

We have been learning  
about...

4<sup>th</sup> December 2023

This week we have started to get ready for Christmas!

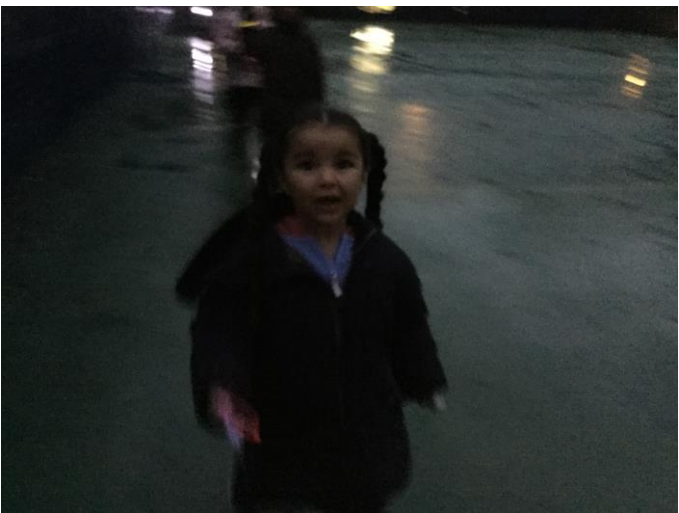

It was so much fun decorating the tree all by ourselves!

We had so much fun on our torchlit walk.

