

We have been learning
about.....

31.1.20

We practiced our football skills.

We went to the library

Happy birthday
Ange!

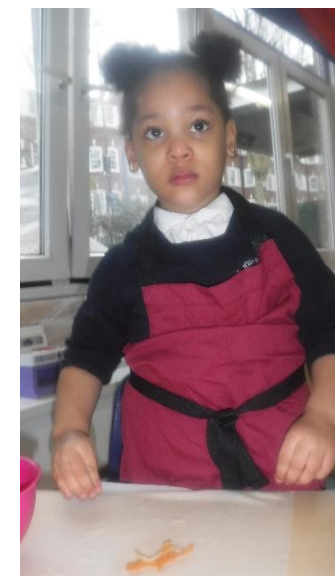

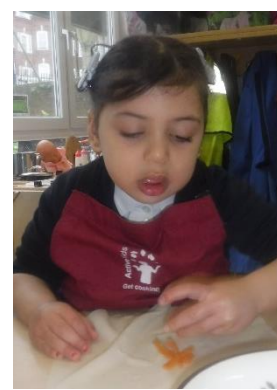

Year 2 came to measure some of our heads. They are doing an experiment to discover if babies heads are bigger than grown ups.

We celebrated Chinese New Year by making spring rolls.
Can you remember how you made them?

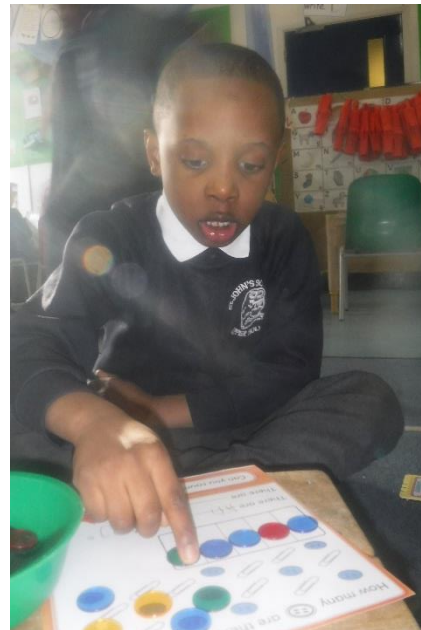

We are doing an experiment to see if eggs from the supermarket hatch.

The eggs have been in the incubator for 5 days – they have another 15 days to go!

The children put on their own show!
There was a lot of security – because the show was very popular.

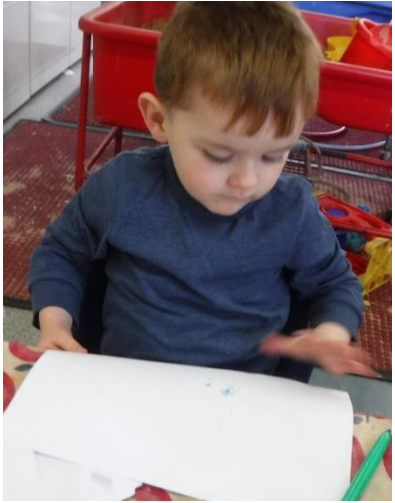

Practicing our counting.

