

We have been learning about ...

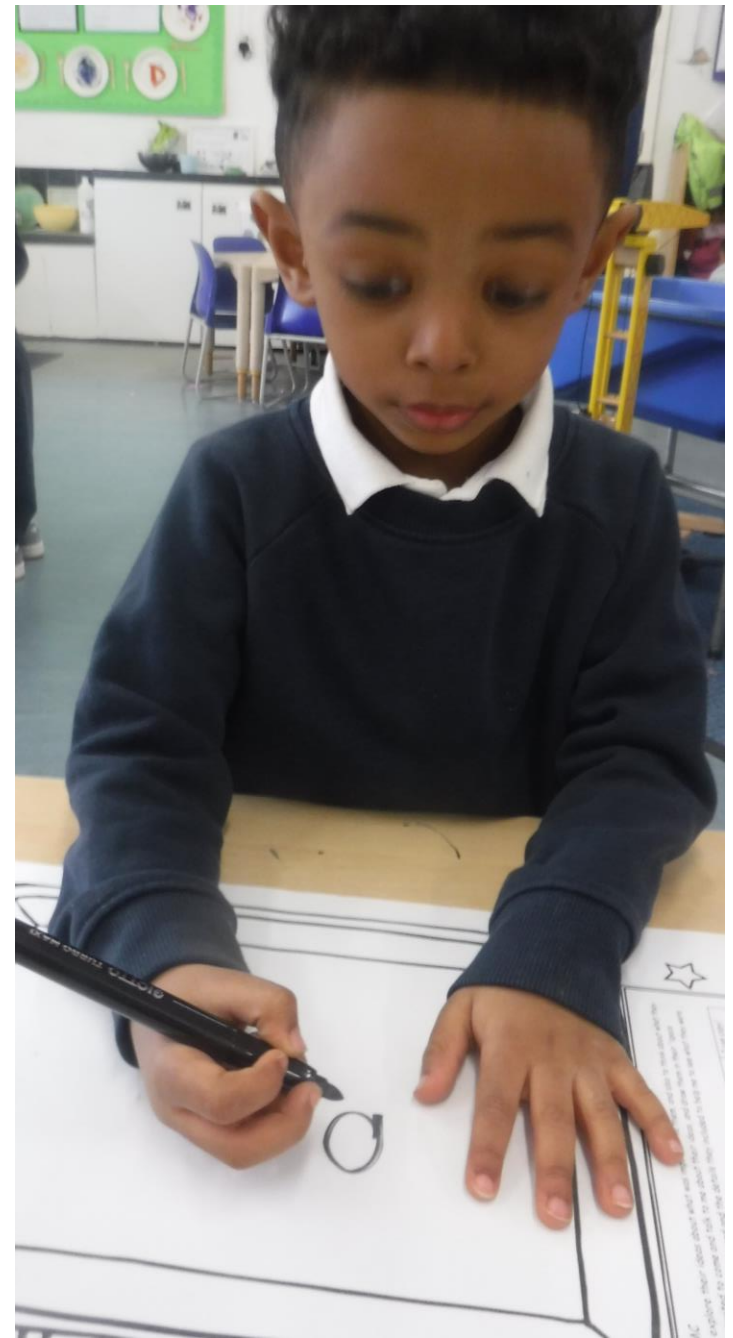

24/03/25 - 28/03/25

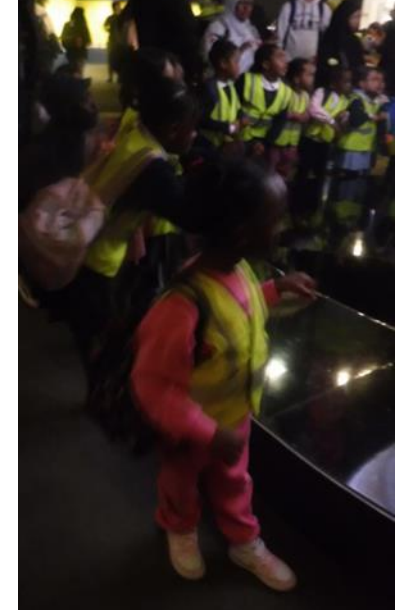

We have been thinking about what we would take with us if we went to space.

