

We have been learning
about...

11th March 2024

We have been exploring being bird hunters this week with our core text “Sssh we have a plan”!

What kinds of birds did you make on our playdough table?

We have been practicing
writing our names in shaving
foam with Miss Diana.

We had another
birthday this week!

We have
been
painting
pictures
for our
assembly
next
week.

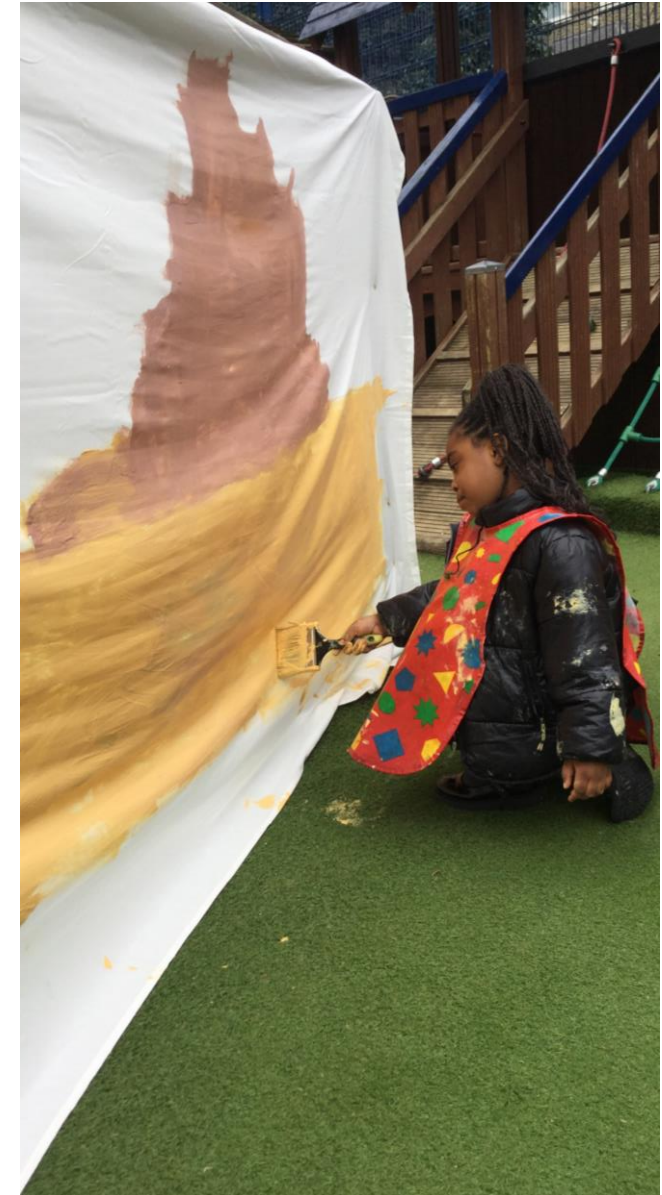

Can you
guess
what it is
about?

We added all
sorts of
features to our
under the sea
creatures

We made some giant art with Miss Carol in the garden!

What else have you been up to?

Don't forget our
early years
assembly is at
9:30am on
22nd March 2024
