

We have been
learning about.....

6th November 2020

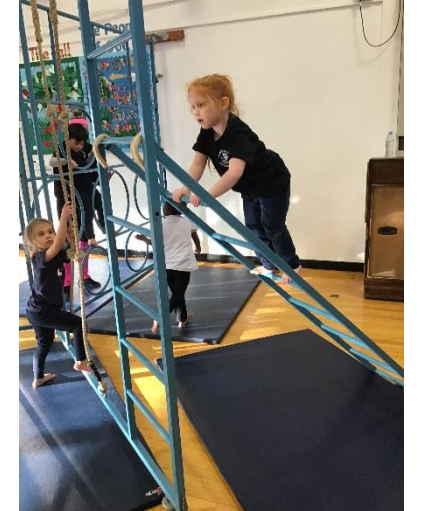

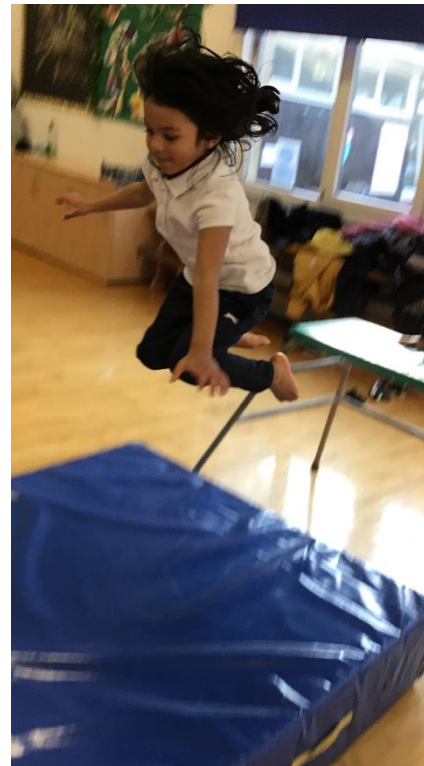

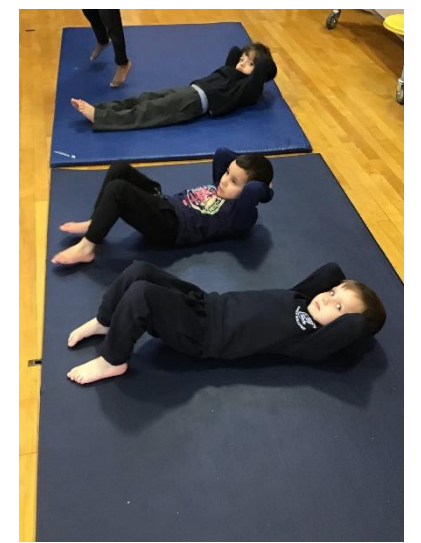

We played a space counting game. How many planets did you move?

Reception are creating their self-portraits. They matched the colour of their skin to the right paint and then painted just their heads. They need to wait for their faces to dry before they put on their features.

Reception had their first ever PE session!
Tell me what you were learning about.

Miss Jackie B
and Miss
Merley put
on special PE
clothes too!

We thought
about the jobs
people do.
.....and the jobs
we would like
to do when we
are grown ups!

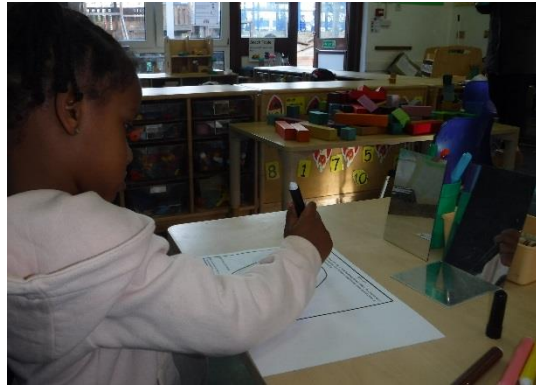

Miss Merley made us really
tired when we exercised!

