

What we have been learning about...

8th September to 12th September 2025

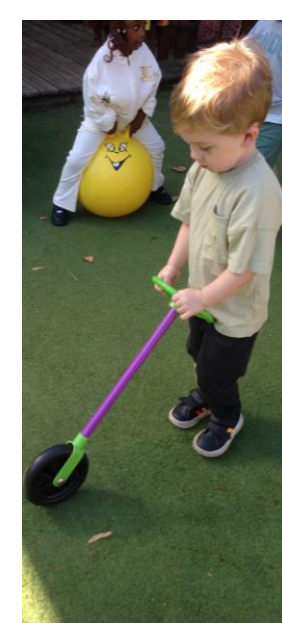

We have had a brilliant week spending time together and starting to learn about all the areas of the classroom and the ways we can learn there.

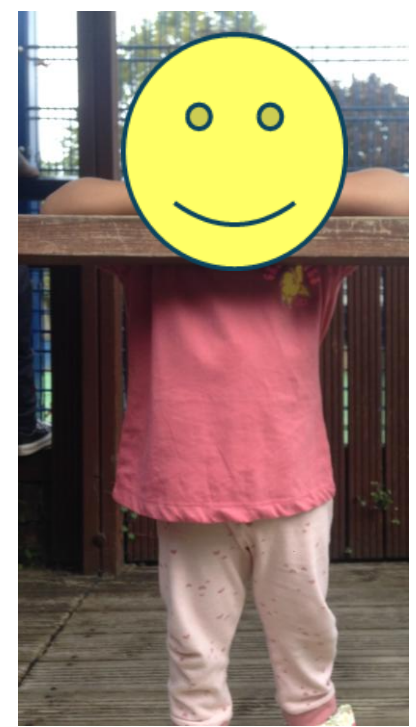

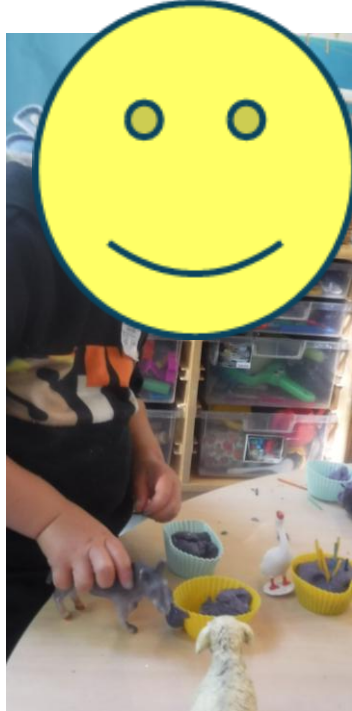

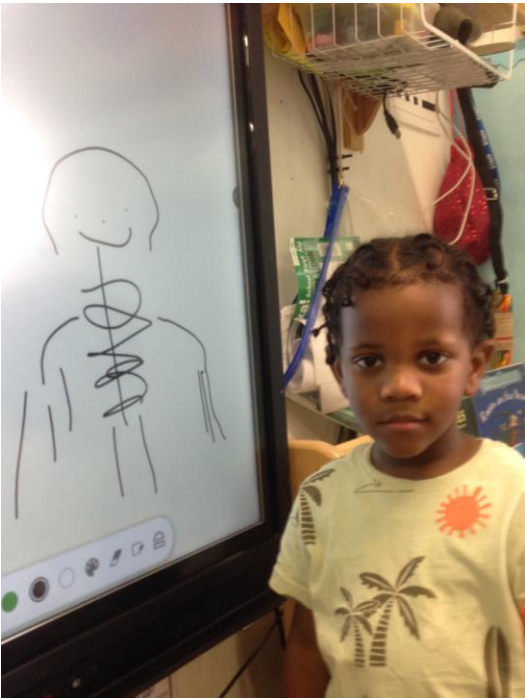

What has been your favourite activity this week?

The weather has let us outside for some of the time! We have explored using the block area to make paths, and enjoyed using our imaginations to talk about what we found there.

