

What we have been learning about...

12th January to 16th January 2025

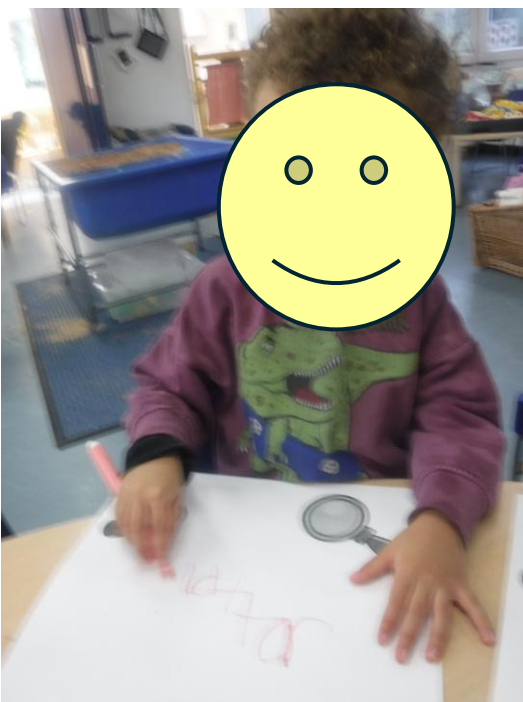

This week we have been thinking about drawing special things.

What did you find? Why was it special?

We've had a teddy bears picnic and practiced counting out the plates, cups and food.

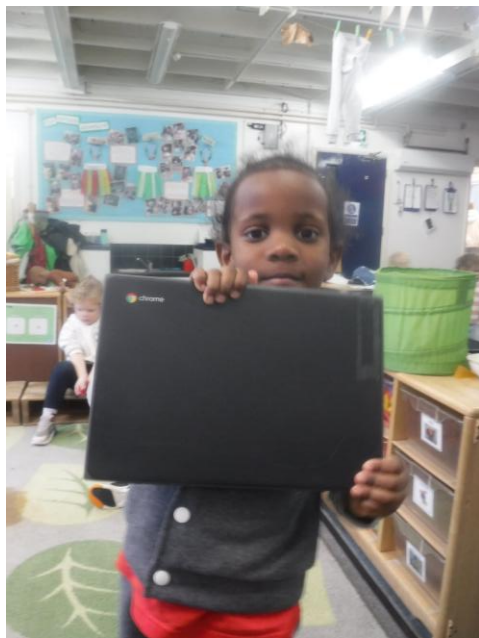

Could you remember the number order? Did you make sure you said one counting number for each cake? How did you know when you had finished counting?

We made our own machines with Miss Carol, what did your machine do?

We went on a
shape hunt! Which
shapes did you
find? How did you
know what shapes
they were?

We've been learning how to use the woodworking bench. When we know how to use the tools and be safe at the woodworking table we will get our woodworking license.

What else have you been up to?
