Creative Challenge-

Do you know that everyone has a superpower- something they are really good at? Some superpowers are inside us and some are on the outside. Jo is really good at sport and using her body to do things, like hide and crawl. Raja is a brilliant artist and I am a great listener.

Can you make your own superhero name. Choose from the list of adjectives or think of your own and add it to your name.

Adjectives

- | | | |
|-------------|-------------|-----------|
| astonishing | magnificent | superior |
| excellent | marvellous | supreme |
| fantastic | remarkable | wonderful |
| impressive | superb | wondrous |

Now think of your superpower

- | | | |
|---------------------|--------------------|--------------------|
| sport | art | making people |
| playing games | general knowledge | laugh |
| giving hugs | singing | music |
| looking after a pet | nature | science |
| lego | cooking | being kind helping |
| eating fruit & veg | taking photographs | making things |
| problem solving | caring for people | recycling |

Superheroes also have special outfits- capes, belts, cuffs, crowns and hats. Sometimes they wear special symbols on their clothes. Here are some special symbols.

On Seesaw

- write your superhero name
- what your superhero power is
- draw your own superhero symbol
- Explain your symbol and tell me what your image represents. Use because/ when/ if in your sentences.

Madagascan house on stilts

The houses in Madagascar are very different to houses in the UK. Have a look at the houses in Madagascar on Seesaw and then make your own Madagascan house.

Take a photo of your house and post to Seesaw.

Cooking-

The children in school have asked to do some cooking. We will be making pizza, cup- cakes and bread. Can you have a go at cooking something? Take a photo of what you have made and tell us how to make it.
