

We have been learning about..

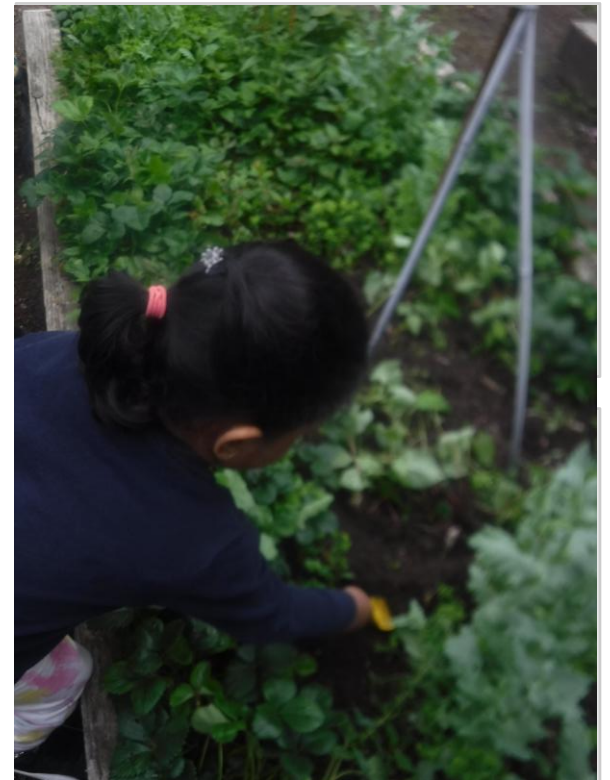

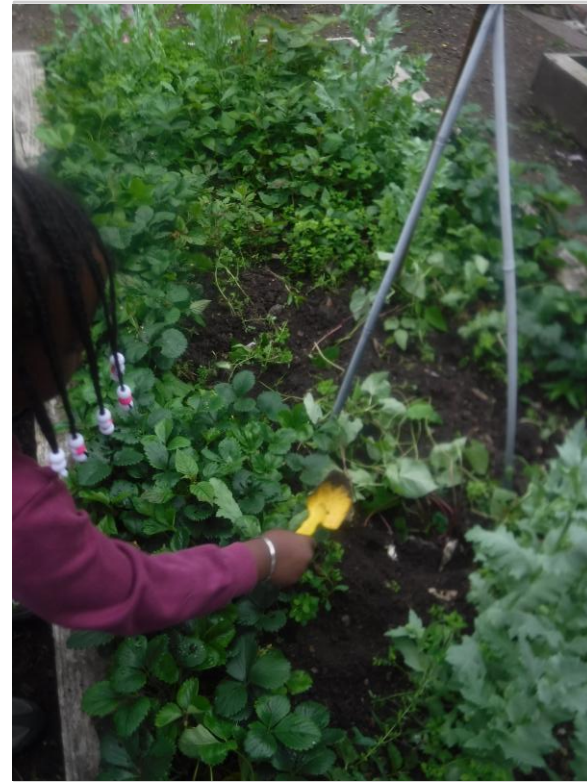

8th to 19th June 2026

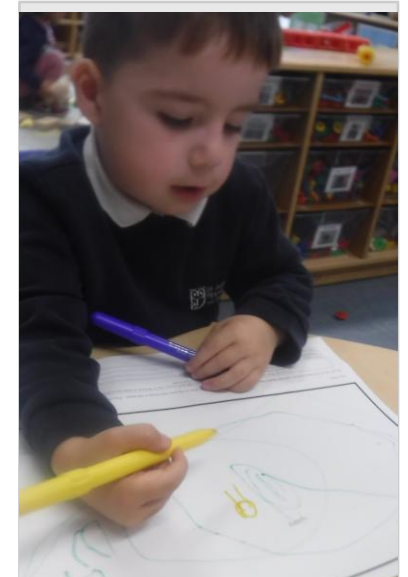

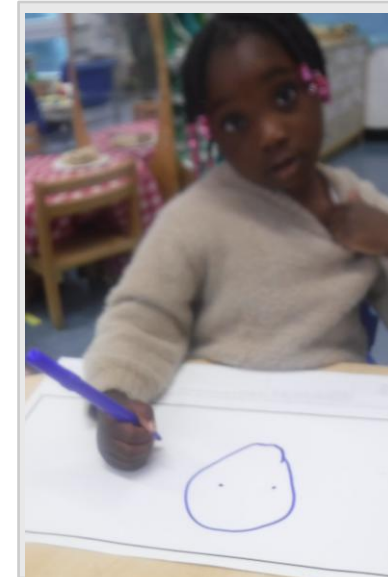

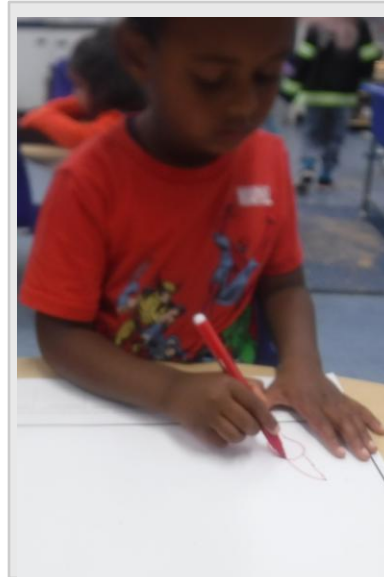

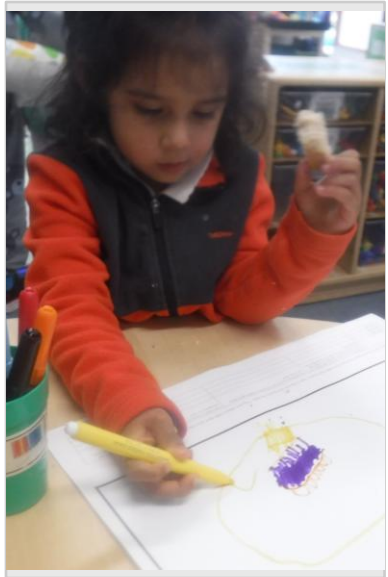

