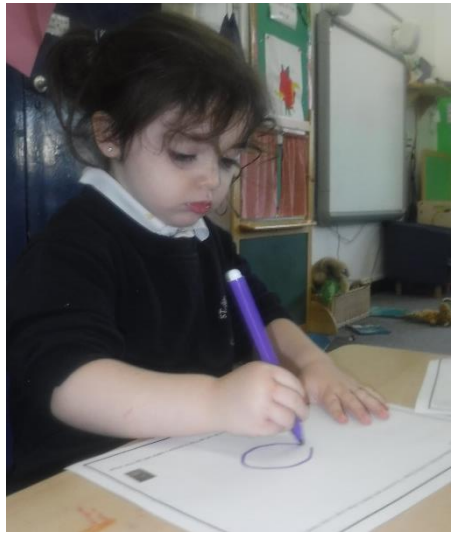
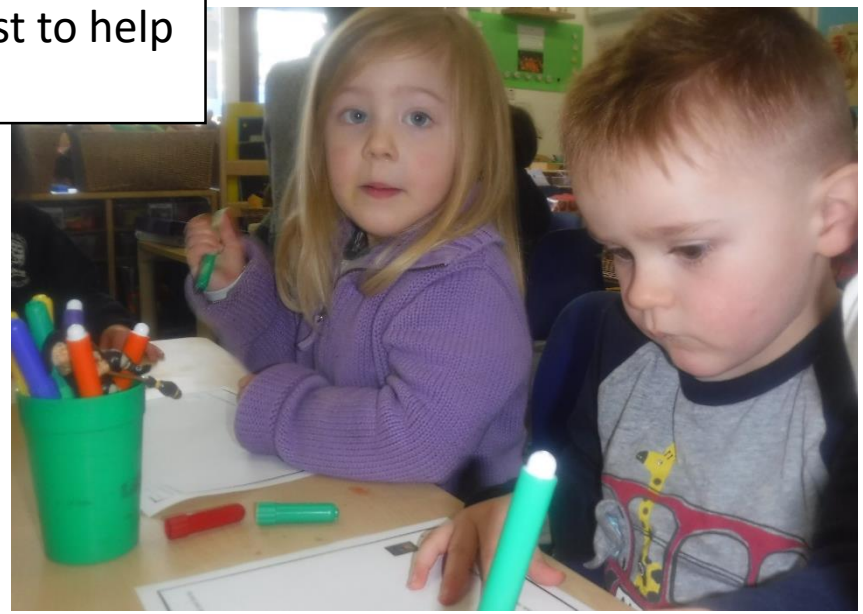
# We have been learning about....

7.2.20

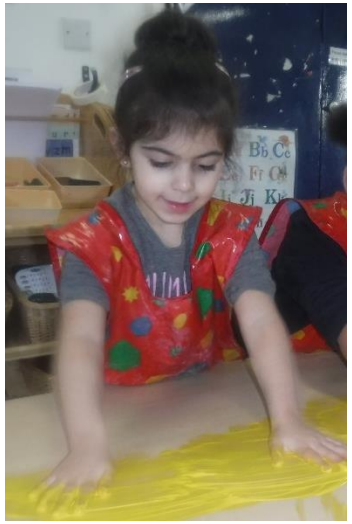
Practicing our ball skills.

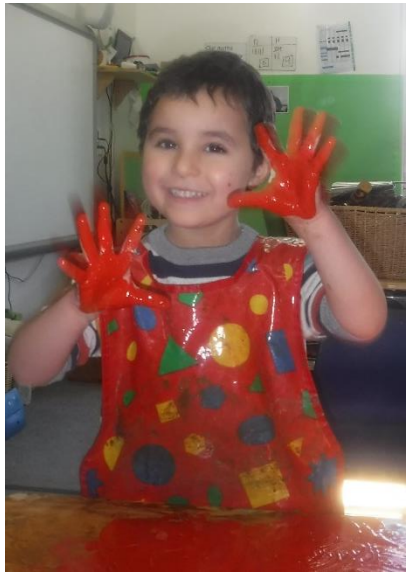
Drawing maps of the forest to help Hansel and Gretel escape.





