

We have been learning about...

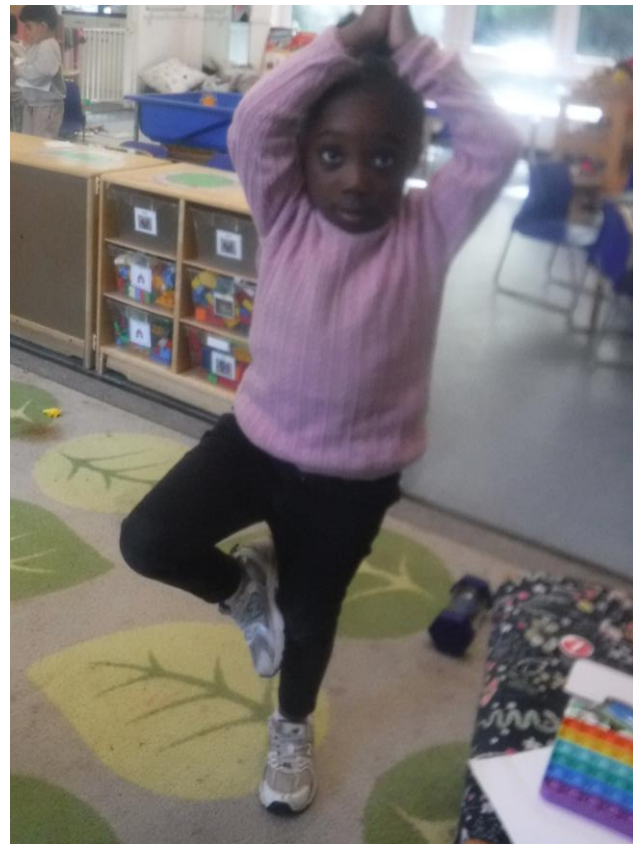

13th to 17th April 2026

This week we started our new core text “Billy’s Bucket” and used our bodies to pretend to be different creatures that live under the sea!

Which animals were you?

Could you be a shark? a crab? a starfish? Which other creatures might you become?

We've been practicing recognising numerals and counting carefully to match the number. Buckets are really good for carrying lots of bungies! How many did you count?

We've been practicing our cutting, sticking and making DT skills with Miss Carol to make our own under the sea creatures!

Did you need to cut tentacles or teeth? Did your creature have a tail or lots of legs?

Did you use paint or glue? What colours did you use to make your sea creature? How did you stick it together?

A group of young children are gathered around a blue sandpit. One child in the foreground is wearing a white turtleneck sweater and is looking towards the sandpit. Another child in a red vest and white shirt is leaning over the sandpit. A girl with a red hair clip is also visible. The sandpit contains a blue bucket, a white shovel, and some orange toys. The background shows other children and a blue wall.

What else have you been up to?