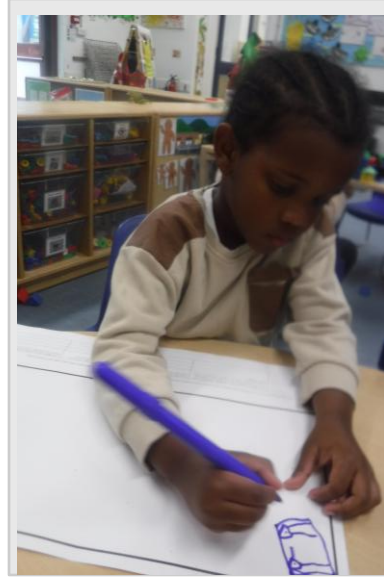

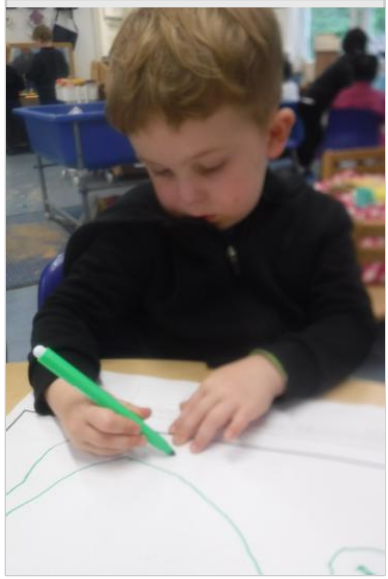

**This week we planted our beans into the vegetable garden.
They grew too big for our planting bags!**

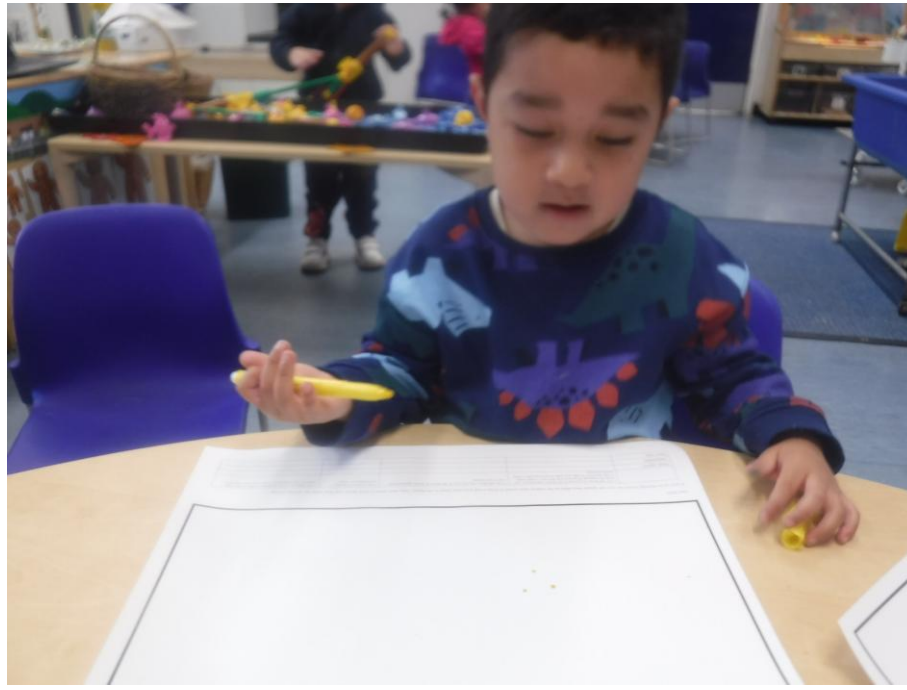

We hope they keep growing in their new home!

