

We have been learning  
about....

11<sup>th</sup> September 2023

It's been great getting back to all sorts in  
Nursery this week.  
We've enjoyed exploring the new mud kitchen

Tea anyone?

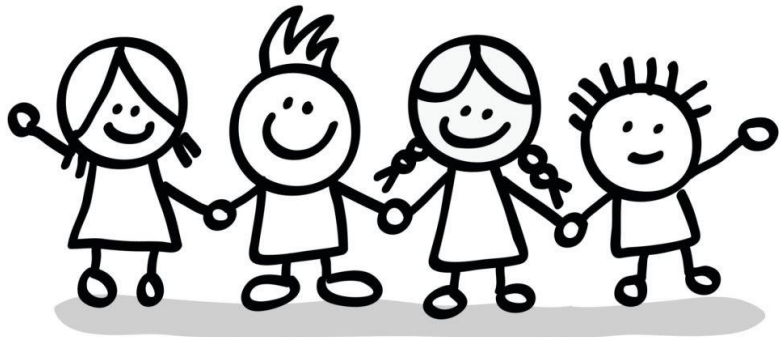

It's been great to explore the outside space again.

We've been spending time with lots of new friends and having fun together!

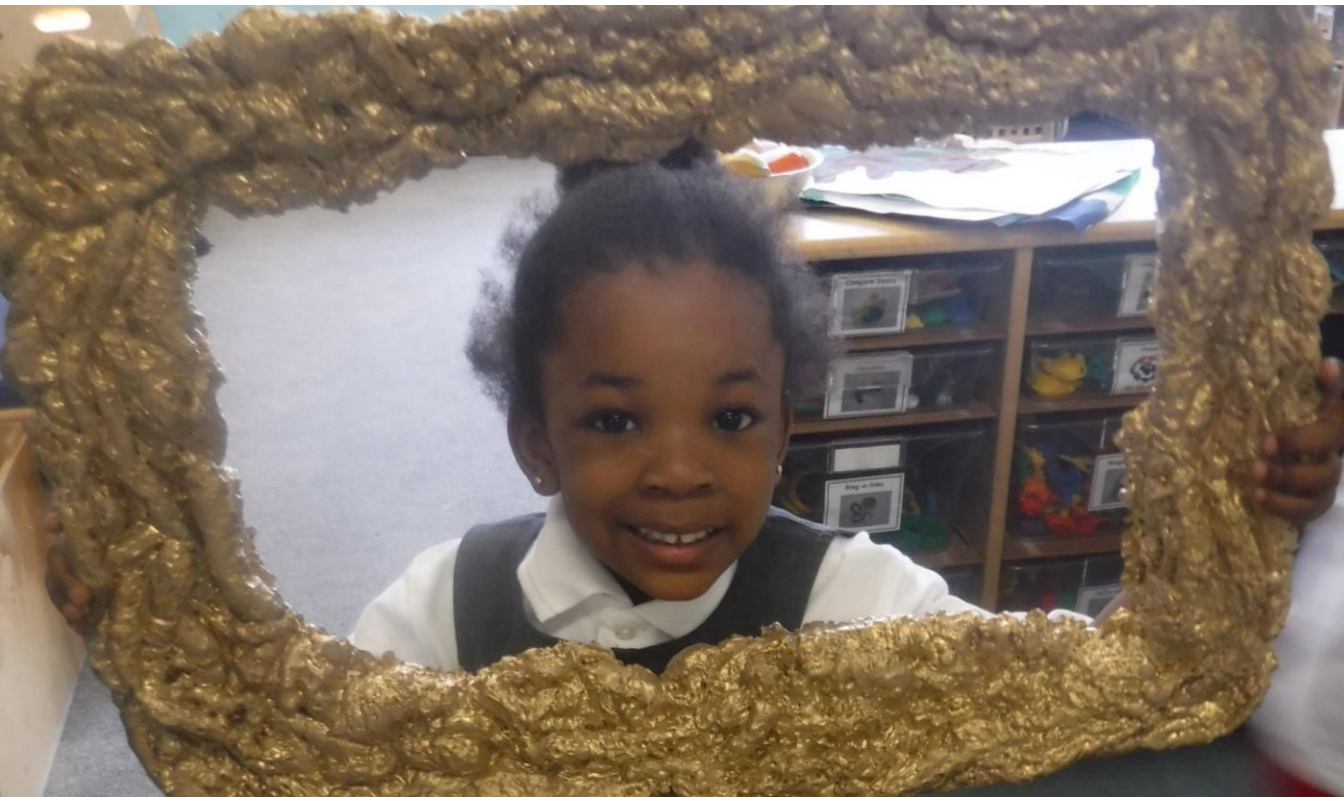

Did you manage to fill the jugs and buckets using the tube and funnel?  
We needed to work together to get the job done!

It's been great  
getting to know  
some new faces  
this week too!

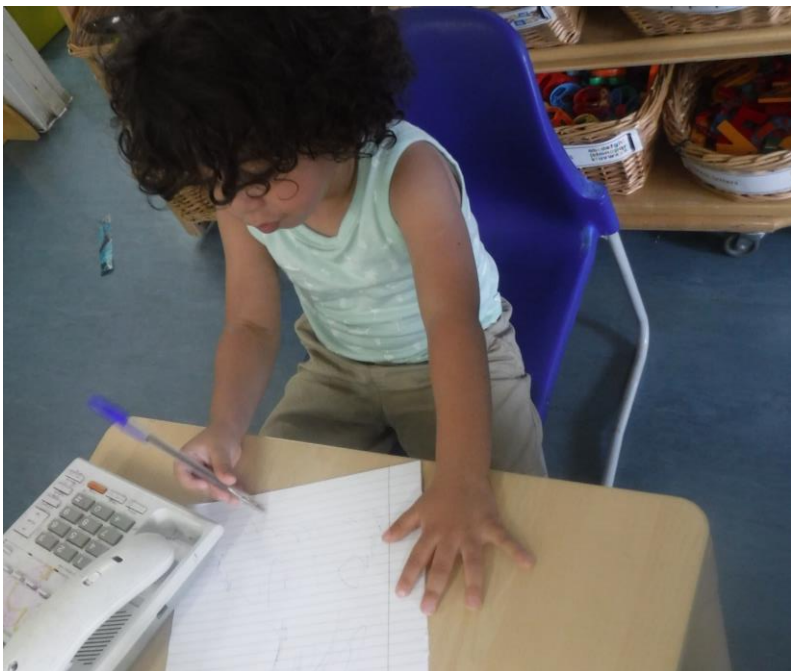

We've  
been  
learning  
how to  
use the  
DT table  
with  
Miss  
Carol

What else have you been up to?

We've had fun squishing rolling and stretching the dough to make our fingers strong!

We start our first  
core text for the  
year next week.

---

Please bring in any  
large boxes you have  
at home for us to  
create our own  
cardboard box play  
from Monday.
