

What we have been learning about...

6th October to 10th October 2025

This week we went on our own “trip” to Sudden hill

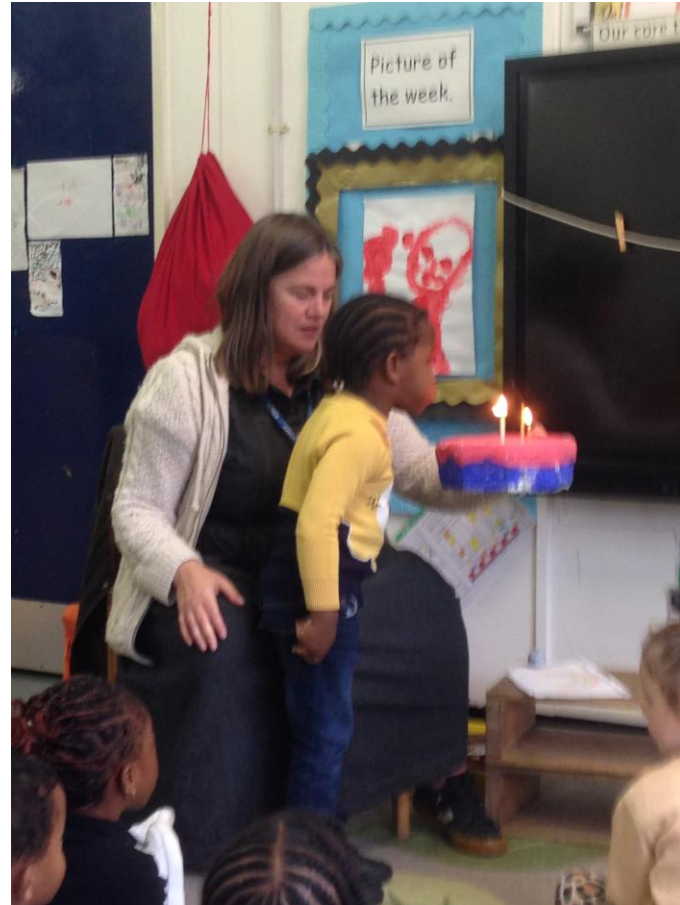

We made houses for the soft toys using the wooden blocks.
What kind of house did you make for your friend?

Did you
need to use
big or small
blocks to
make your
house?

It was someone's
birthday this week!

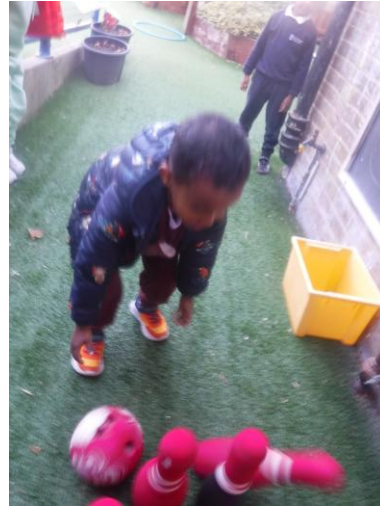

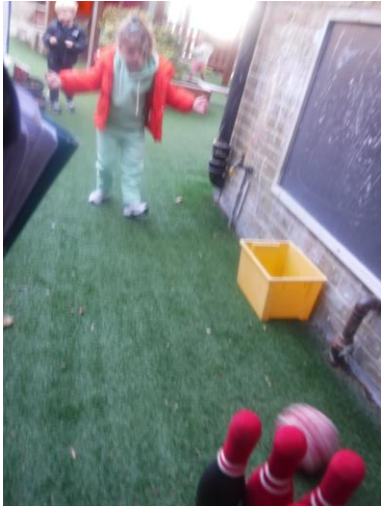

How many candles
were on your
cake?

