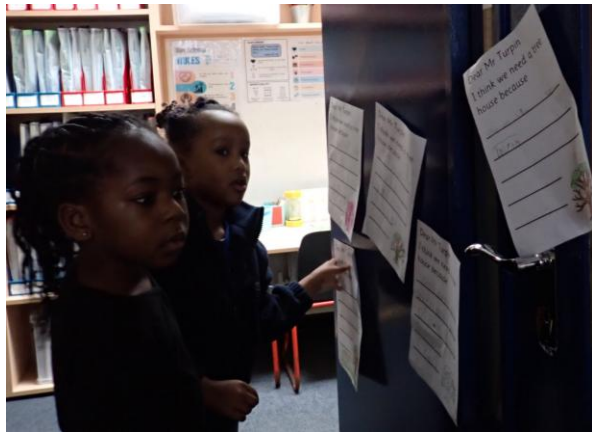

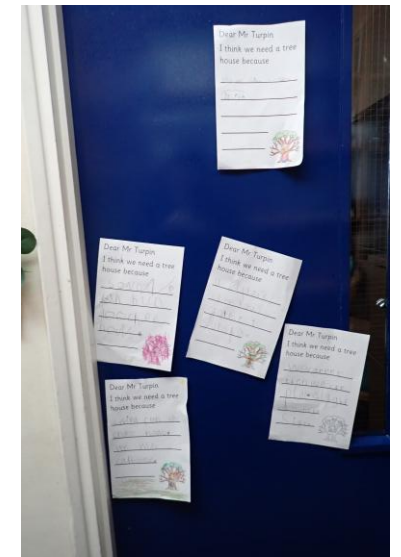

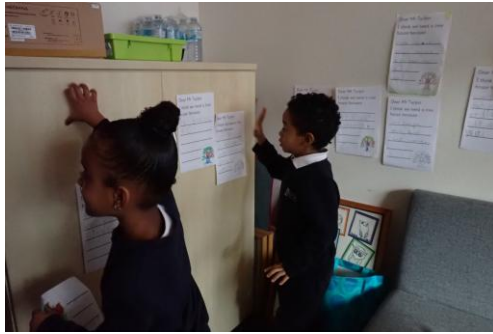

What did you learn about
in PE?

**Who came to read
to us this week?**

We wrote letters to Mr Turpin asking for a tree house for the garden.
Then we snuck into his office and put all the letters up!

Mr Turpin found all of the letters and came to chat to us. What did he decide?

Happy 5th
Birthday!

What else did
you learn about
this week?