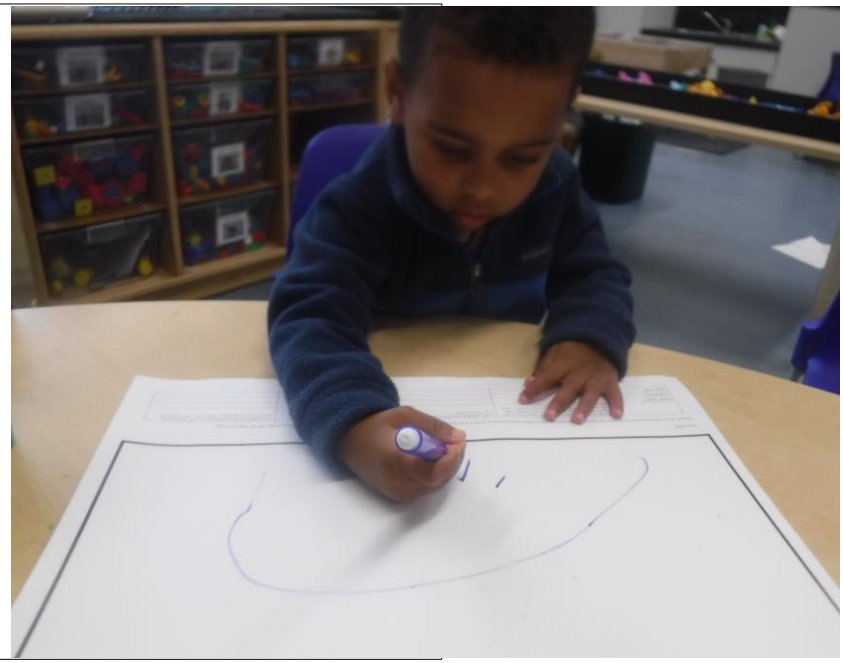

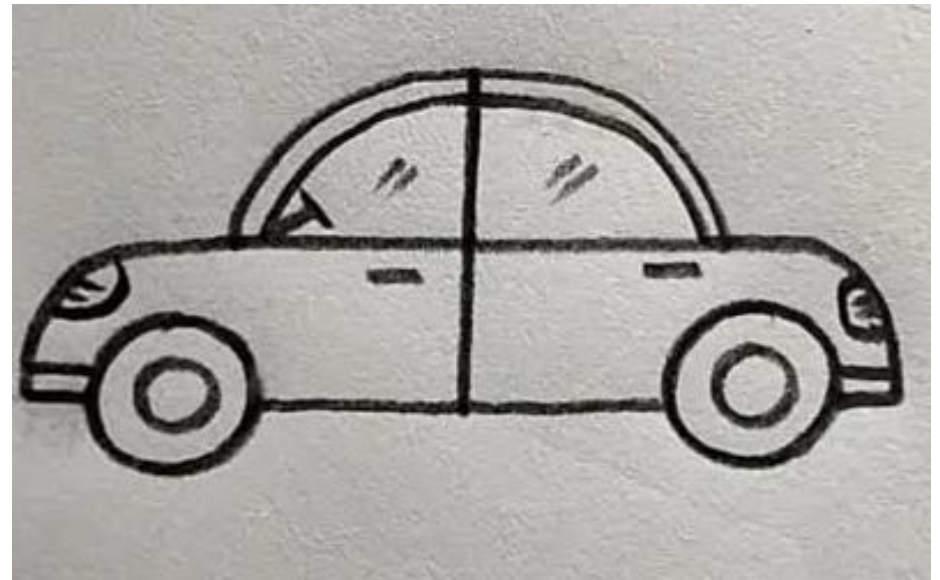

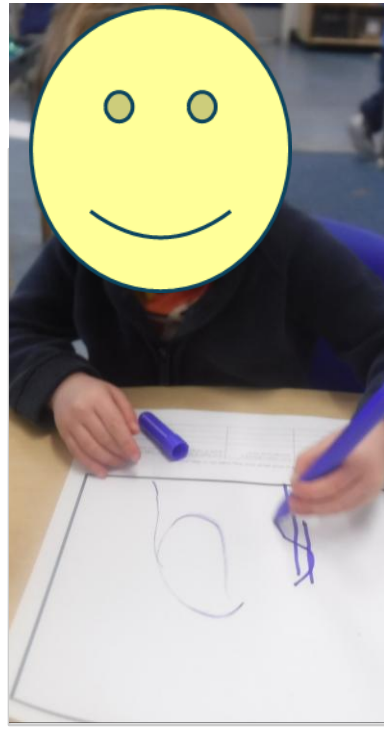

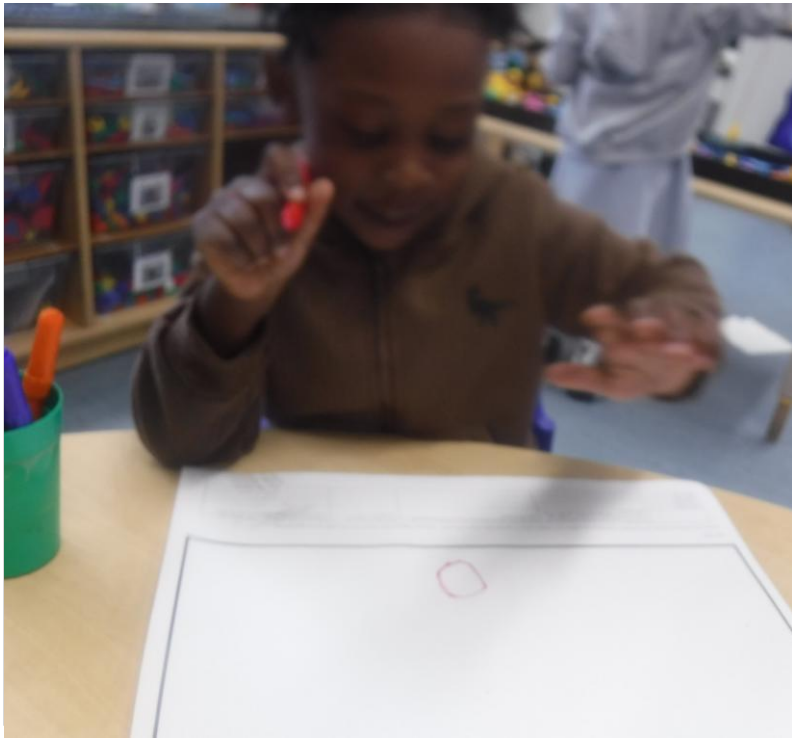