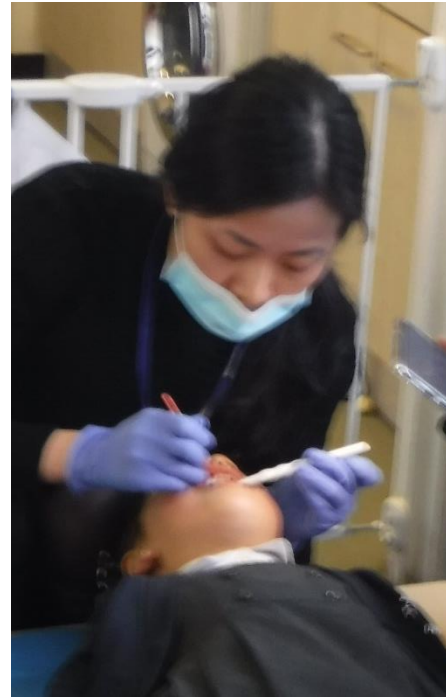

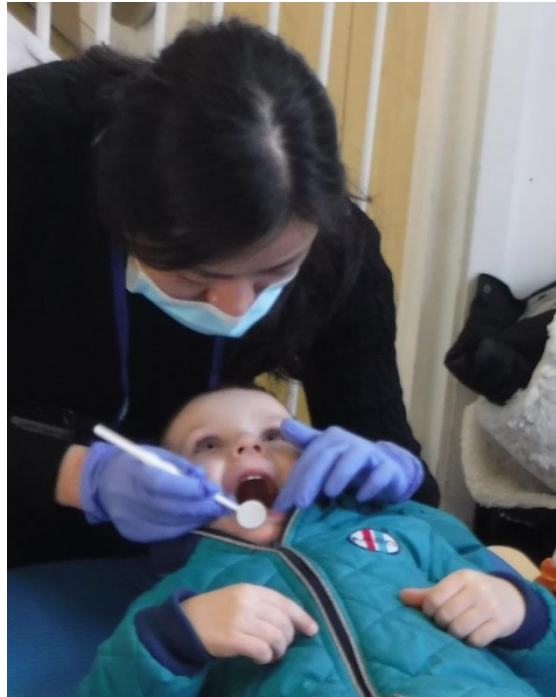

Remembering to move the objects we count!

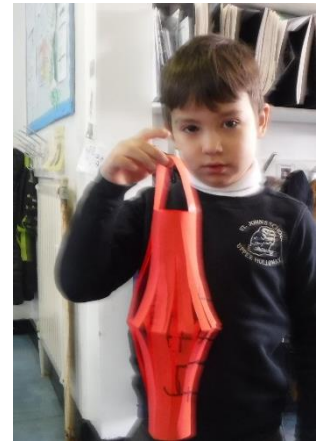

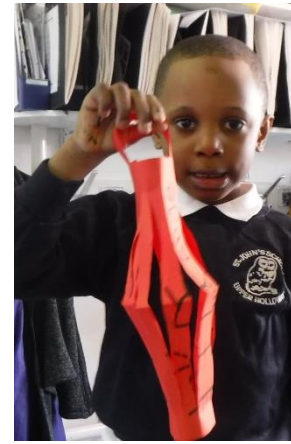

What happened in
the Chinese
restaurant?

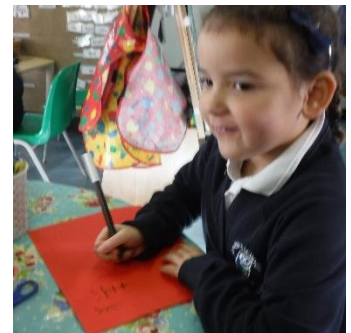

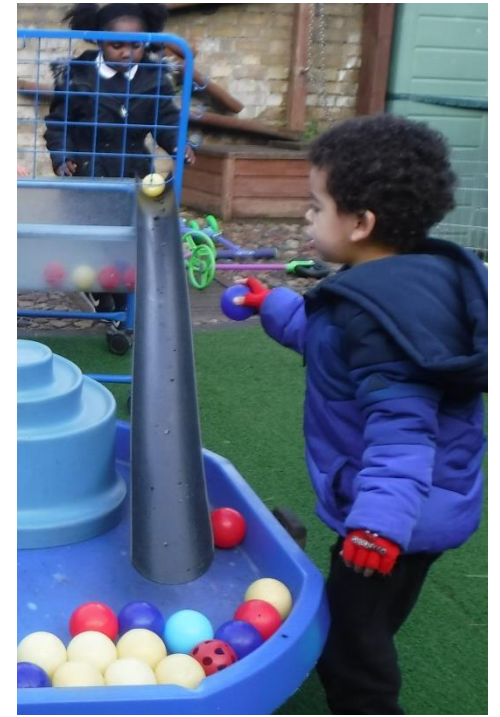

The dental team came to check our teeth!

We made our own
Chinese lanterns!

What else did you learn about this week?