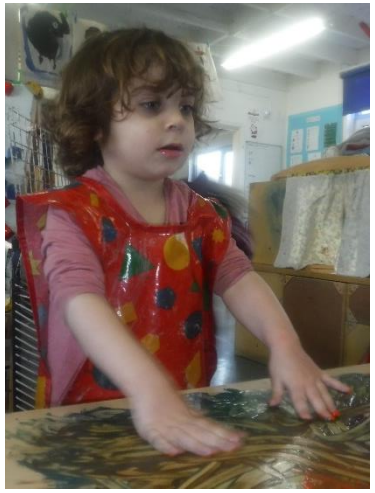
We have been learning about our number bonds to 5.  we thought of different ways we could make 5 by dividing the whole into 2 parts.





Finger-painting!

what happened to your fingers?



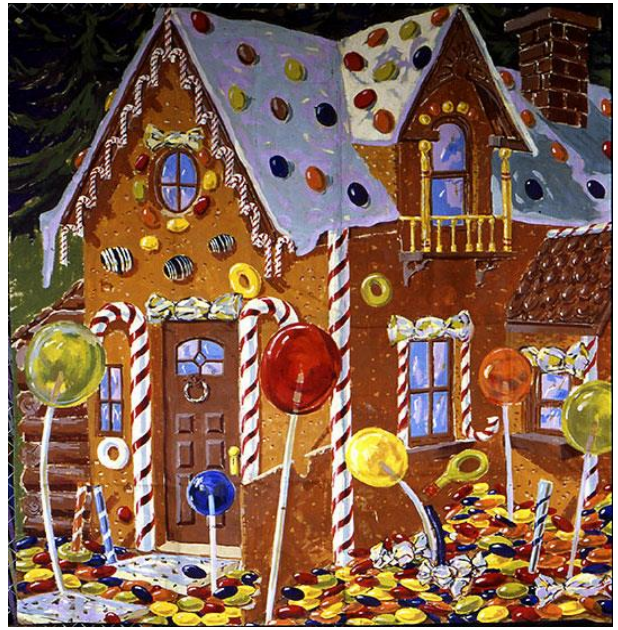
What happened to the colours?

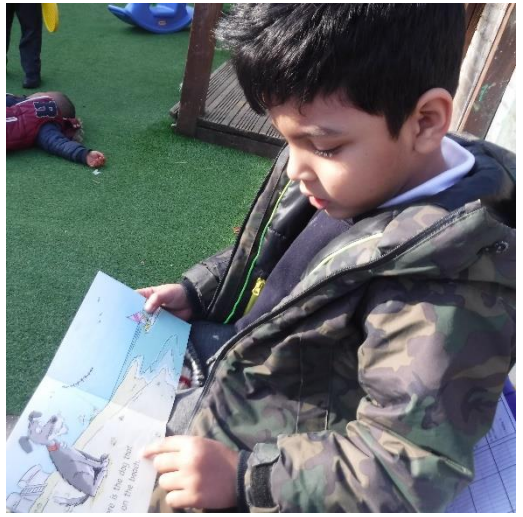
Reception wrote directions to help Hansel and Gretel.

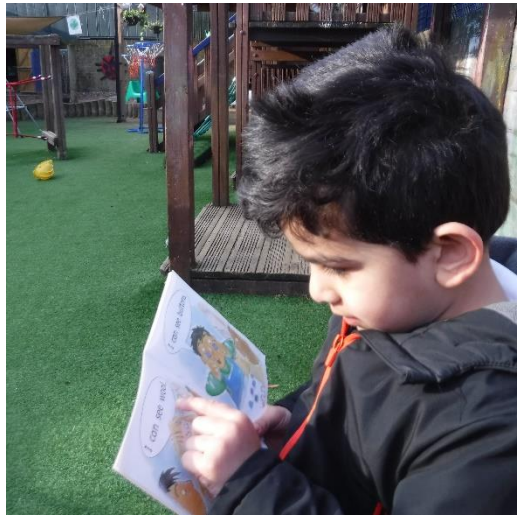
We stuck them up around the school so that Hansel and Gretel could escape from the witch….