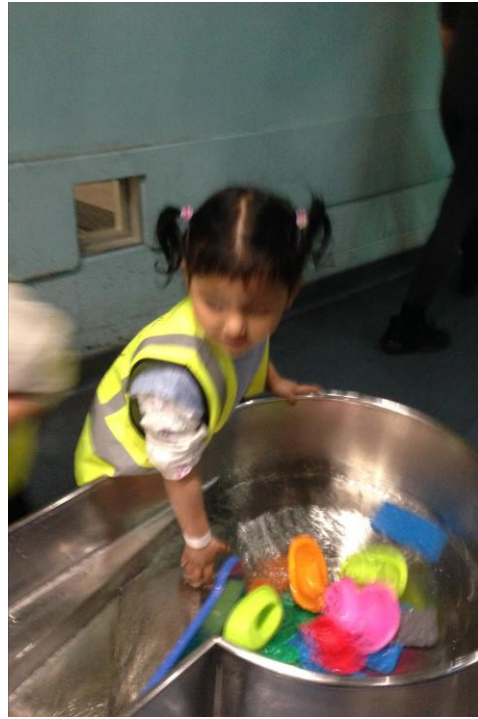

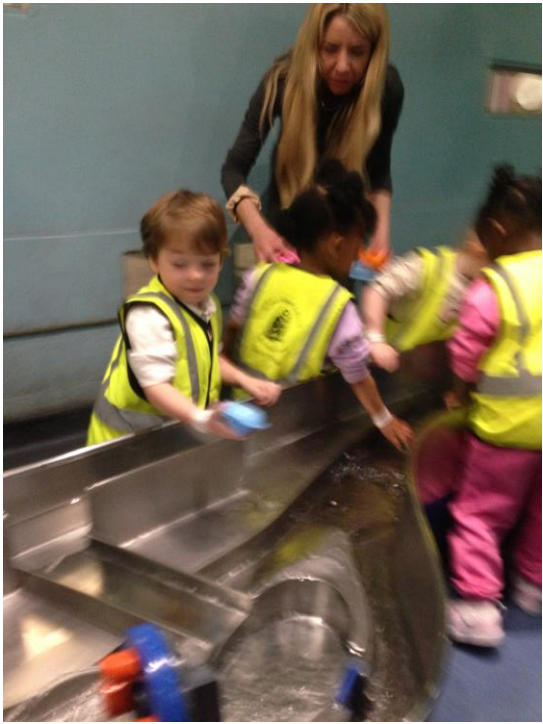

What would you pack to eat? Would you need any special clothes?

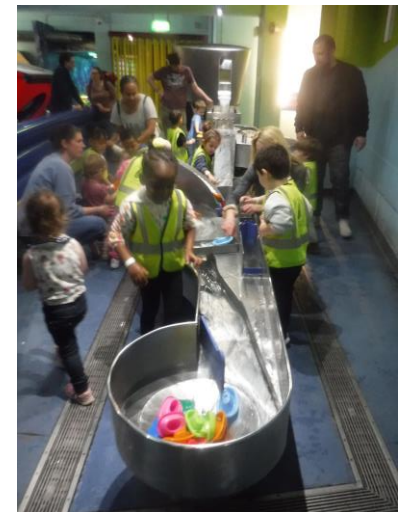

We had a fantastic time at the Science museum with reception. What did you enjoy finding out about most in the space gallery?

