

We have been learning
about...

10th June 2024

This week we have begun
thinking about our new core
text:-

We have been sharing our
memories of trips to the
seaside

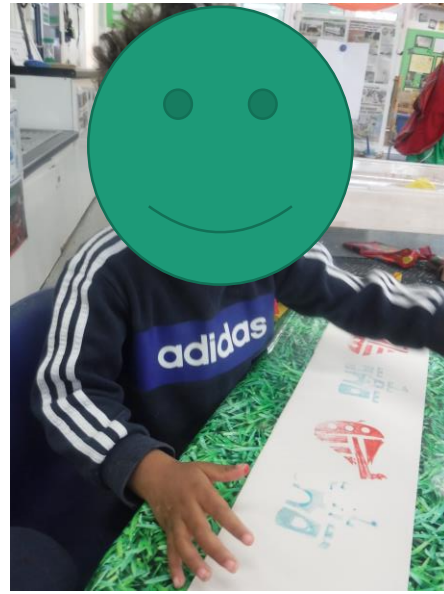

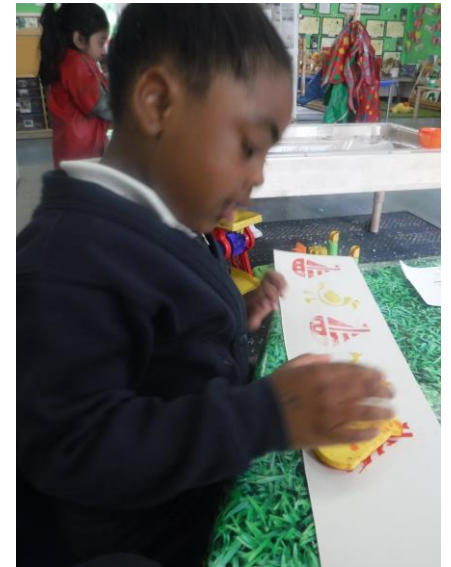

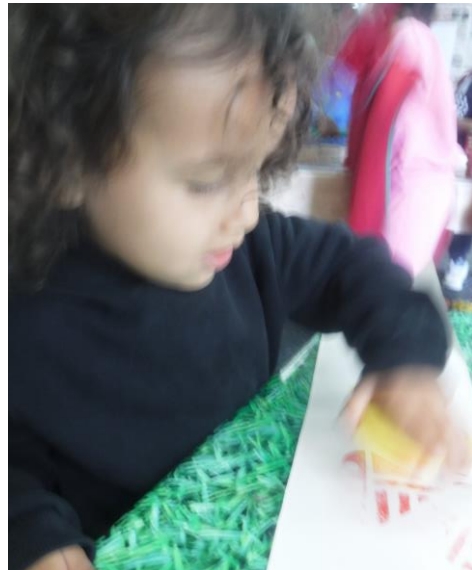

It was somebody's birthday this week!

We have been continuing and making our own repeating seaside patterns.

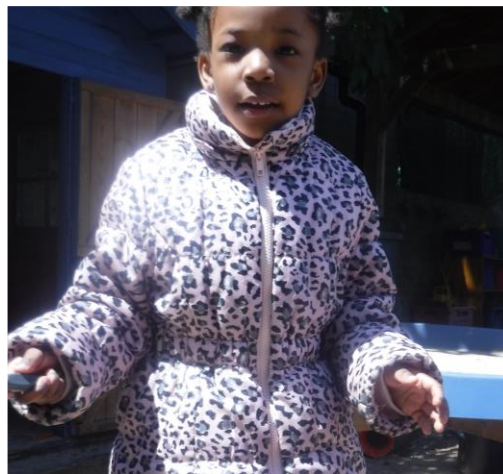

Could you spot which part repeated over and over again?

What else have you been up to?

Don't forget next to
come to our
cinema night after
school next
Thursday
3:30pm to 5:00pm