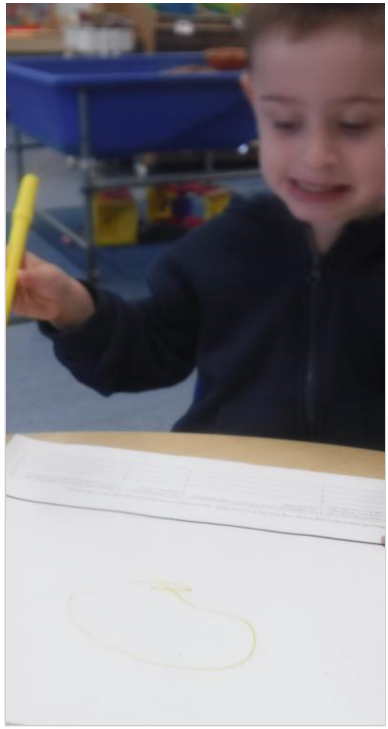

We drew maps of our route to the beach! How did you travel to the beach? What did you travel past?

Did you travel by car, train or aeroplane?

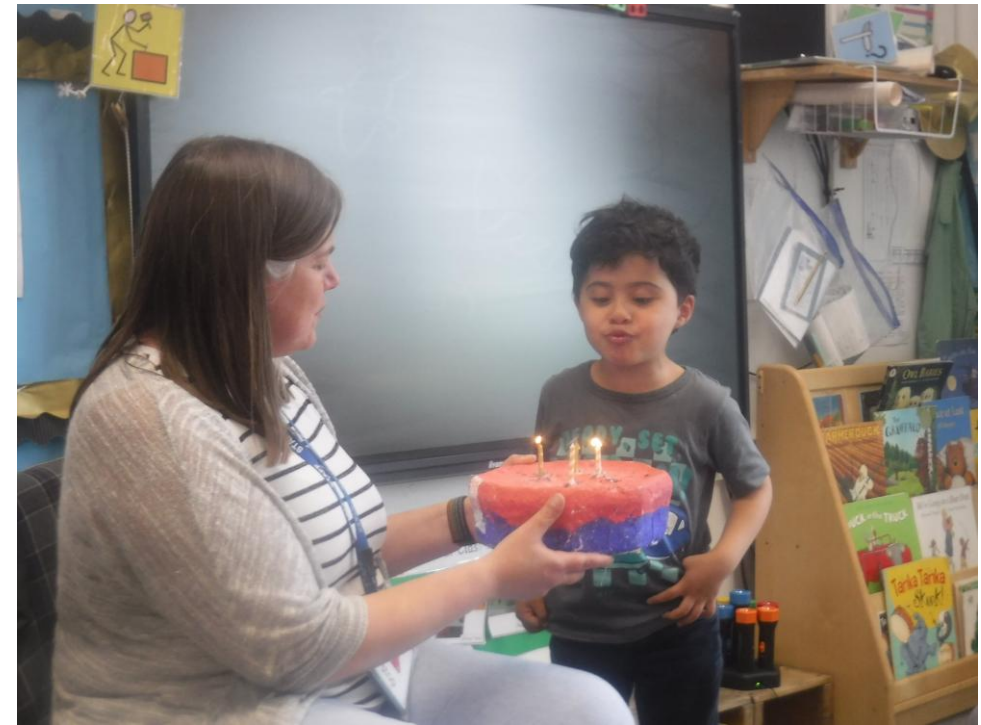

Would you like to buy something from our seaside shop?

How about some fish and chips?

**It was someone's
birthday this
week.**

What else did you get up to?