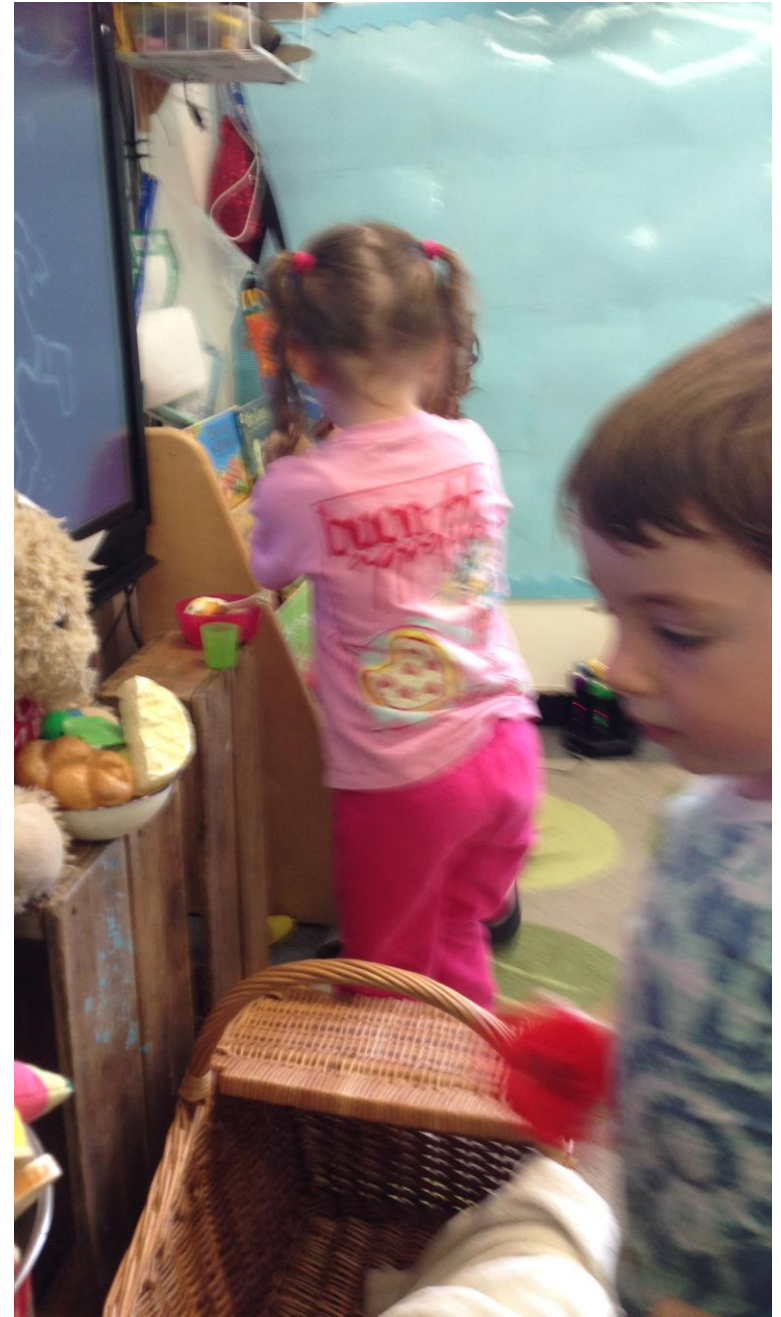

Did you explore all the areas inside and outside?