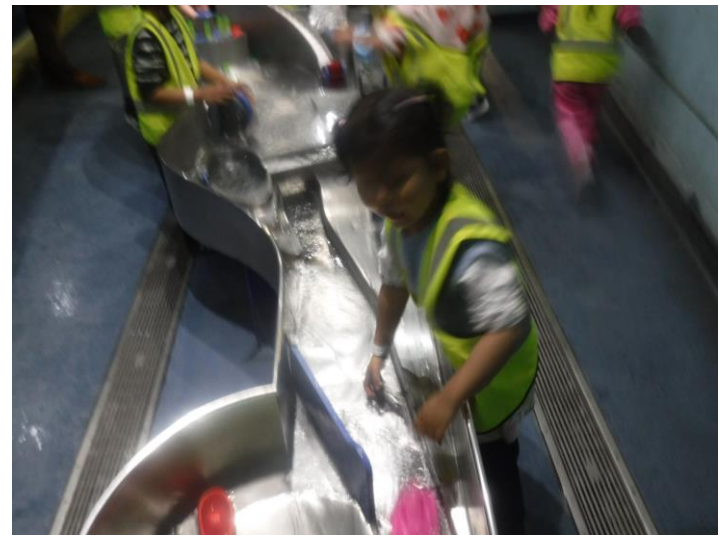

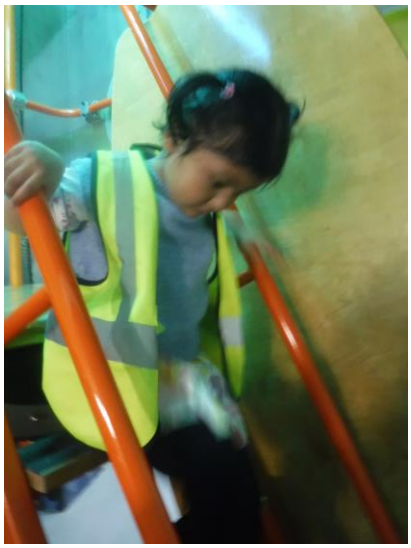

“The Garden” was full
of so many places to
learn and explore !

