

**We have been  
learning about...**

8<sup>th</sup> May 2026

**We warmed up by following a rhythm.**

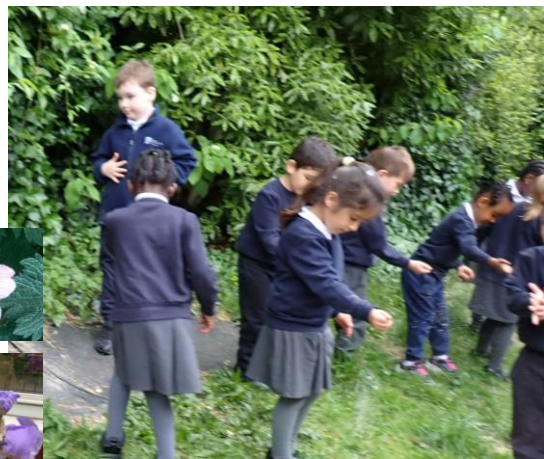

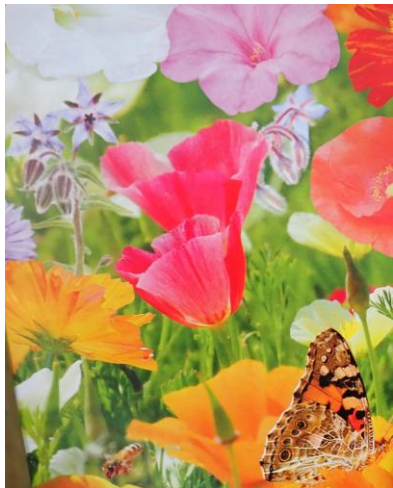

**We drew pictures of our dreams – just like Errol.**

**We noticed the insects and animals that Errol dreamed of and then we moved just like them. How did you wriggle like a worm?**

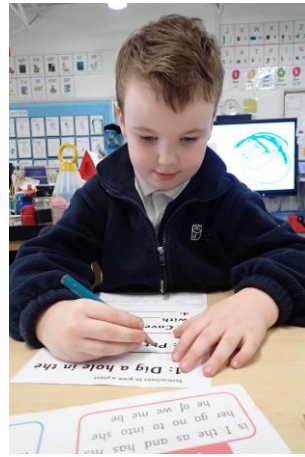

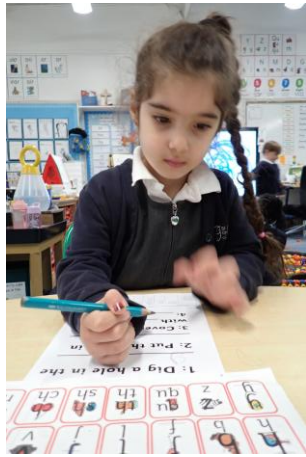

**We planted pumpkins, carrots and brussels sprouts.**

**What did  
Carol the cat  
do this week?**

**We wrote instructions on how to grow a plant.**

**We played hopscotch on our ten frame!**

**What else did you learn about this week?**