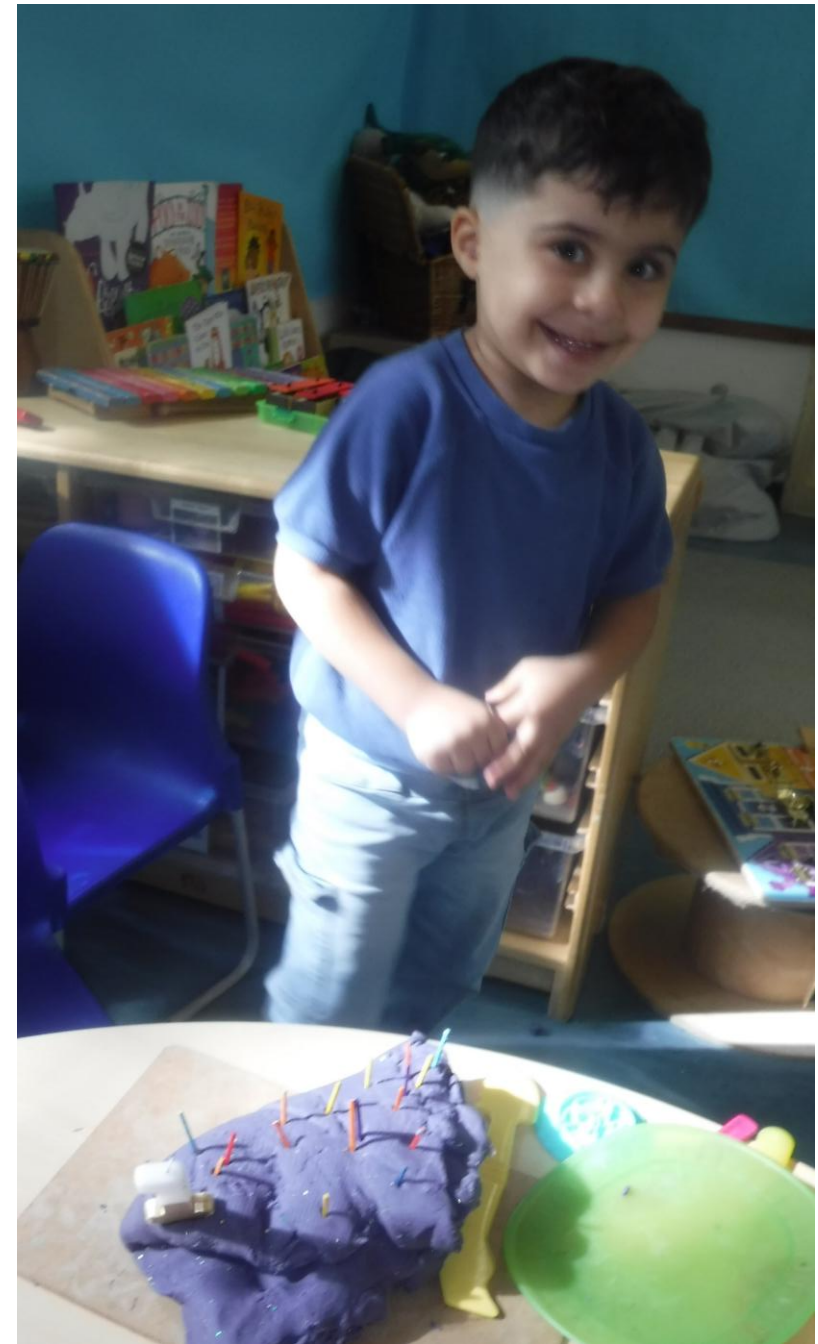

We are trying out how to do new and difficult things!

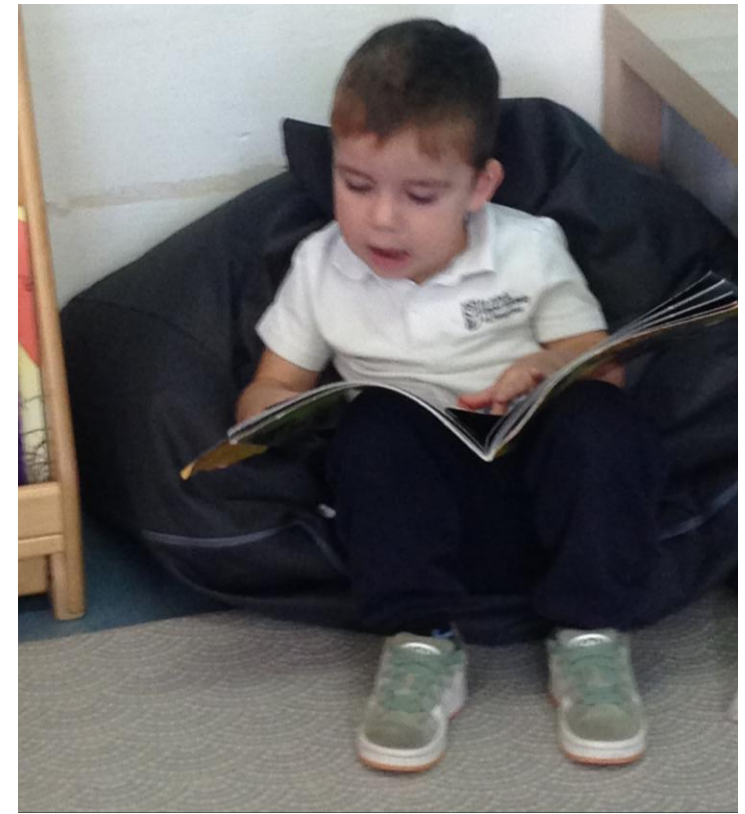

There have been lots of new toys to explore, and some old favourites too!

What a great start to our learning journey in Nursery!
I wonder where our learning will take us next week?

Don't forget to pick up your Seesaw passwords from
Miss Min next week so that you can continue the fun
learning at home and share our new songs and stories
with your families!