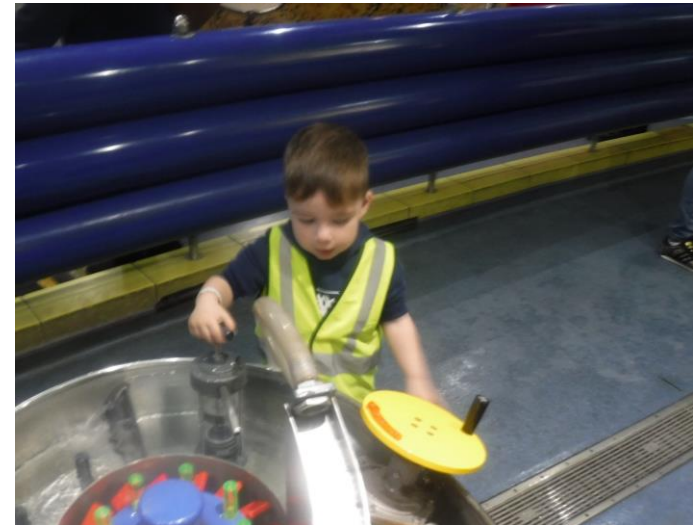

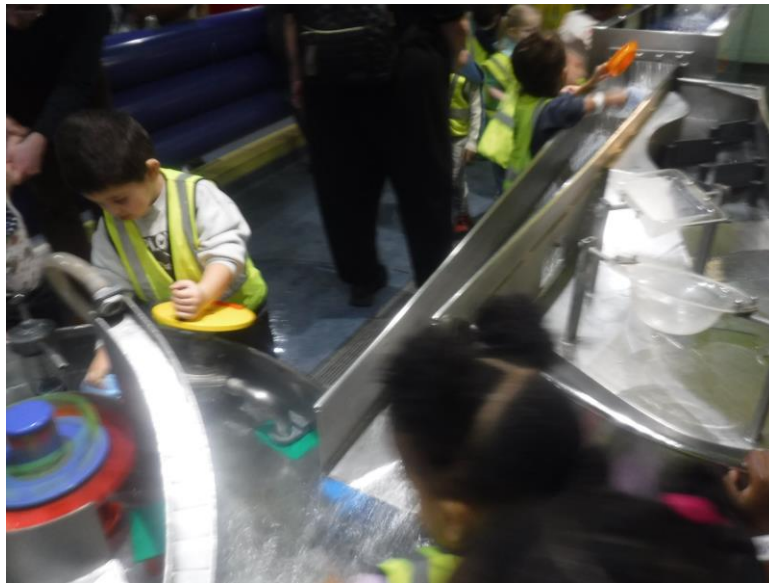

What else
did you
find?

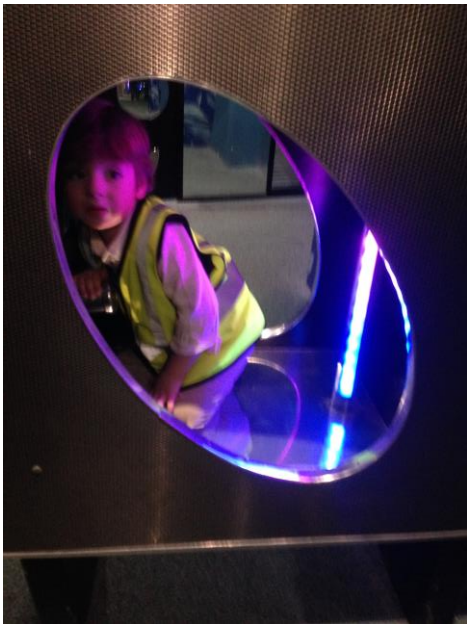

We all found
different
parts of “The
Garden” that
we liked!

What did
you discover?

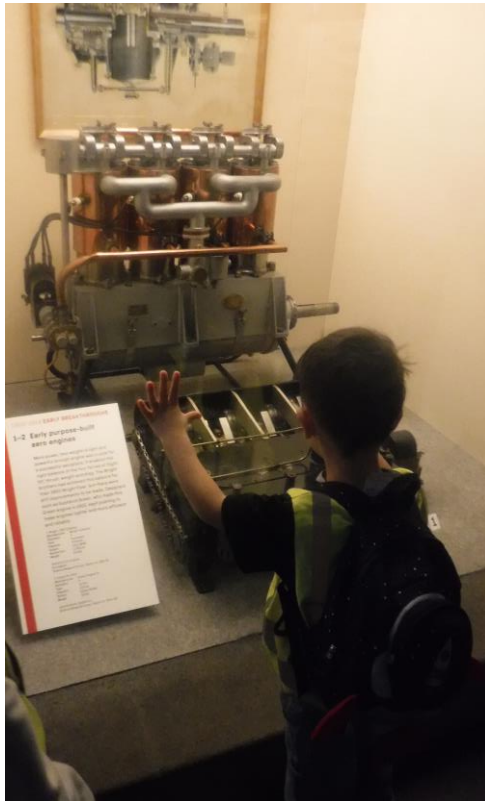

There was lots to discover in the water troughs!
How did you change the way the water ran?

