

We have been learning about ...

30/09/24 -04/10/24

This week we have been matching and naming 2D shapes with the Dotty Dinosaurs!!

We've used playdough to help us practice mark making and using tools to help us cut and shape the dough. Can you see the different things we made for dinner?

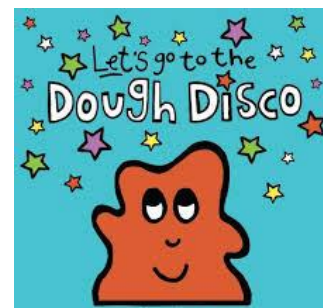

It was someone's birthday this week! Can you remember how many candles we needed to light?

We are practicing dough disco every week to make our fingers strong!
Can you remember the moves we have learnt so far?

What else have you been up to?
