

# **Our trip to Hampstead Heath.**

**10.3.26**

**We went to the adventure playground.**

**We had a picnic!**

We listened to the safety rules around using the Secret Garden. Then we thought about what we might find.

Can you remember how you know something is an insect?

**Exploring the woodlands.**

**We went on a  
mini beast  
hunt.**

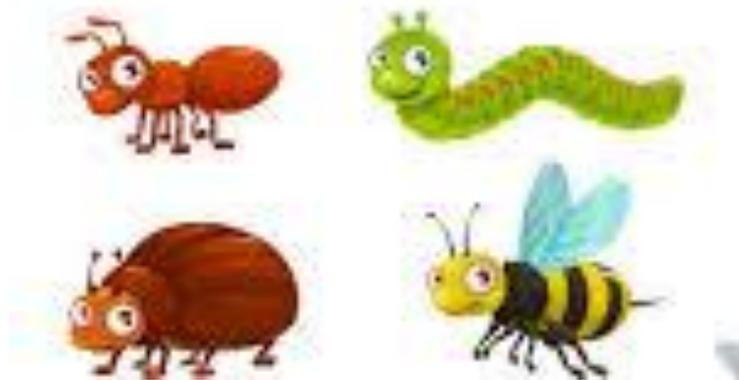

**What did you do with the mini beasts when you had finished looking at them?**

**What  
did you  
find?**

**We danced like the mini beasts we found.**

**We went pond dipping  
– we tried to find a Bog  
Baby!**

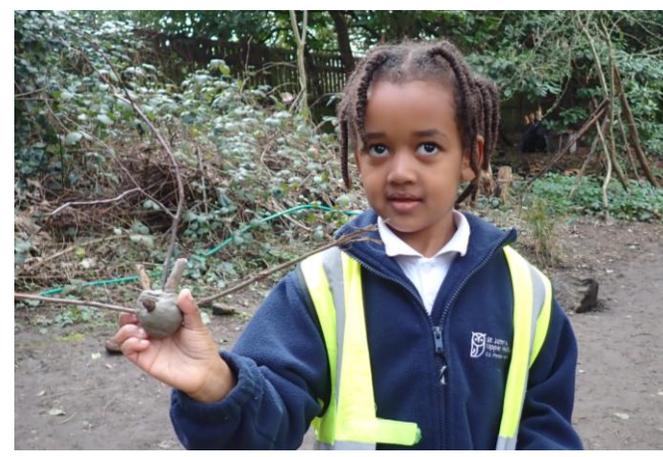

**What did you actually find?**

**We made mini beasts out of clay and natural objects for the woodlands. We left the clay mini beasts on the bug hotel.**

**A huge thank you to  
all of the parents  
who came to help us.  
You were amazing!**