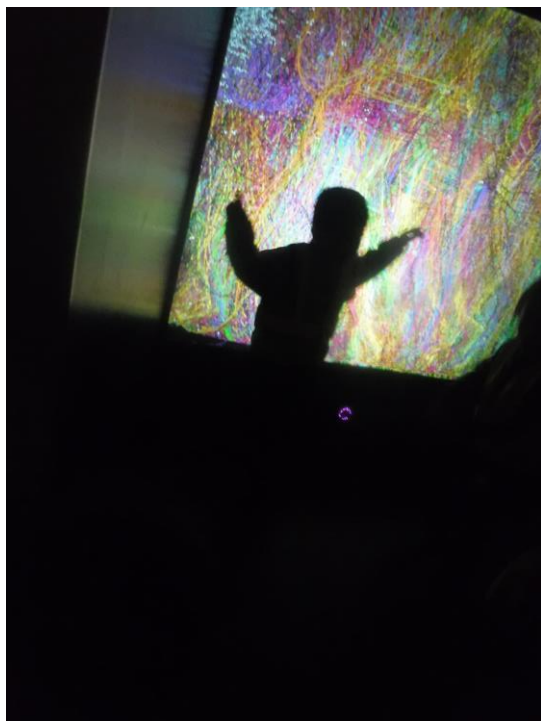

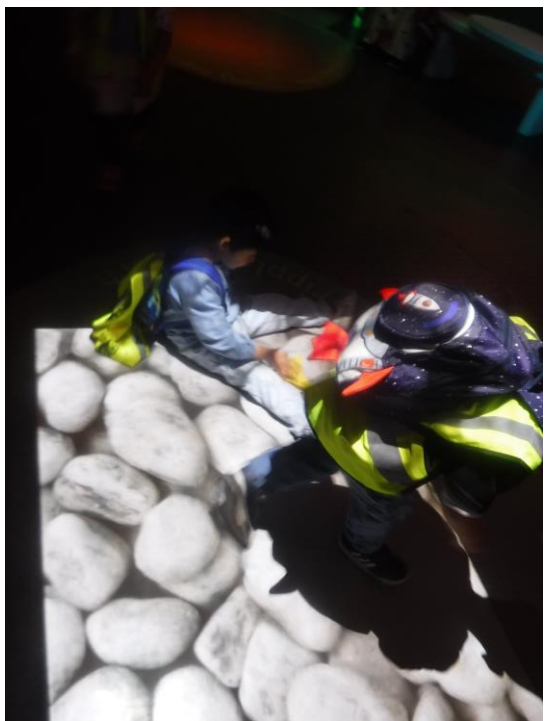

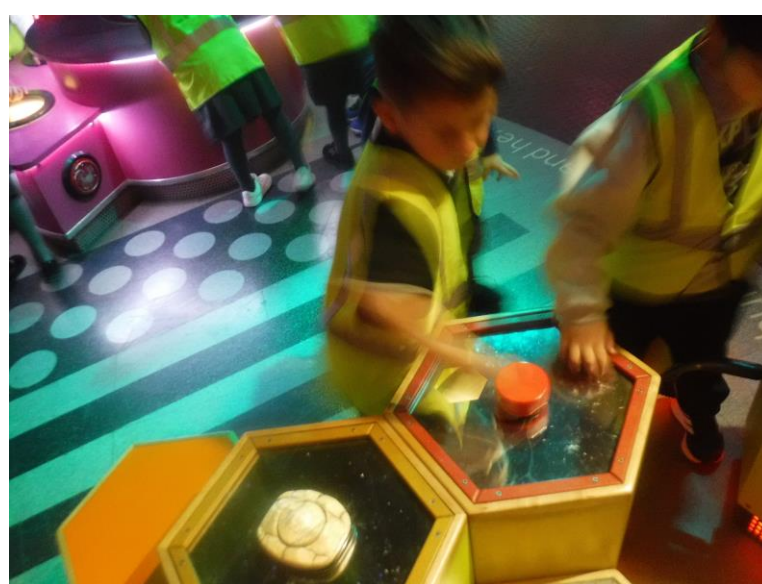

What was your favourite place to be? Why?

We explored
the flight
gallery next,
and also
looked at all
sorts of
different
vehicles...
some **BIG**
some small

