

# We have been learning about ...

05/05/25 - 09/05/25

We started to draw our own setting for the story of Tad. What did your pond look like? Where did the tadpoles hide?

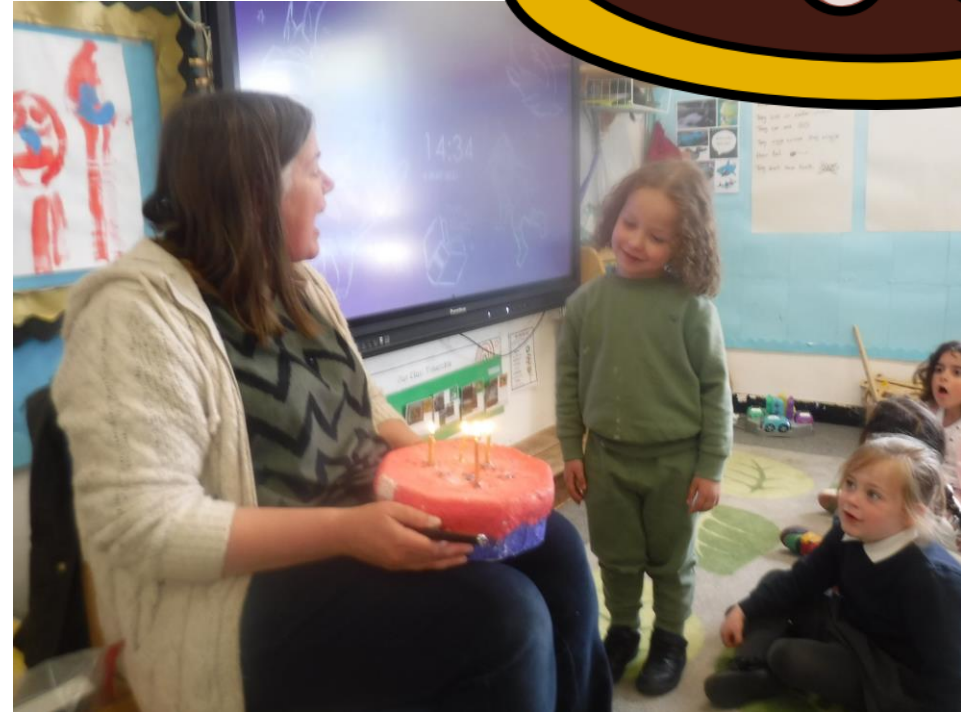

Did your pond have any other creatures living in it?

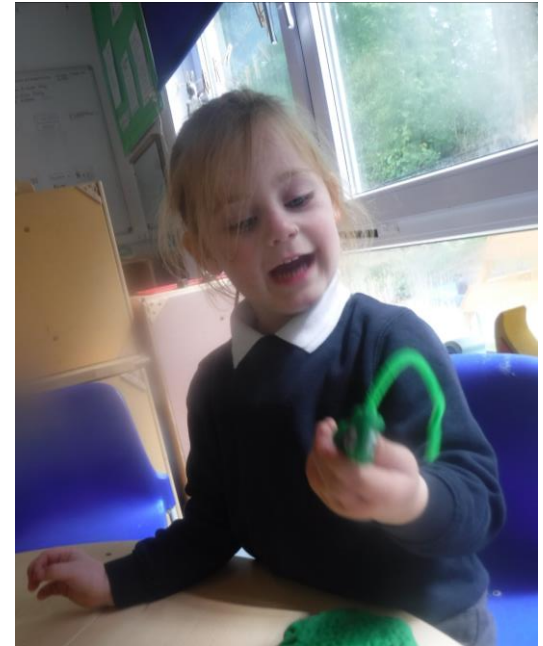

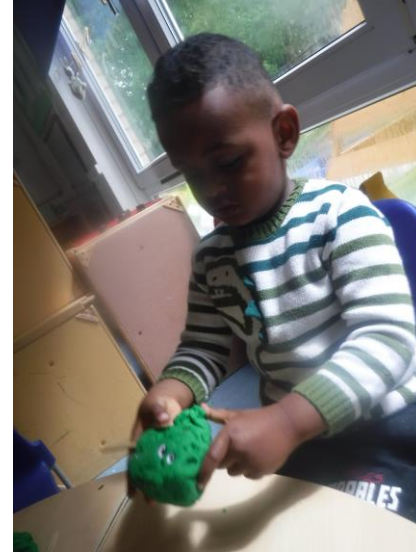

It was someone's birthday this week!  
How many candles did we light?

We have also been using playdough to make frog life cycles.

Did you make a tadpole or a frog?

How many legs did you give your froglet?

We printed frogspawn with Miss Carol

Was your frogspawn ready to hatch?

**What else have you been up to?**
