

**We have been
learning about...**

9th May 2025

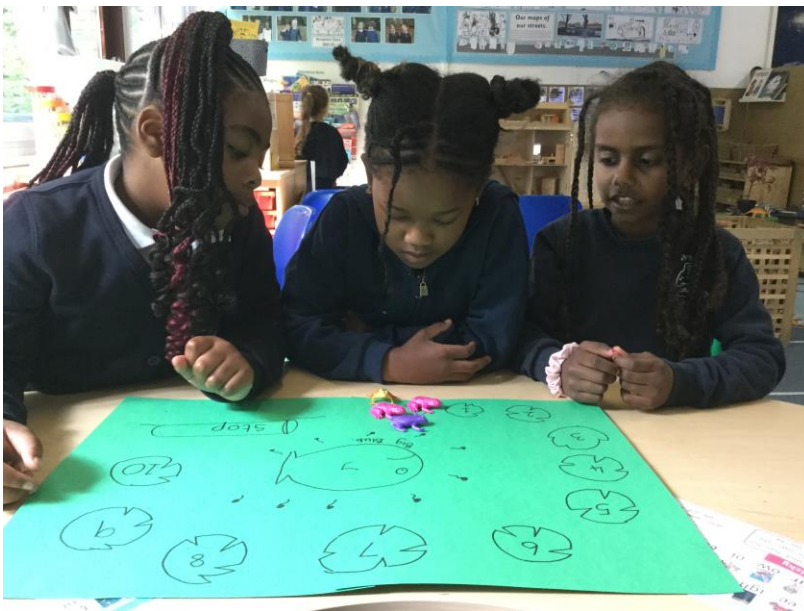

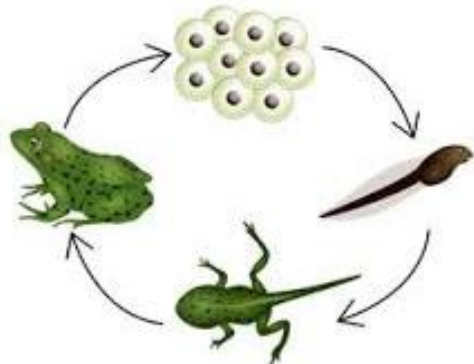

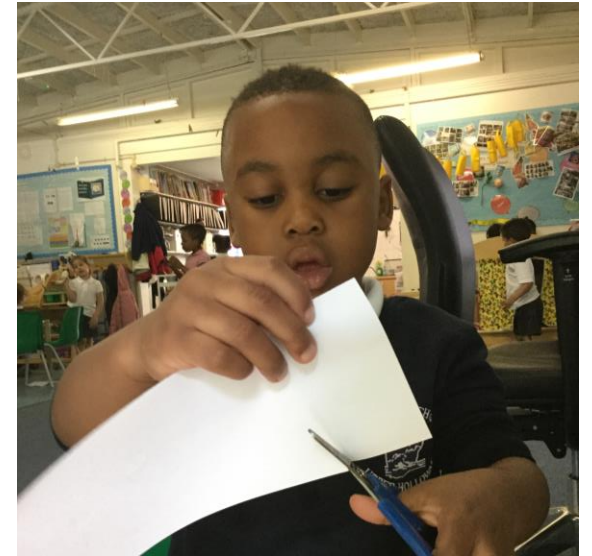

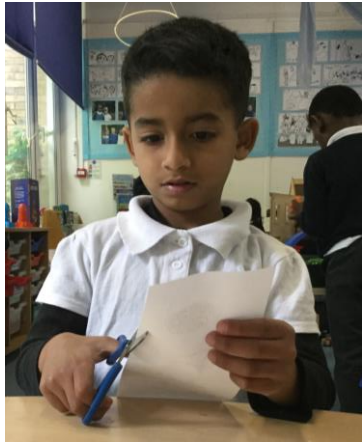

Using our new frogs to help us remember our number bonds!

Adding
single
digit
numbers.

