

# We have been learning about ...

09/06/25 - 13/06/25

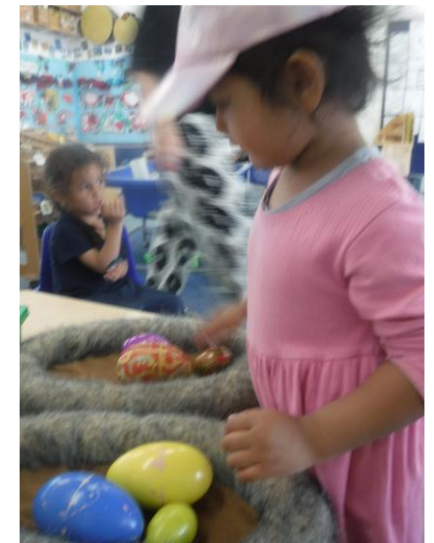

We have exploring and sorting eggs into different groups.  
How did you sort your eggs?

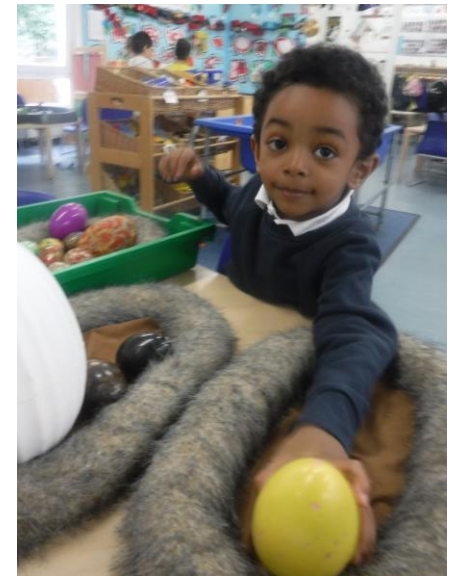

Did you sort the eggs into colourful and plain, or noisy and quiet ? Heavy and light?  
Big and small?

Can you think about any other way you could sort them?

We drew pictures of what might hatch out of our eggs.

Did you find a snake or a bird  
in your egg? Was there a  
crocodile or an ostrich?

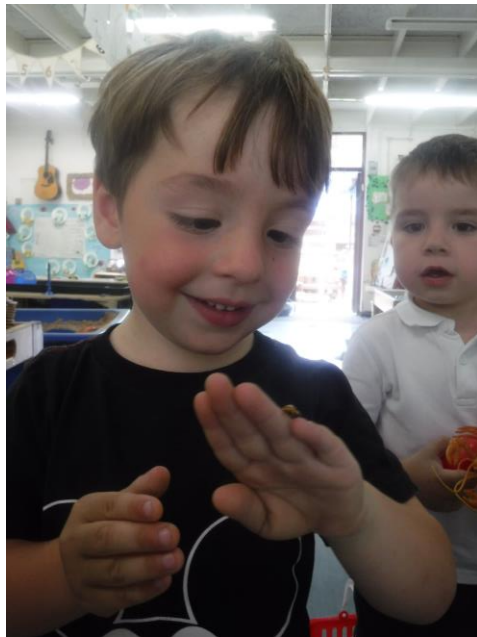

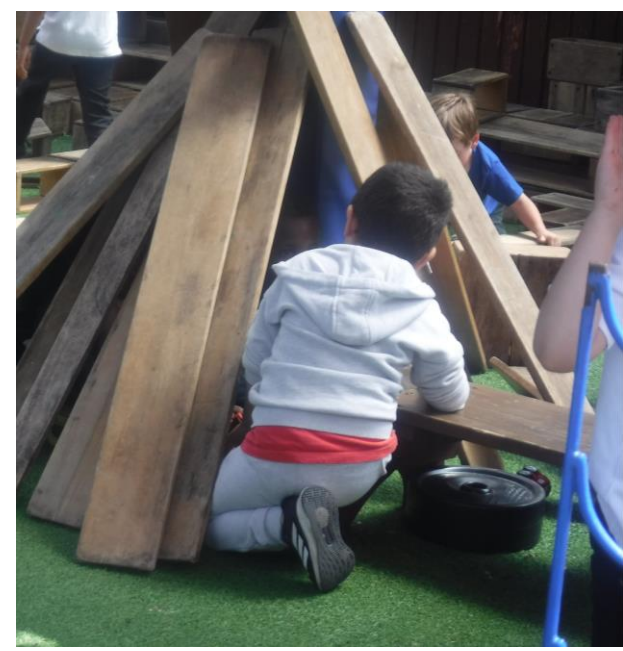

What else have you been up to?

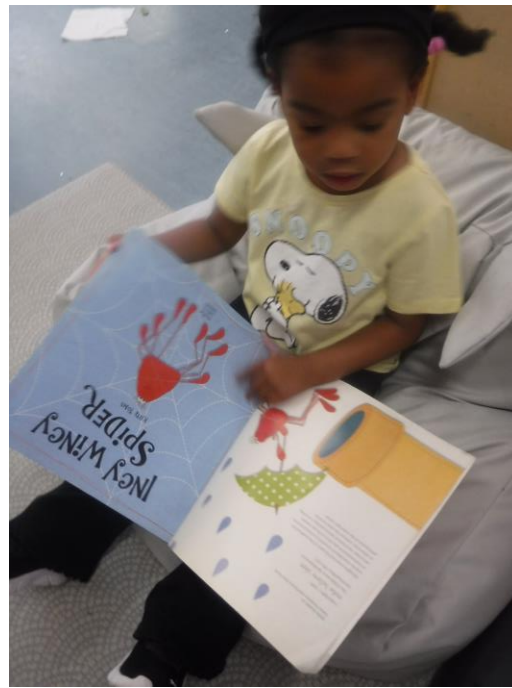

Don't forget that it's our trip to Kentish Town City Farm on Tuesday 17<sup>th</sup> June.

Children will need to bring a healthy packed lunch in a backpack which they can carry themselves.
