

What we have been learning about...

1st to 5th November 2025

We have been
decorating our
classroom ready for
Christmas.
What do you do to get
your home ready ?

Which
decorations
did you
want to put
on the tree?

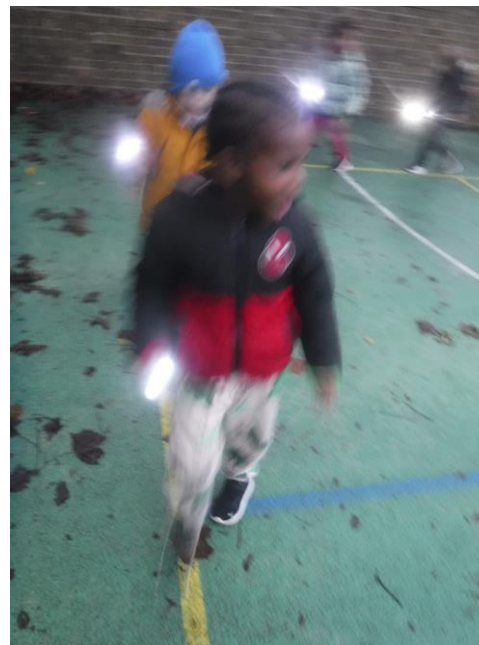

We made paper chains to put on the tree too!

We've started our TOP SECRET Christmas projects! Can you guess what we are making?

