

We have been learning
about...

22nd January 2024

This week we have been investigating the story machine like Elliott!

How did you make it work?

We have been exploring size using the story of
The Gingerbread Man.
Did you make gingerbread playdough at home yet?

We talked about the different sized gingerbread men, which was the biggest? who made the smallest?

We made
our own
"story
rolls"
Can you
tell which
stories we
retold in
our
pictures?

What is your favourite "Once upon a time" story?

How did you make your string of gingerbread men?

What features did you give them?

A young child with dark skin is sitting at a table, focused on playing with a long, tangled piece of purple string. The child is wearing a light blue long-sleeved shirt with a pattern of small white daisies and a cartoon character on the front. The background shows a wooden shelving unit filled with various toys, including colorful balls and blocks. The floor is a light blue carpet. The text "What else have you been up to?" is overlaid in white, sans-serif font across the middle of the image.

What else have you been up to?
