

***We have been  
learning about...***

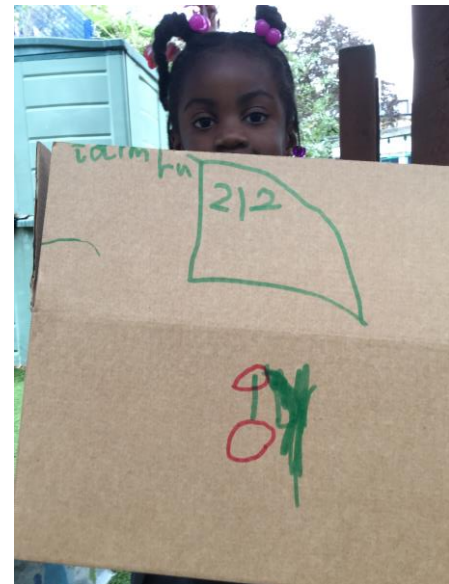

**6<sup>th</sup> October 2023**

**Birt, Etho and Shu sent us boxes. We thought about what we would like to make with them.**

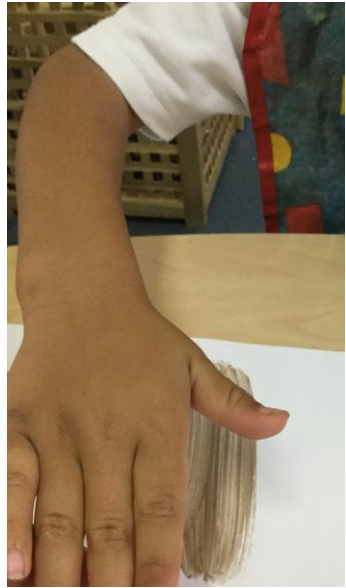

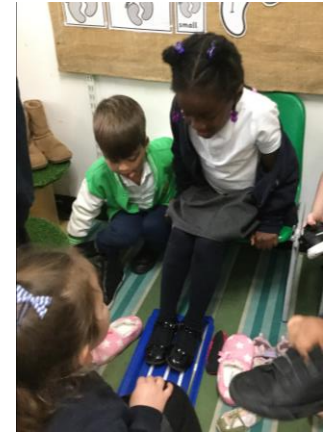

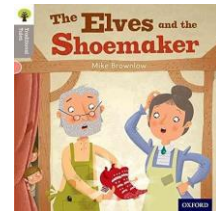

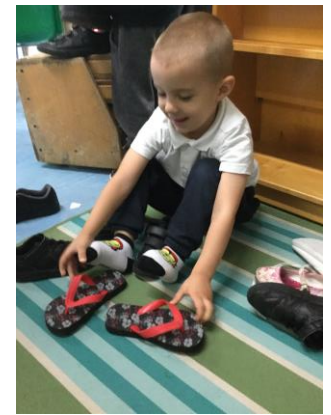

**Look at these amazing creations! Tell me about your boxes.**

**We talked about our skin. We compared our hands and talked about how everybody is different. We have begun to think about our self portraits. We matched our skin to the right skin shade paint and then we painted our faces. When the base dries we will add our features.**

One of our guided reading books was  the elves and the shoemaker. We set up a shoe shop – just like in our reading book.

