

**We have been learning
about...**

5th December 2025

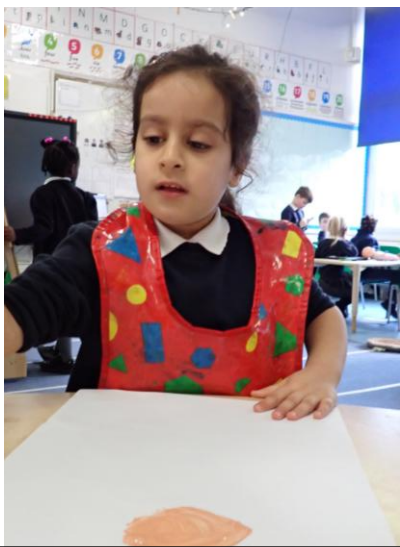

We decorated our
Christmas tree!

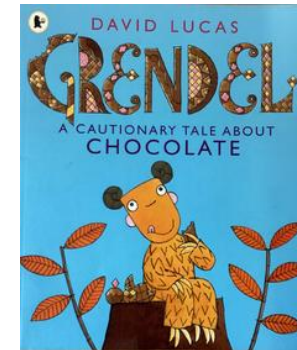

It was the end of
our experiment.
We opened the
container. What had
happened to the
fruit?

We painted Grendel from our core story.

His favourite thing is
chocolate!

