You need to agree and complete this declaration form with each provider your child attends for their funded entitlement(s) in order to ensure that funding is paid fairly to each of them. Your provider should help you to complete this section.

Your child can attend a maximum of two providers in a single day and if your child attends more than one provider, the local authority will distribute the funding appropriately between the providers.

Provider name:	Mon	Tues	Wed	Thurs	Fri	Total no. of hours per week	Total weekly charge	No. of weeks per year (e.g. 38, 39, 45, 49, 50, 51)

To fill in if your child attends more than one provider:

To note: the maximum number of funded hours your child can receive is:

- 1) for early learning for 2-year-olds: 15 hours a week for across 38 weeks of the year (570 hours a year).
- 2) for all 3- and 4-year-olds: 15 hours a week across 38 weeks of the year (570 hours a year).
- 3) for children aged from 9 months to 4 years old of eligible working parents: 30 hours a week across 38 weeks of the year (1,140 hours a year). For children aged 2 to 4 years, this can be combined with either of the above entitlements to a maximum of 30 hours.

## Provider to complete:

Additional charges: Government funding is intended to deliver 15 or 30 hours a week of free, high quality, flexible early education and care. The 15 or 30 hours must be able to be accessed free of charge to parents; that is, there must not be any mandatory charges for parents in relation to the entitlement hours.

Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services. Providers can charge for consumables, meals and snacks, extra activities and additional hours provided they are not mandatory charges or a condition of accessing a place.

The costs of chargeable extras should be published on provider websites or, where they do not have any website, on local authority Family Information Services. These should be clear, up-to-date and easily accessible to parents, to enable parents to make an informed choice of provider.

Providers should outline below details of the charges made for consumables and additional services in relation to the funded hours. Itemised details of what these charges relate to should be proportionate but enable the parent/carer to understand the charges. Providers should make parents aware that they can discuss alternatives to these voluntary charges.
