

## Sports funding analysis 2022-23

As a result of funding from the National Scheme, St John's Upper Holloway Primary has aimed to provide high quality physical education within the curriculum and outside the school. Our school is in the Junction Ward of Islington and the most recent survey of children's heights and weights showed that we are in an area of obesity well above national average.

At the beginning of the 2022-2023 financial school year, our school's PE and sports grant was **£17,580** and we used it to:

- Develop teachers skills and confidence in delivering high quality PE and sports lessons within school
- Enhance PE resources, including schemes of work for teachers
- Offer a range of after school sports clubs for children of all ages

The table below shows the main ways in which this money was spent.

Area of support	Cost	Timeframe	Impact	Next steps
<b>2022 -2023</b>				
PE lessons taught across the school by specialist PE teacher. This includes opportunity for children of all year groups to participate in a Multi-sports after school club.	£10,132.74	<p>1 hour a week for 6 different year groups</p> <p>PE Specialist also spends 1 hour a week on Physical and gross motor skills co-ordination strength intervention for key children.</p>	<ul style="list-style-type: none"> <li>• High quality specialist PE provision across the school ensuring excellent coverage of the PE curriculum.</li> <li>• Most children across the school working at an expected level for PE.</li> <li>• Children are extremely engaged and inspired by their P.E lesson teaching</li> </ul>	Continue this next year. Ensure that all children continue to receive high quality P.E teaching.
