

Our visit to Freightliners Farm

June 2022

We were 10 minutes early to get into the farm so we snuck into the park!

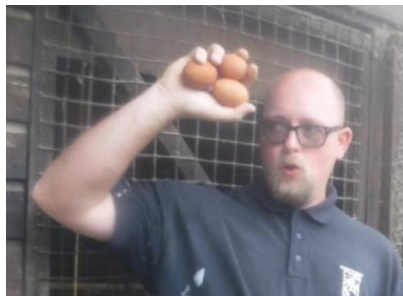

We learnt about the safety rules at the farm.

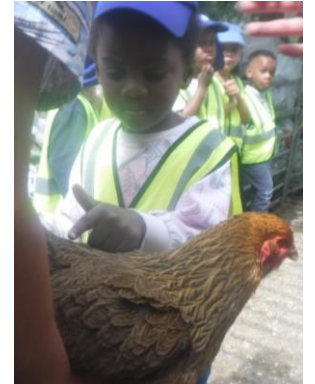

We stroked the chickens!

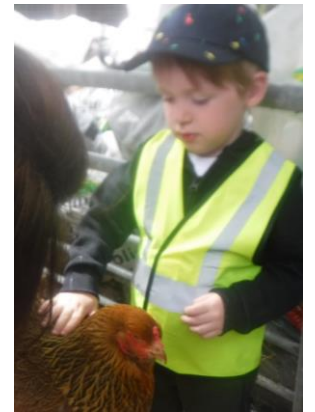

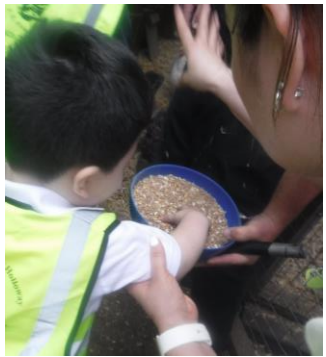

Dean found
eggs in the
chicken coup.

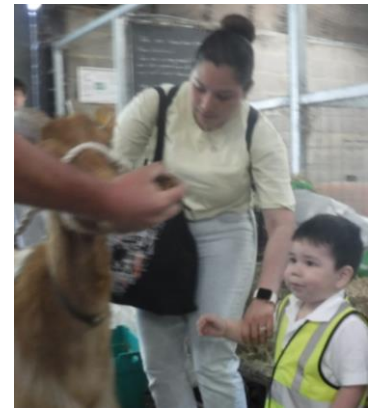

Can you remember the 3 different types of chicken Dean said were at the farm?
How did the chickens feel?

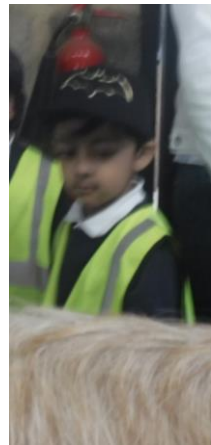

We fed the chickens!

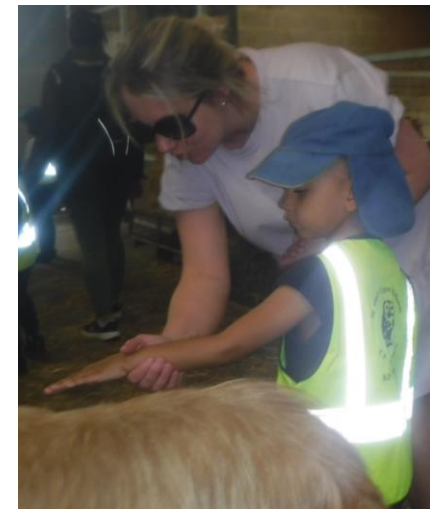

We stroked the goat! All of the goats at Freightliners Farm are rare breeds.

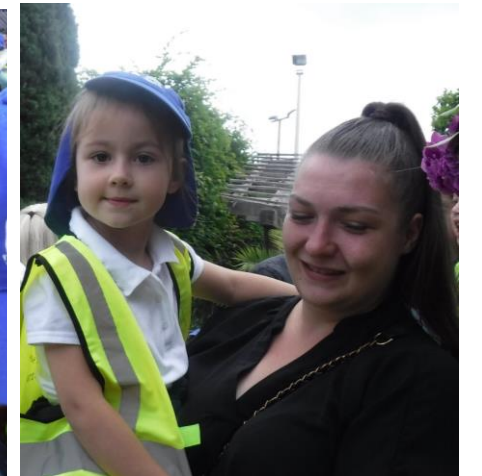

How did the farmer get the goat to walk next to us in the barn? Can you remember which treat it was given?

We saw the sheep.
If we waited
patiently they
came close and we
could touch them.

The pigs had been trained to only get treats if they sat down.

We
stroked
the
rabbit!
How did
it feel?

We planted some seeds. Can you remember which seeds you put in the pot?
What is the compost made of?

We had a picnic in the park.

A **HUGE** thank you to all of
the parents who came
along to help! We couldn't
do it without you!
