

# We have been learning about ...

16/06/25 - 20/06/25

This week we have been thinking about representational drawing and drawing crocodiles! We looked carefully at the shapes the illustrator of *Croc and Bird* used to make a picture of the Crocodile that hatched out of one of the eggs!

Did you remember to draw an eye, a long nose, some teeth, a big tail, some legs and a belly?

Did your crocodile have lumps and bumps down his back? Was he friendly?

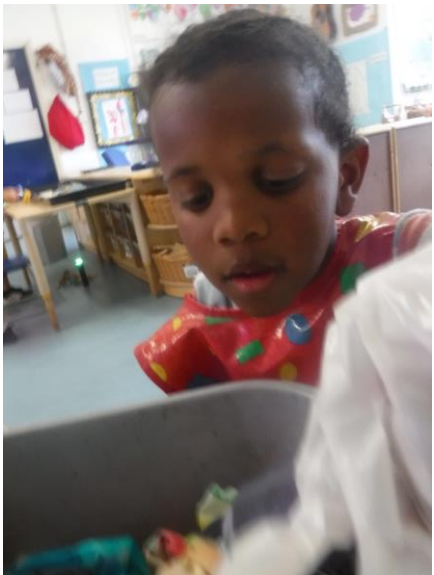

Alexis Deacon, the writer and illustrator drew with black ink. We used black crayon to get the same effect.

We did some tie dye to create our secret assembly costumes!

What colours did you notice being made as the paint mixed together?

We all went on a trip to the farm. Did you enjoy going on the overground train?

We had a tasty picnic on the Heath!

We played games with the parachute

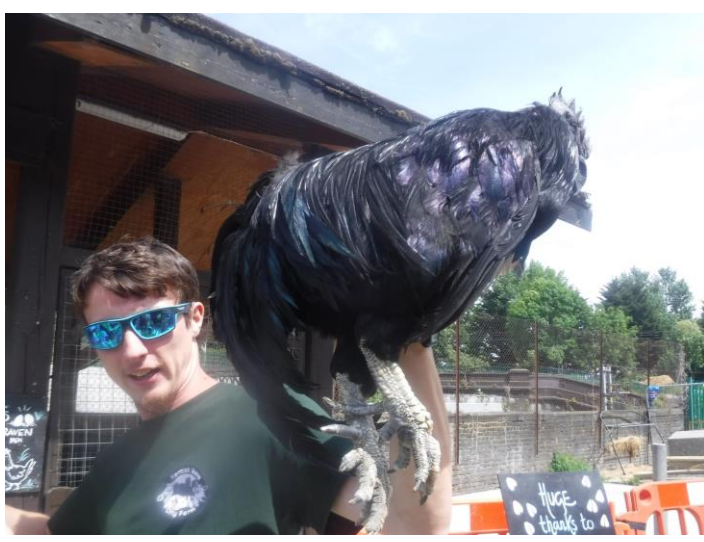

We saw the  
quail. We  
needed to be  
very quiet so  
they came  
out to see us!

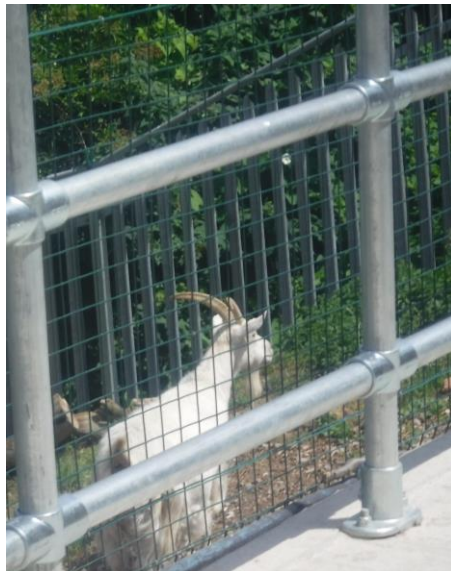

We learnt all about the chickens too!  
Did you know it takes 21 days for an egg to hatch?