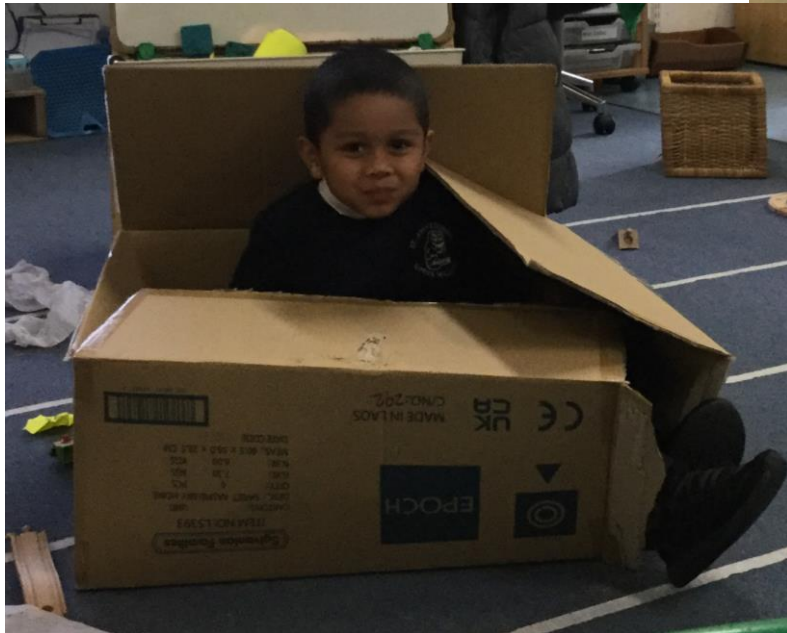

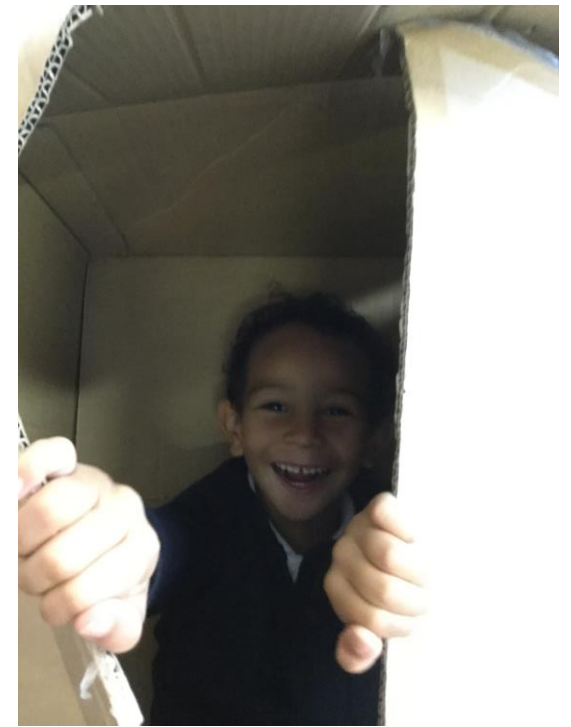

Why did you bring food to church?

We went to church to celebrate the Harvest Festival.

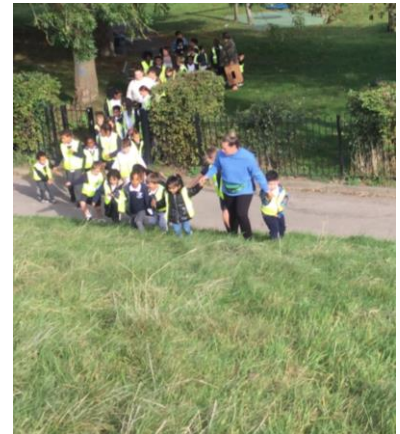

**What did  
you do  
with your  
boxes?**

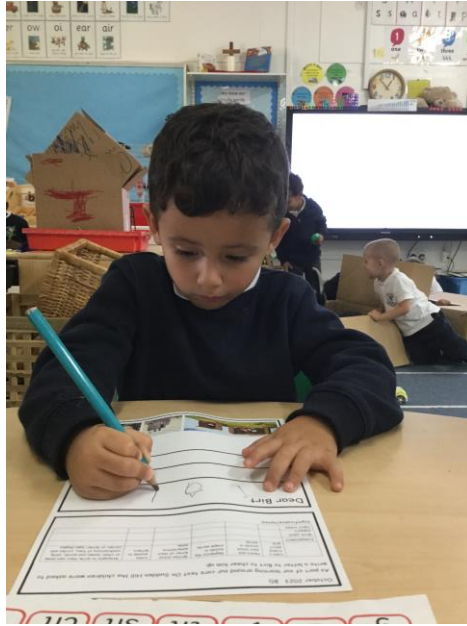

We climbed to the top of Sudden Hill!

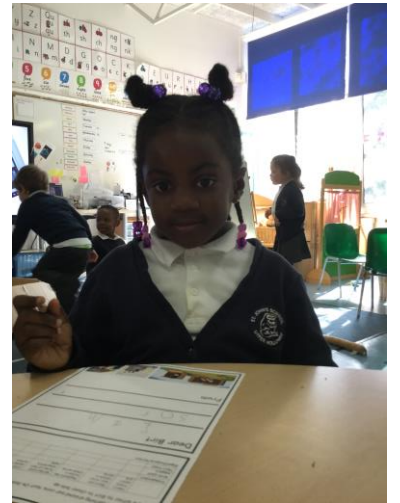

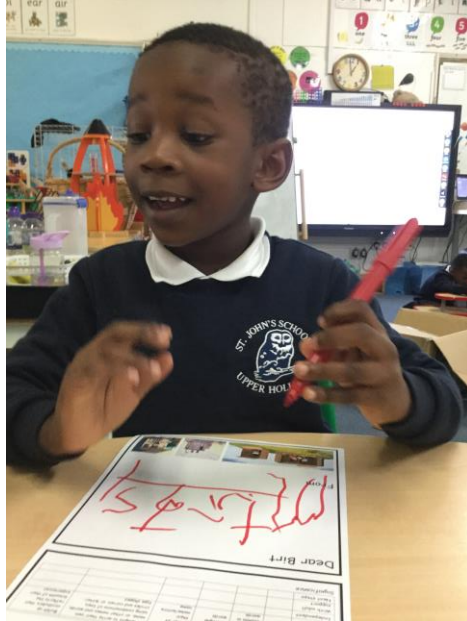

Did Sudden Hill look like you thought it would?

We have been segmenting the sounds in the words we want to write. We linked the sounds to the letters and found the grapheme on our sound mat.

We have been learning about the composition of 4. 4 is still 4 no matter how it is arranged!

We have been looking back at some of our On Sudden Hill learning!

# Movie Night is on Thursday!

Book your place on  
parentmail.

We are raising money  
for coaches for our  
very exciting end of  
year trip!