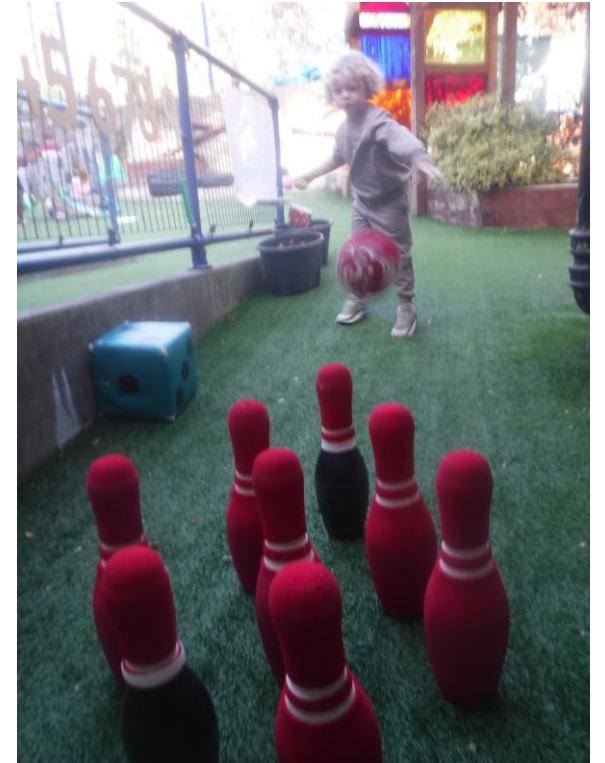

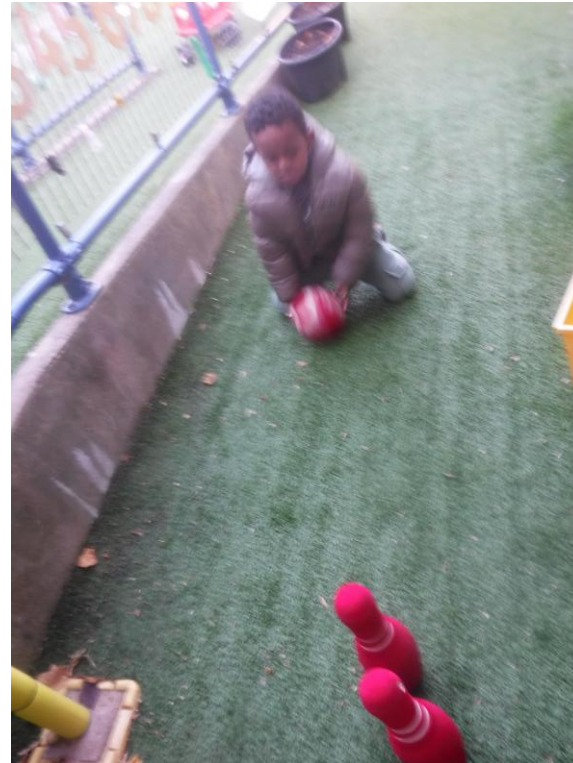

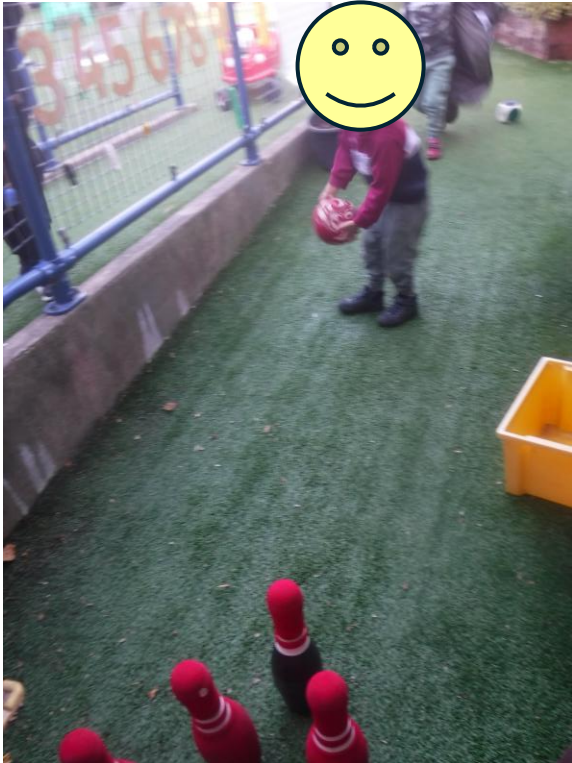

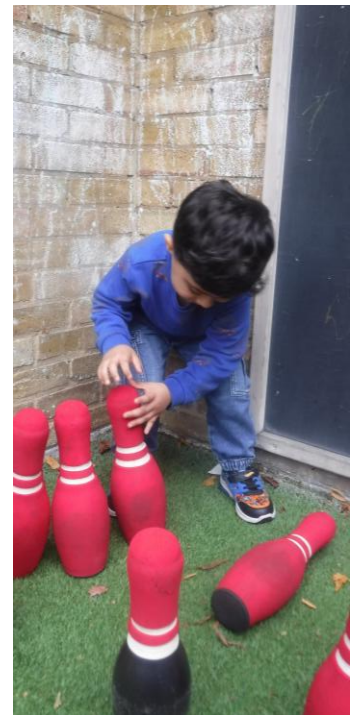

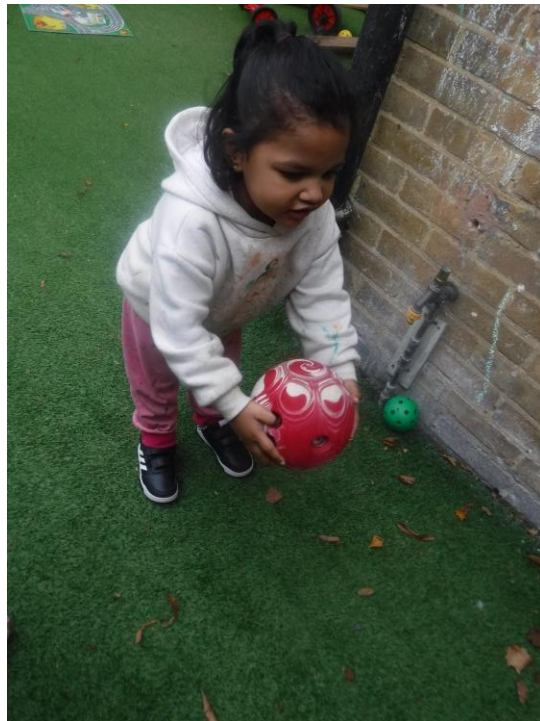

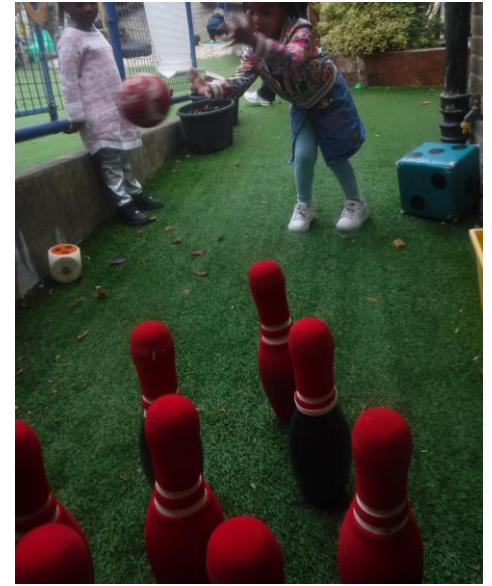

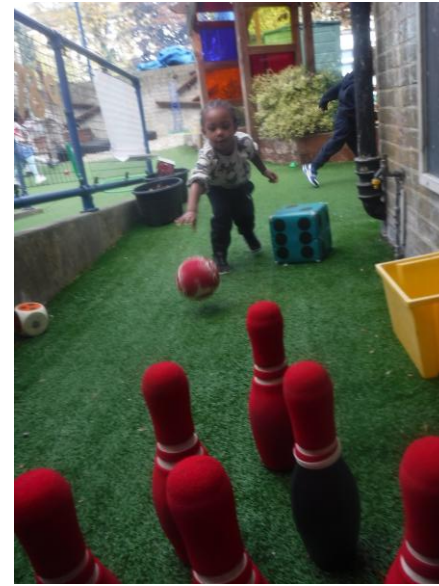

We mixed colours
with the pipettes at
the water table with
Miss Carol.

We've been practising counting while we've been playing skittles

What else have you been up to?
