

# We have been learning about ...

04/11/24 - 08/11/24

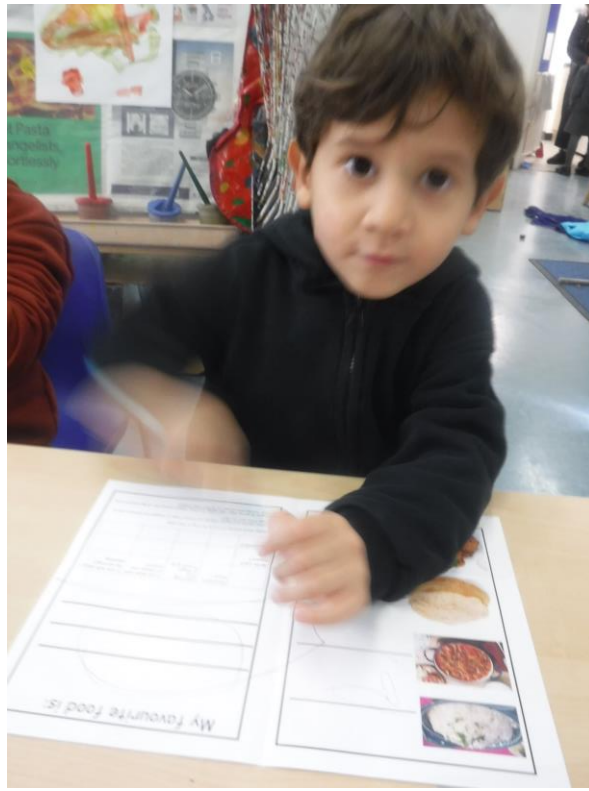

This week we have been thinking about the Hindu festival of Diwali.

We wrote our own menus to go in our Indian restaurant.

What was your favourite food in the Indian restaurant?

We have been practicing our counting skills.

It helps us to touch each elephant in turn when we count them and say one counting number with each touch!

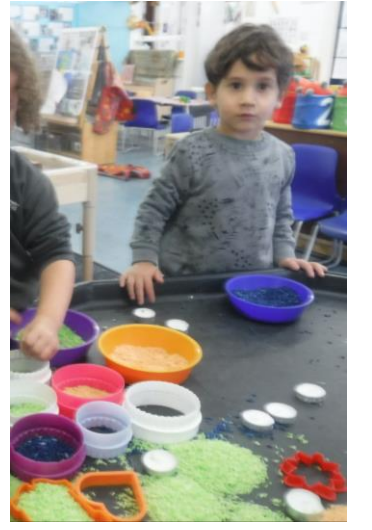

We made  
Diwali  
lights- they  
are called  
Diyas

We used rice to make rangoli patterns

We lit candles in our rangoli patterns and talked about how light is stronger than darkness. We remembered how in our story, Rama and Sita were guided home with candles lighting the way.

What else have you been up to?
