

We have been learning about ...

18/11/24 - 22/11/24

We drew pictures to show how Charlie helped his sister to eat her dinner. Can you remember where Charlie said Lola's food had come from?

Where did
Charlie say
the carrots
and peas
were from?

Did you have fun mark making with our new aqua-doodle pens?

Can you tell which vegetables we used to make our printing repeated patterns?

We
explored
the icy
garden!

We tasted lots of different fruits. We all have different favourites !

Did you enjoy our rectangle shape hunt?
How did you know if your shape was a rectangle or not?

What else have you been up to?