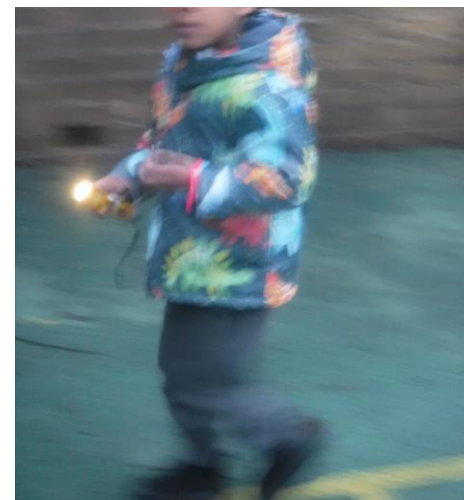

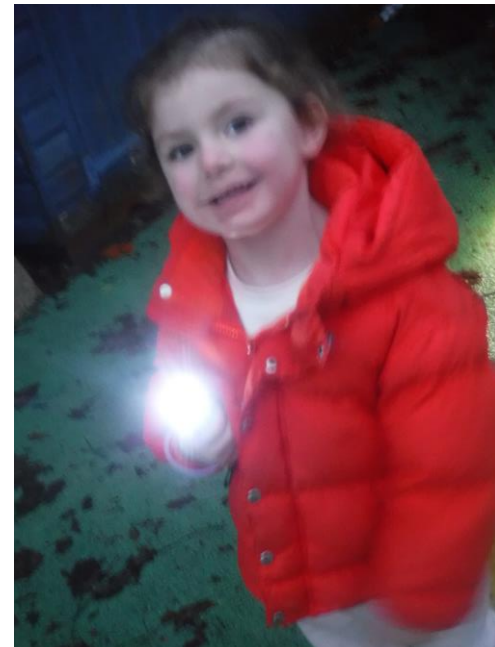

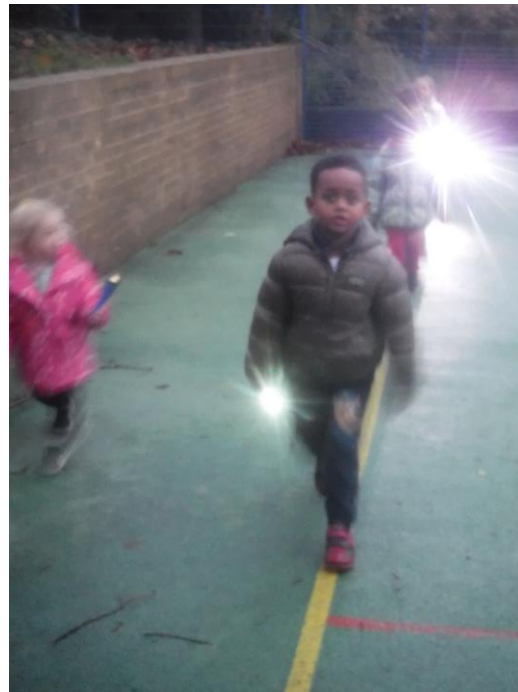

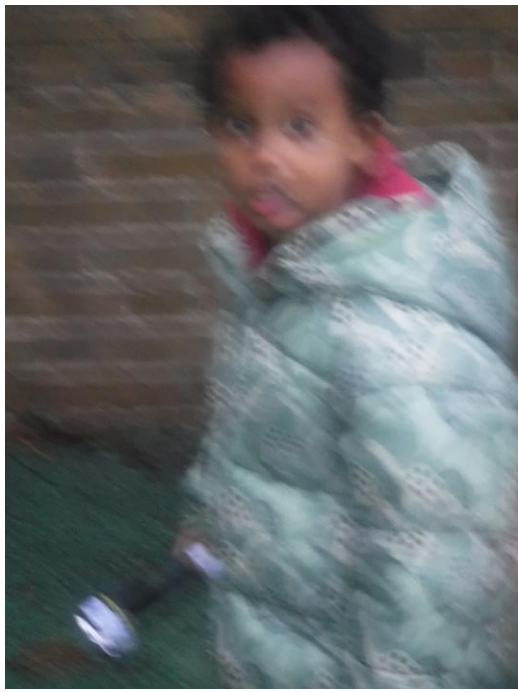

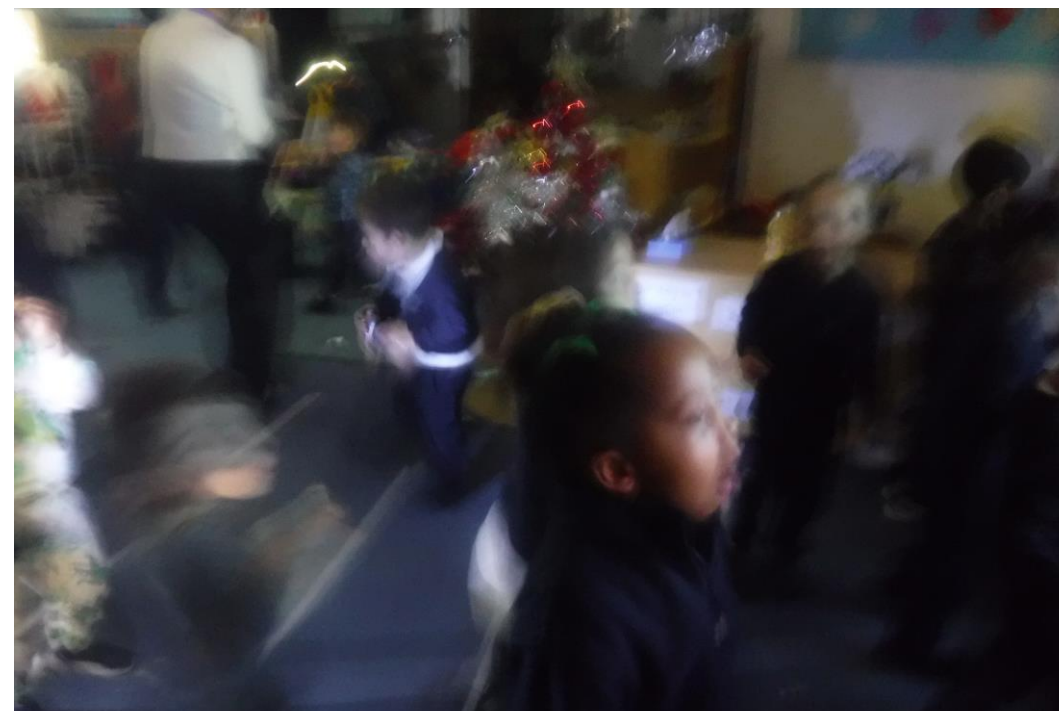

We all went on our torch-lit walk.
How many times did you walk round the top playground?

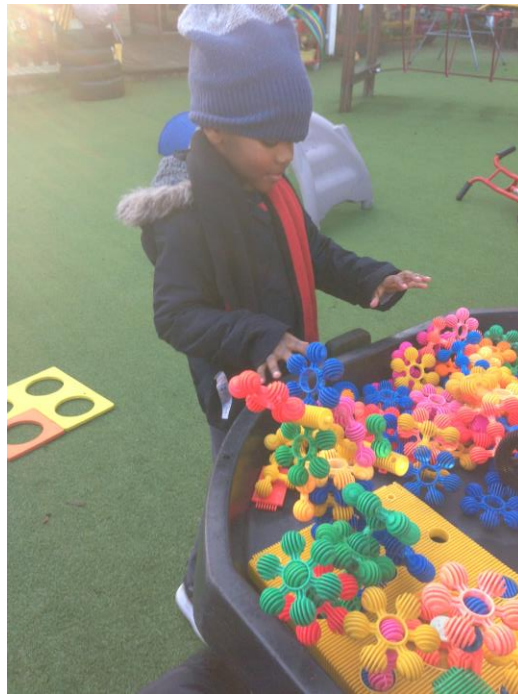

We danced and ate food at our torch-lit walk party.

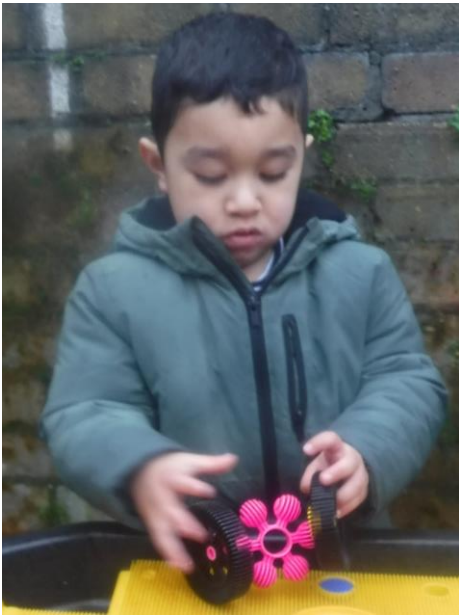

A photograph of a children's outdoor play area. In the foreground, a path made of interlocking red, yellow, and blue plastic mats leads towards a white plastic tunnel. To the right, a child sits on a wooden bench next to a red tricycle and a large blue ball. Another child stands in the background near a red tricycle. The area is enclosed by a wooden fence and has green artificial grass. A blue door is visible on the left. A banner with letters 'e' and 'g' hangs in the background.

What else have you been up to?

Please continue to bring in white trousers/tights or leggings for our Nativity play costumes. We need them by next Friday at the very latest!
