

We have been learning  
about....

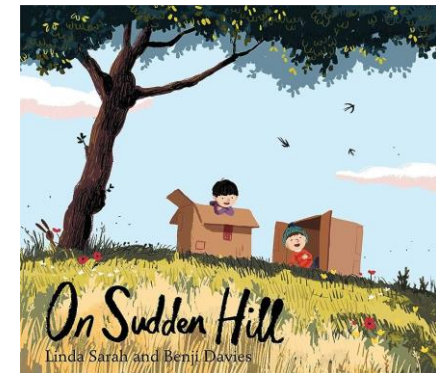

18<sup>th</sup> September 2023

This week we have been thinking about our new core text On Sudden Hill.

Just like the boys in the story, we have been turning boxes into vehicles and houses!

We have been drawing what we want to turn our boxes into.

# We have been practicing our cutting skills.

We have been practicing our cutting skills.

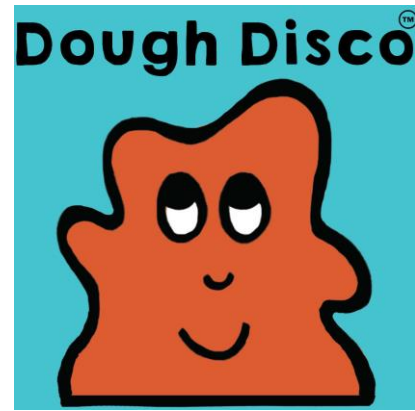

We've been thinking about taking turns and using the timer to help us be a good friend!

We've been making up monster games and making monster puppets!

We've really enjoyed joining in with  
Dough Disco to make our fingers  
strong

We've been  
looking very  
carefully at the  
minibeasts!

What else have you been up to?
