

We have been learning about ...

25/11/24 - 06/12/24

During the last two weeks we have been learning lots about Blue Penguin's home; Antartica. We travelled there and had to wrap up very warm!

What
would
you wear
to keep
warm on
the ice?

We have
been mixing
paint colours
and
predicting
what will
happen next
in our
experiment!

We decorated
our Christmas
classroom

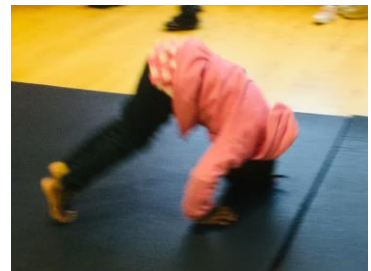

It was so much fun
decorating our tree and
listening to Christmas music!

We snuck
up onto
the stage
to
practise
our
Nativity
songs.

We have been doing PE with Miss Barbara every Wednesday, practicing our balancing and forward rolls!

What else have you been up to?