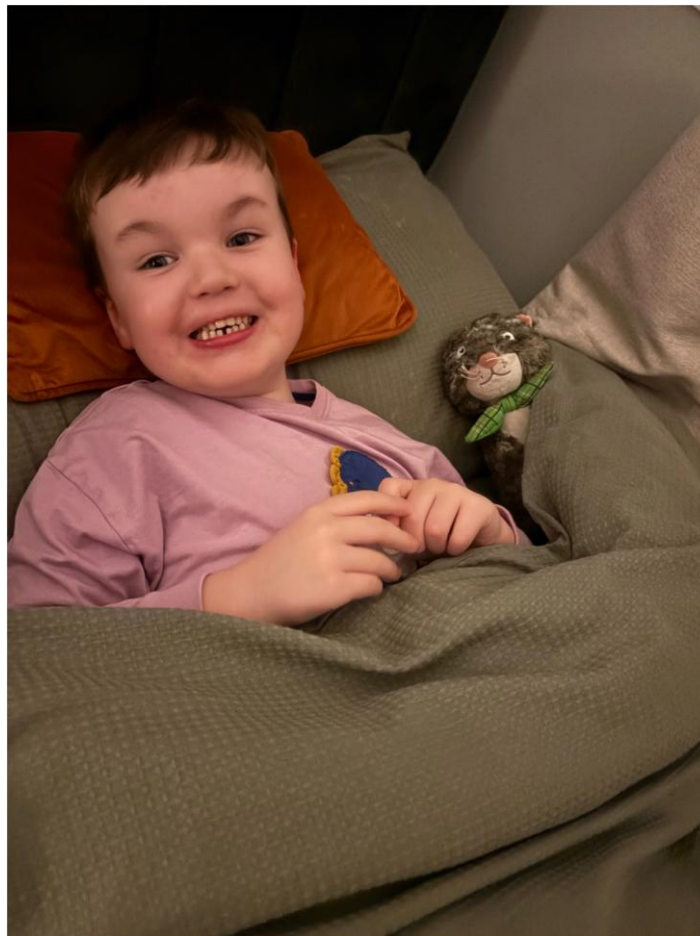

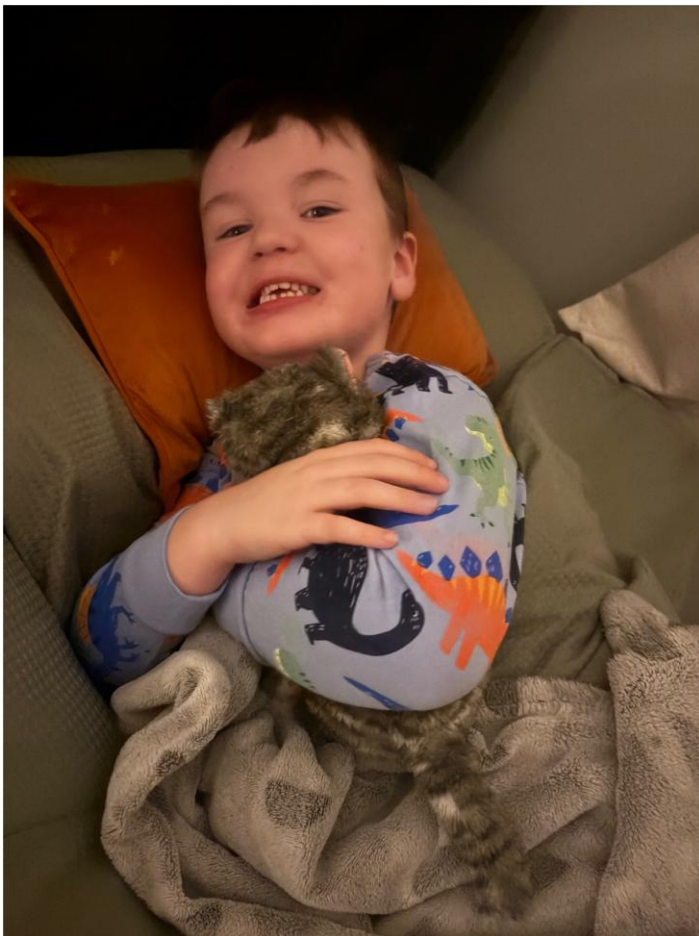

We thought about what we would wish for.

We tried on our costumes.
Please bring in the rest of
your costumes by Friday!

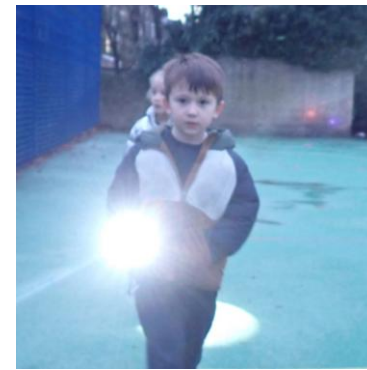

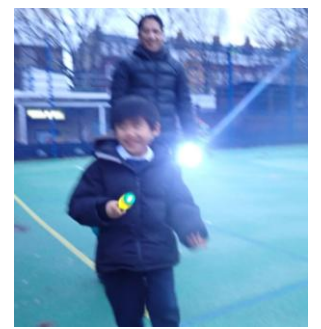

What did Carol the cat do this week?

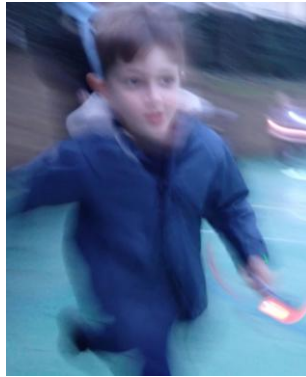

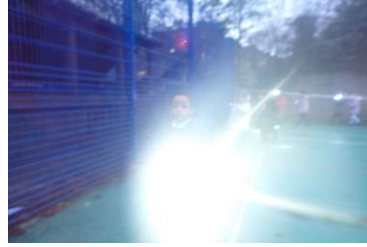

PE! We have been practising our ball skills!

We held our Torchlit Walk party. We walked around the top playground. It started by walking when it was light...

Then it got darker...

**...and
darker!**

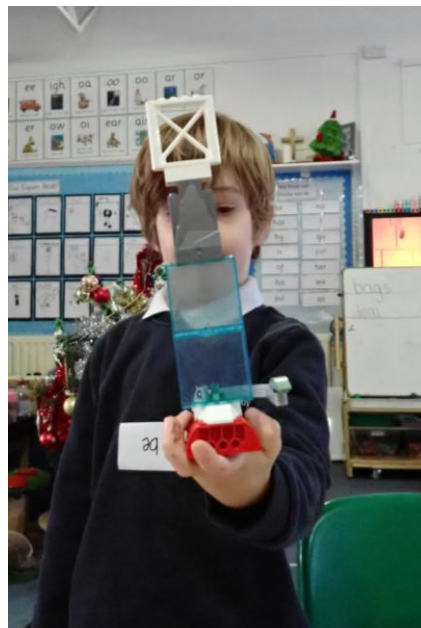

...then we had a party!

We danced and ate yummy party food.

What else did you learn about this week?

Please remember that the children all need a pair of black trousers/leggings and a long sleeved black t shirt for the Nativity. They should be named and in a named bag. Everything needs to be in by Friday please.
