

We have been learning
about....

25th September 2023

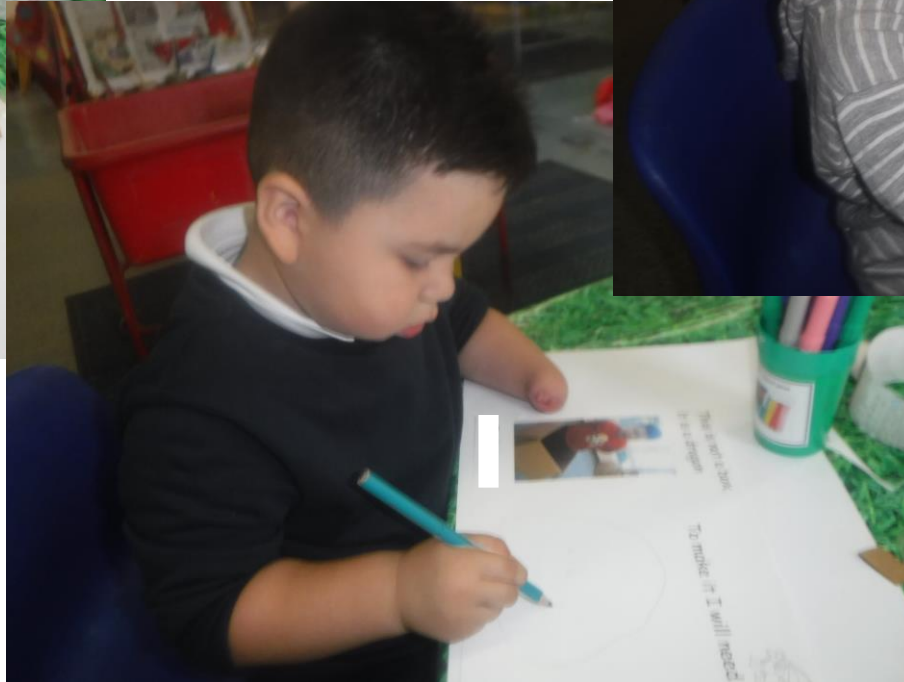

This week we have been busy with boxes!

We made a plan...

...to show what we wanted to make...

...and then got making!

Can you guess what we turned our boxes into?

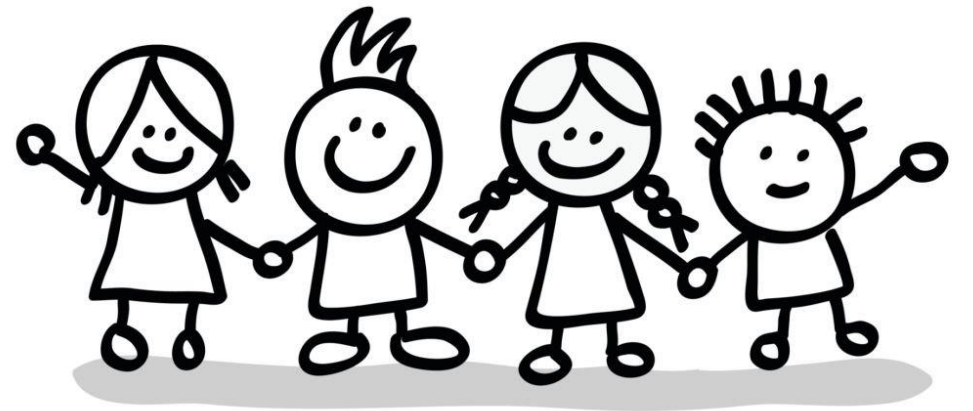

Can you guess what we turned our boxes into?

We've been thinking about who our "Big friends" might be!

Who was
your "Big
friend?"

It was someone's
birthday this week too!

We started
to think
about how
the boys in
"Sudden Hill"
might be
feeling.

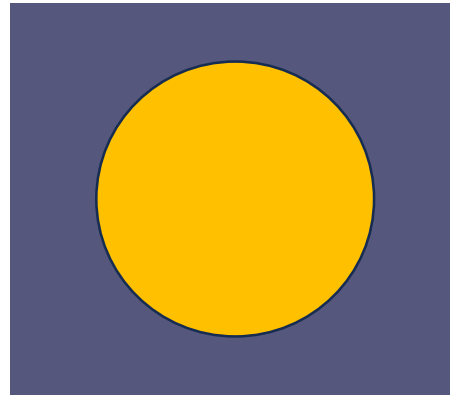

We went on
a circle hunt!

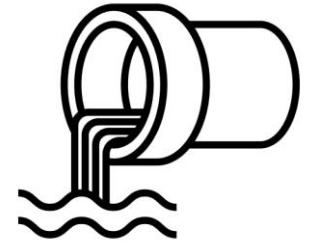

We went on
a circle hunt!

We
made
homes
for our
soft toy
friends

We've been exploring how we can use water to push the boats down the drainpipes.

Slime in
the water
tray was
lots of fun!

A photograph of a playground scene with two children in the foreground. The child on the left is wearing a yellow raincoat and is standing on a small orange ramp, holding a green steering wheel of a purple toy car. The child on the right is wearing a grey hooded raincoat and is holding a small red and yellow toy car. In the background, there is a wooden fence with a large black and yellow striped insect cutout, a stack of blue and red plastic blocks, and another child in a dark blue uniform standing near a wooden structure. The ground is covered with green artificial grass. The text "What else have you been up to?" is overlaid in white, sans-serif font across the middle of the image.

What else have you been up to?

Don't forget the toy sale in the
playground after school!