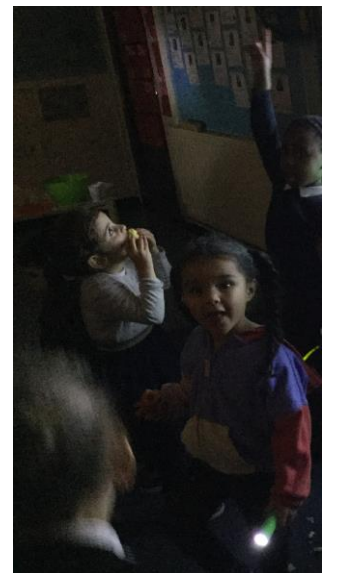

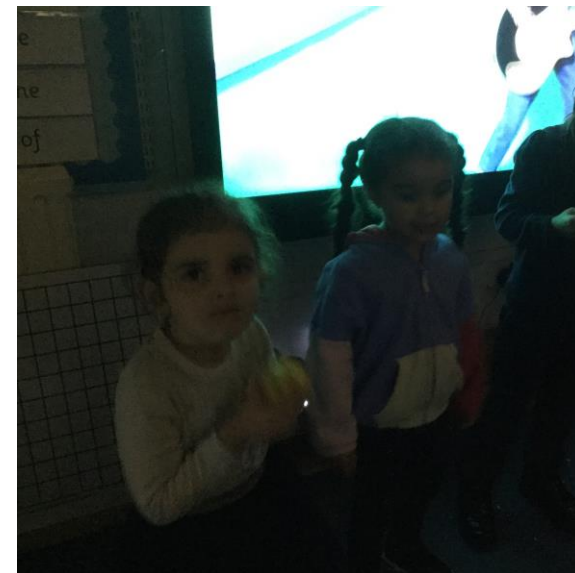

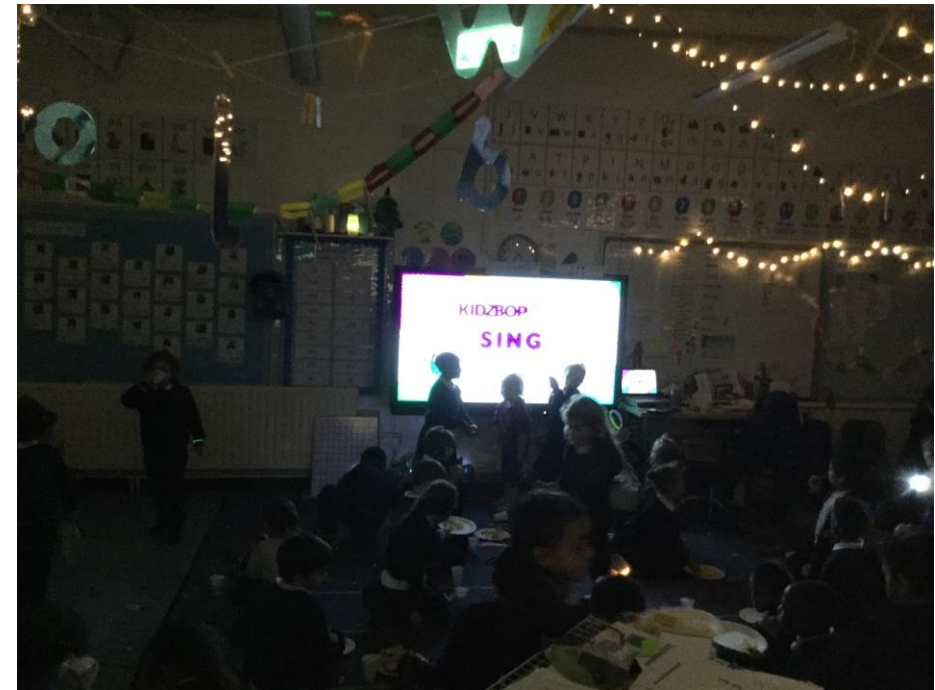

Our party afterwards was amazing!

---

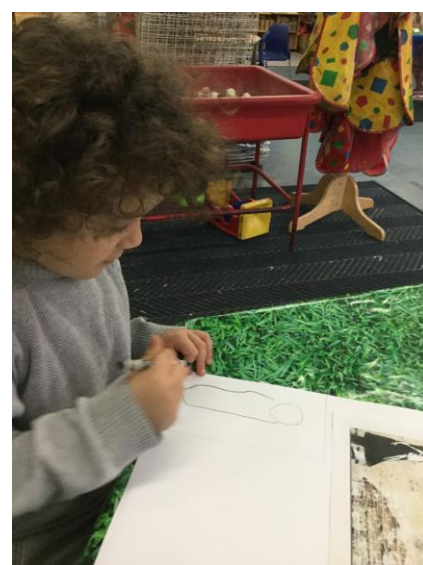

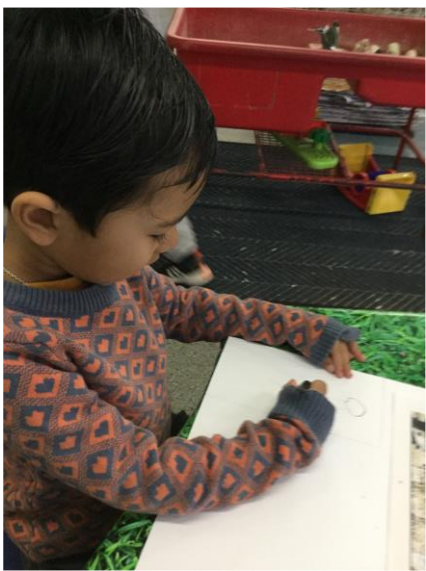

We've been completing our art week portraits.

We started by drawing our self portraits with black crayon.

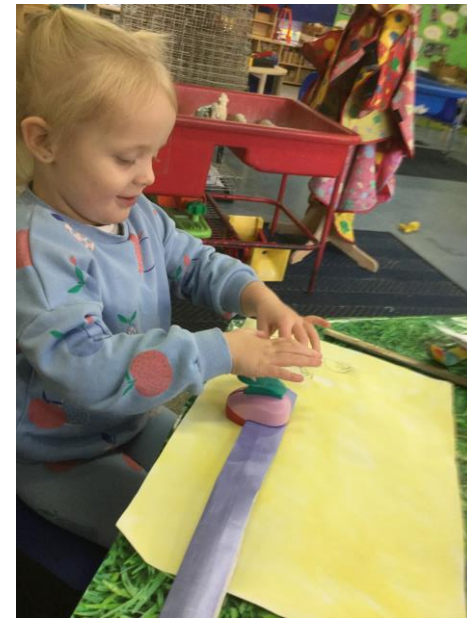

Next, we  
gave our  
paper a  
yellow  
wash.

We cut out  
lots of  
butterflies  
to finish our  
picture.  
Some of the  
butterflies  
were really  
fiddly!

We also went on our trip to Little Angel theatre to see

Wow!- It's nighttime!

A group of young children are gathered around a Christmas tree, actively decorating it. The tree is adorned with gold beaded garlands, warm white lights, and colorful ornaments including a red one and a green one. A young girl in the foreground, wearing a pink and white long-sleeved shirt with a cartoon character, is focused on attaching a gold garland. Behind her, a boy in a blue and orange patterned sweater looks on. To the right, another child in a pink hoodie is partially visible. The scene is set indoors, with a large window in the background showing a green lawn and a building exterior. The text "What else have you been up to?" is overlaid in white, sans-serif font across the upper portion of the image.

What else have you been up to?