In Nursery the children are learning about environmental sounds and body percussions. They played a game where they had to pass the sound.

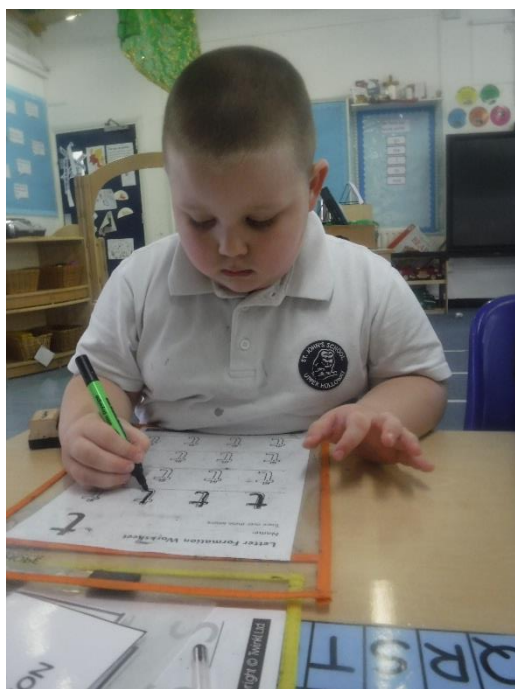

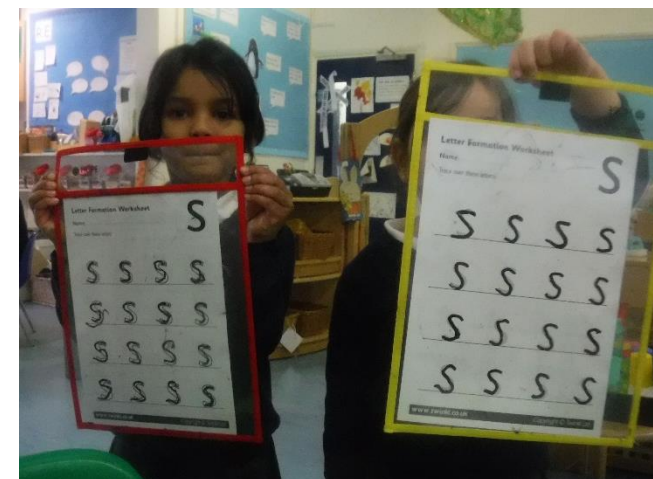

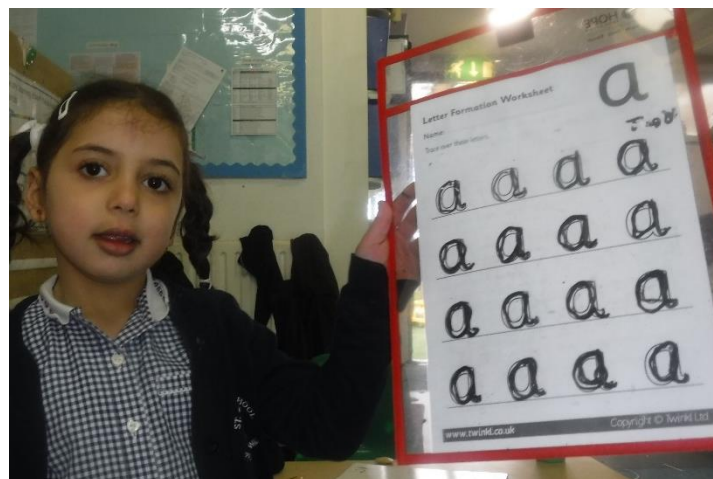

We have been thinking about how we are all the same but unique. The children in the Nursery drew pictures of themselves.

The Nursery children
learnt how to use their
new remote control
cars!

What
happene
d in the 2
year old
room this
week?

What else did you learn about this week?