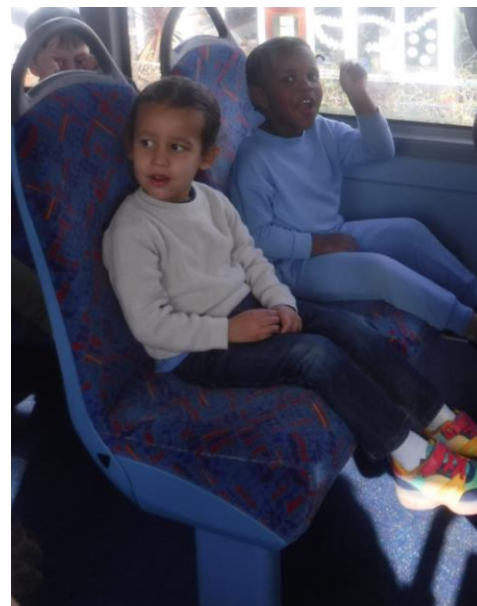

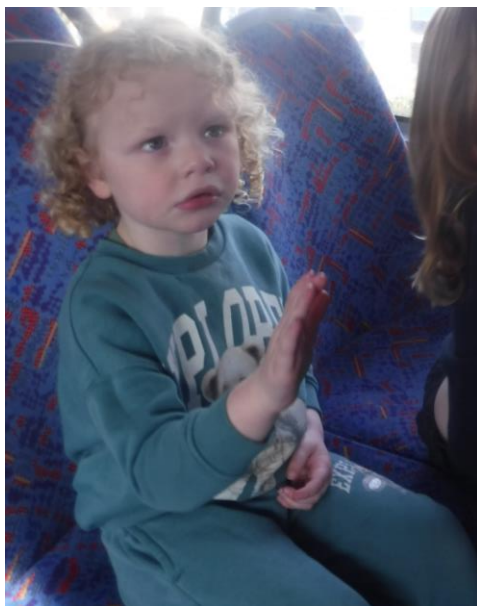

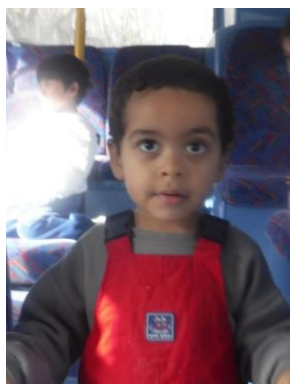

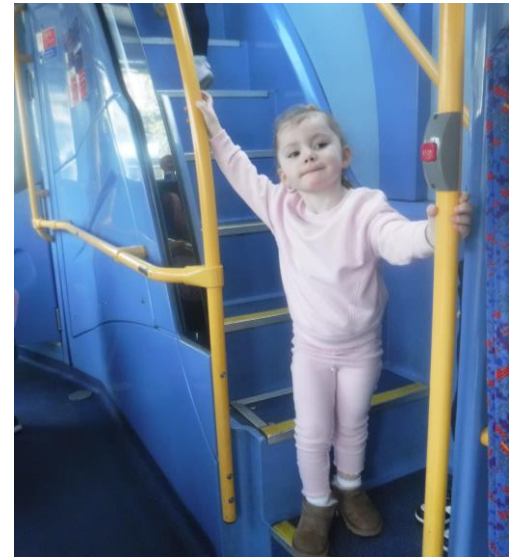

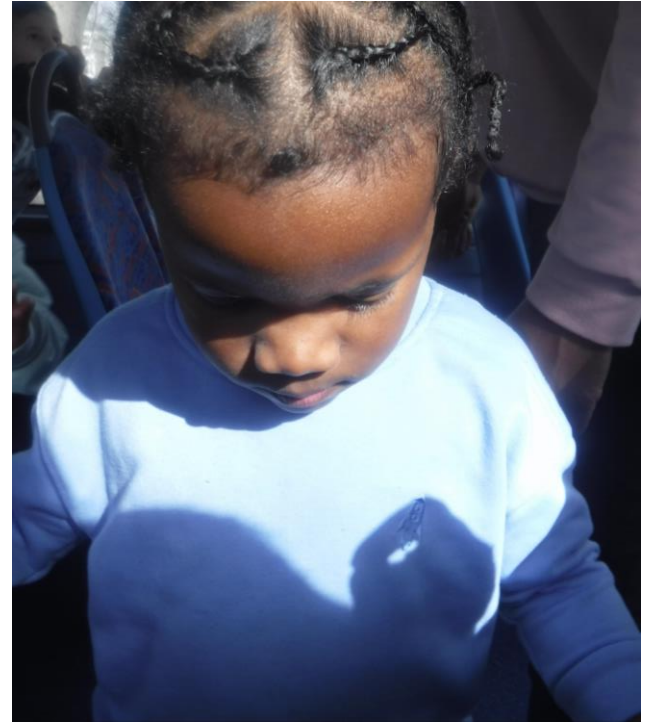

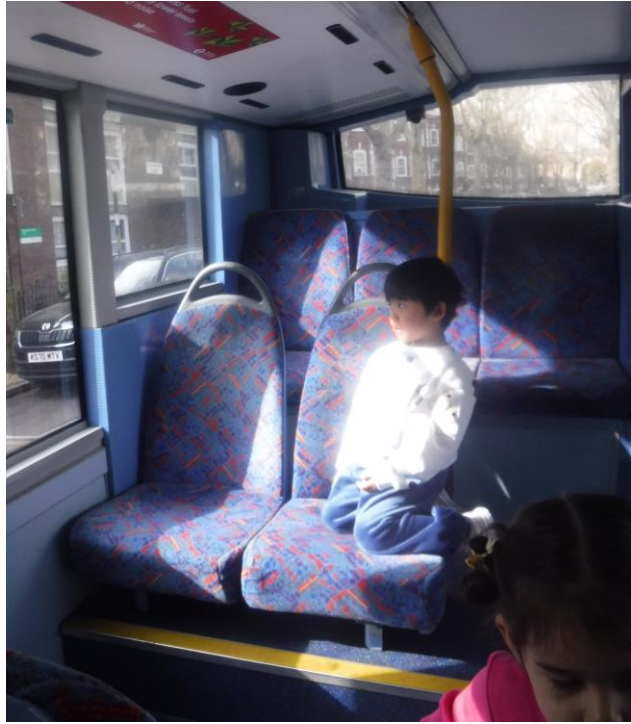