….we hope they made their way back home…….

….and away from the witch!



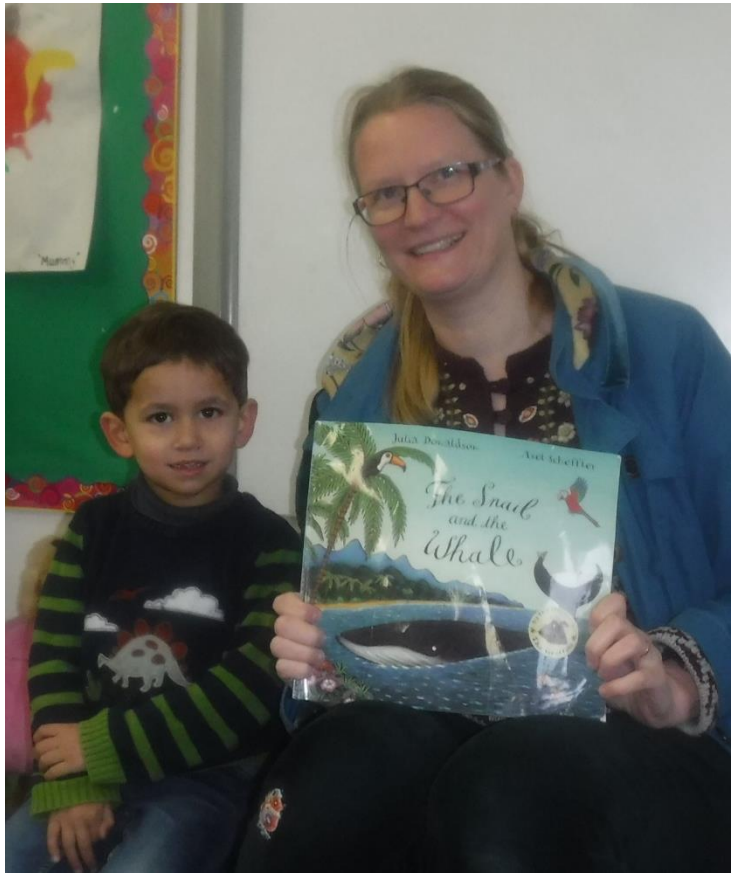




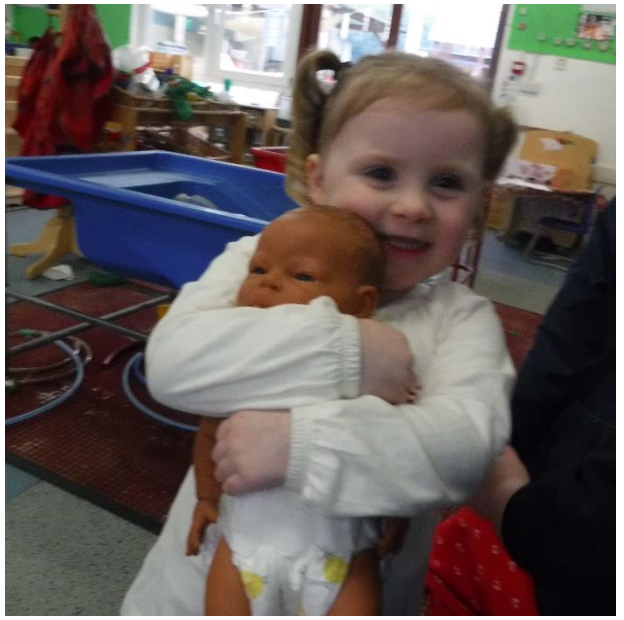
Can you remember what you have to do when you are trying to read a word that you don’t know?

What else did you learn about this week?

We had a fire practice!



Aron’s mum came in to read a story to the class!



Remember that next week is Science Week!
Sign up for the spaghetti challenge on Thursday !
Science based mufti day on Friday.