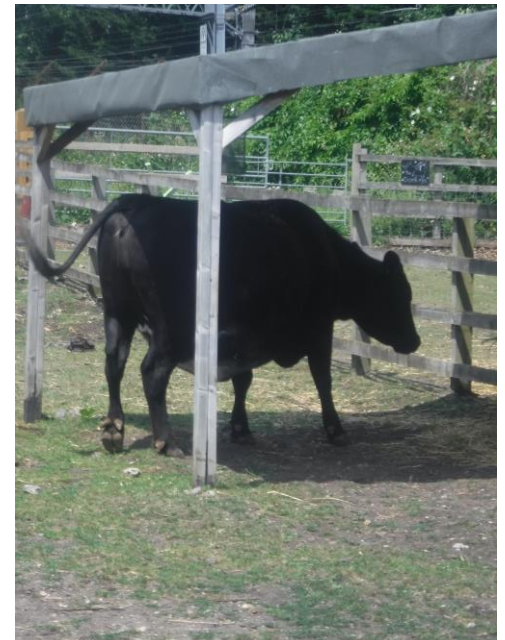

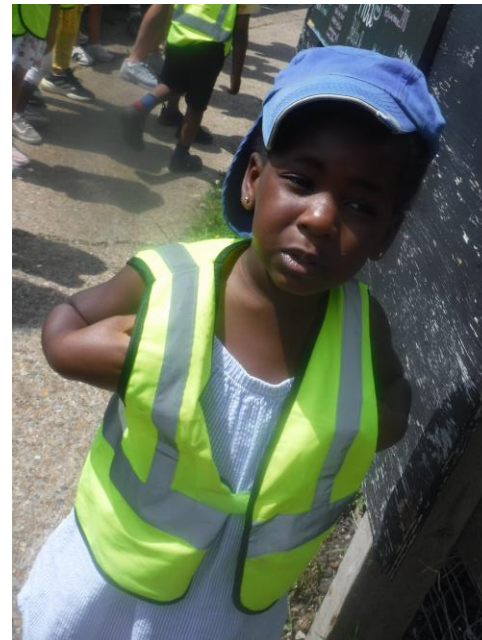

We met the goats.  
Did you know that  
a goat's horns never  
stop growing?

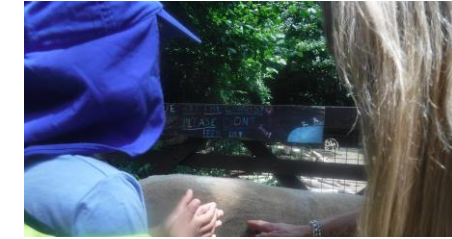

By the time we got to the pigs and the cow they were very hot. Can you remember how the pig kept cool?

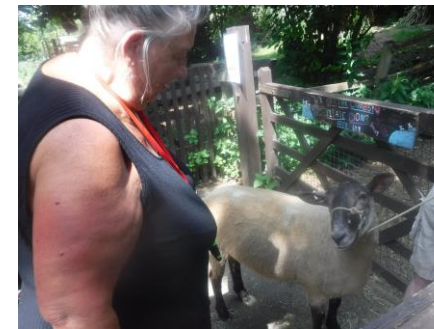

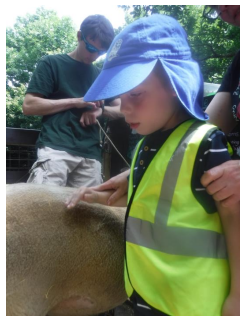

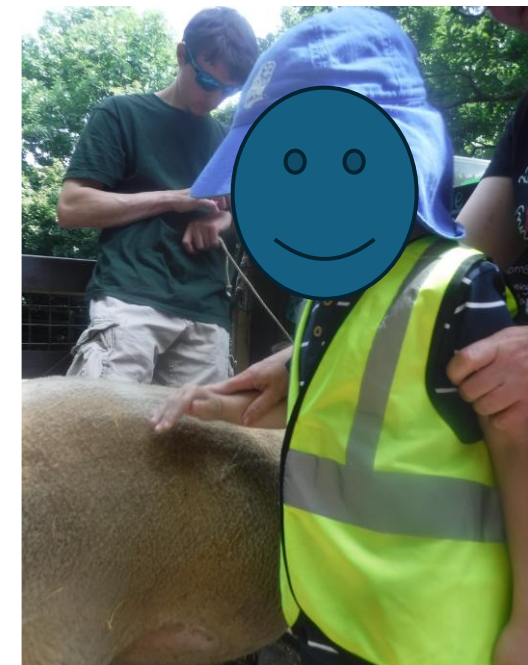

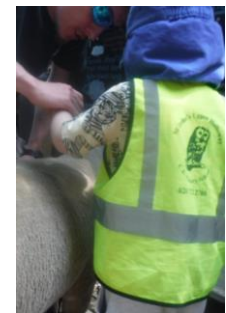

How good is the donkey's hearing?

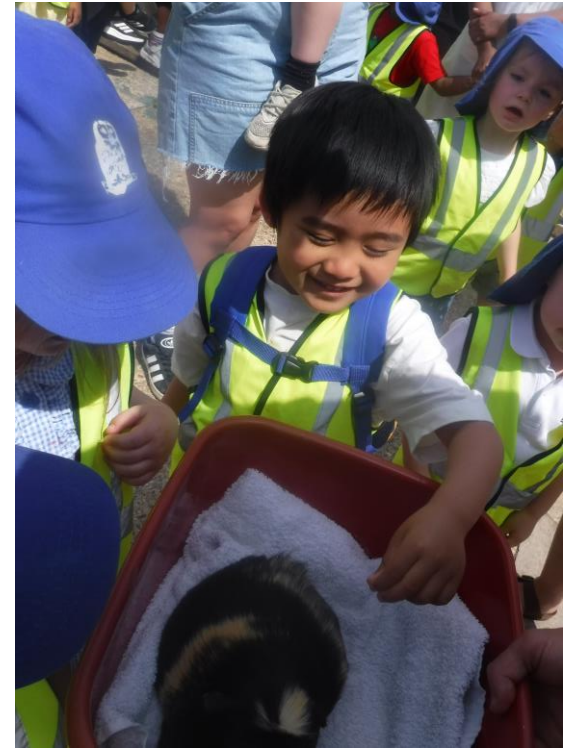

We got to stroke the sheep. He felt like a teddy bear!

Did you like the guinea pigs? What did their fur feel like?

Don't forget it's our  
**Early Years class assembly**  
next Thursday the 26th at 9:30am.

We will need to wear bright  
colourful tops and bottoms!