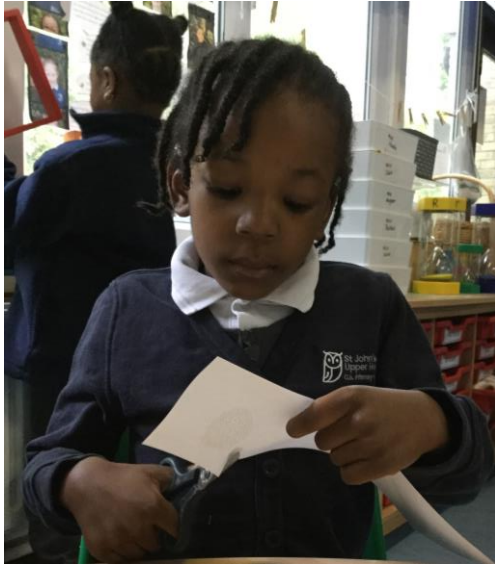

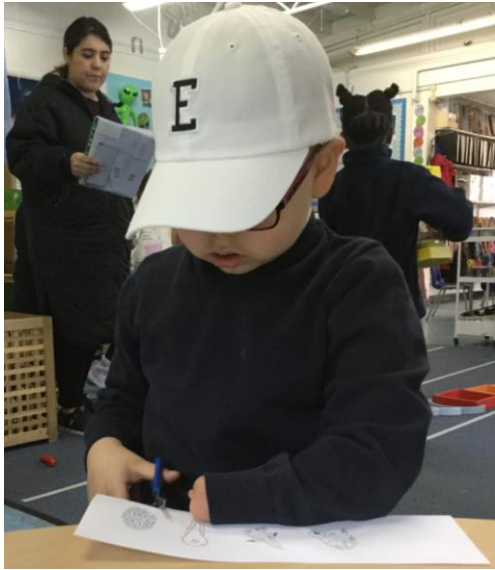

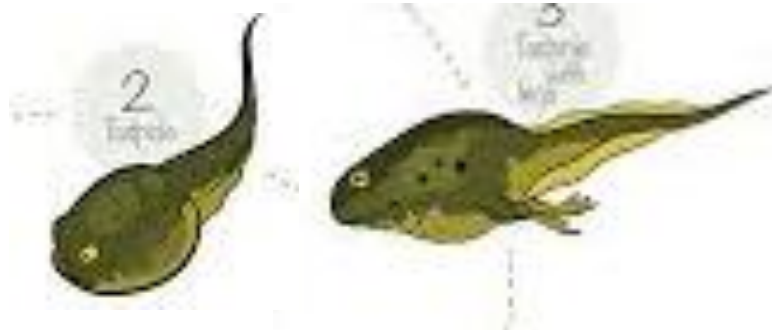

**Did Big Blub get to eat
your frog or did you make
it to the end of the lily
pads?**

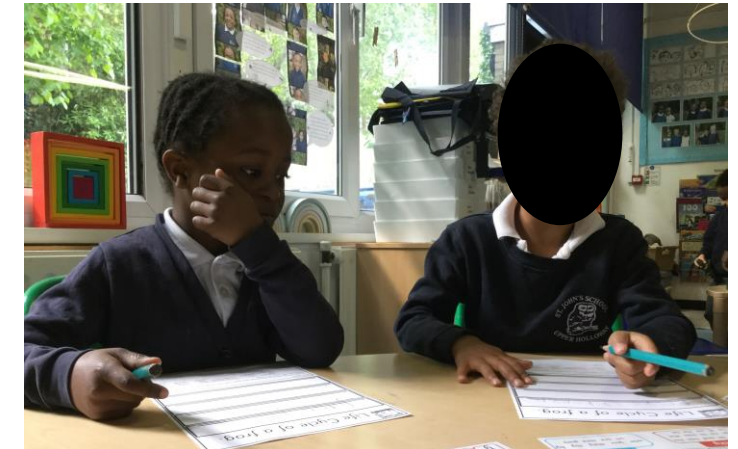

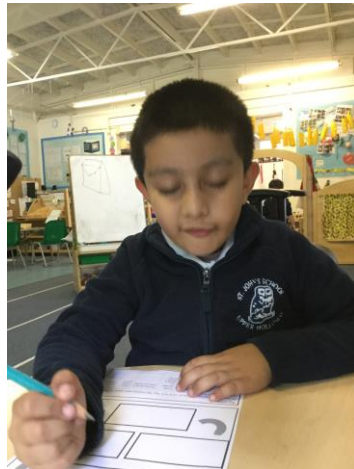

**We cut out and ordered
the life cycle of a frog!**

We wrote about the life cycle of a frog.

Does anybody know where we could get some real tadpoles? The ones in the pond have been eaten by Big Blub!

**Look at
our
amazing
balancing!**

In RE we thought about places that were special to us. Lots of children said the park was special – so off we went!

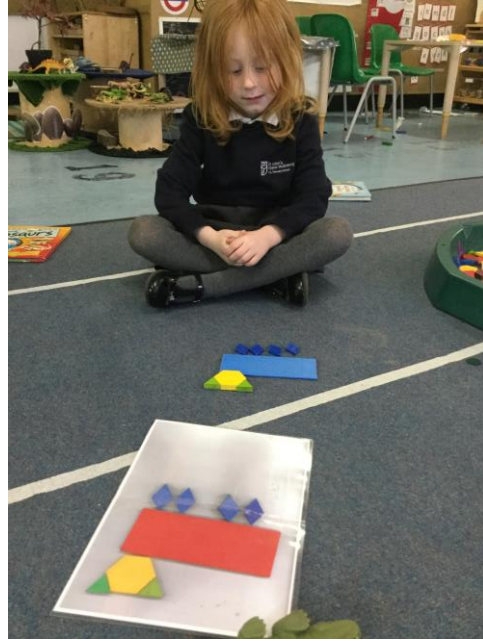

**Happy
5th
birthday!**

**Can you tell who it is?
Please send a baby picture in over
Seesaw.**

**What else did
you learn
about this
week?**