Where did
you find
patterns
in the
pattern
pod?

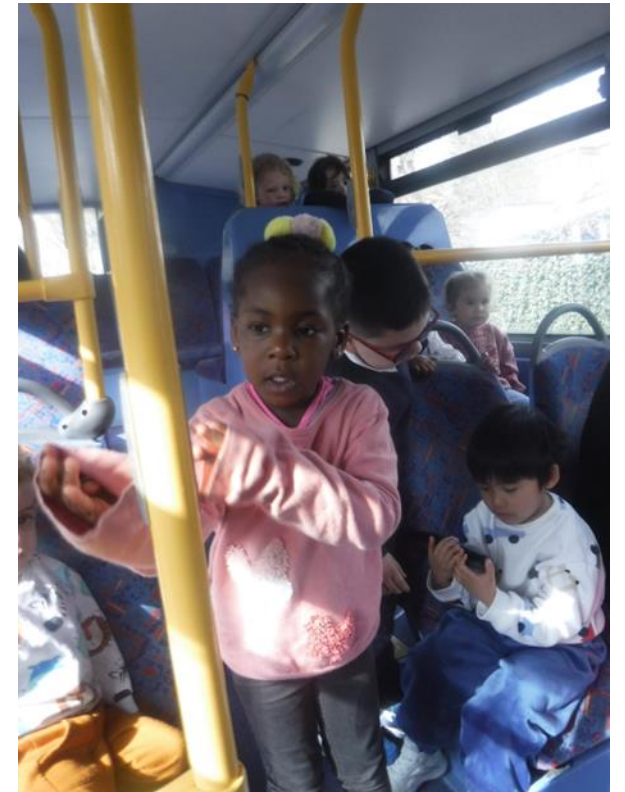

We gave the naughty bus back to TFL when one of his friends came for a visit on Thursday!

Bye bye naughty bus,
please be good!

What else have you been up to?
