

What we have been learning about...

22nd September to 26th September 2025

This week we started to read our first core text- On Sudden hill!
We met a boy called Birt who likes to play with boxes.
We had a go too!

Did you practice your pencil grip and mark make in the shaving cream with Miss Carol?

Which letters can you write from your name?

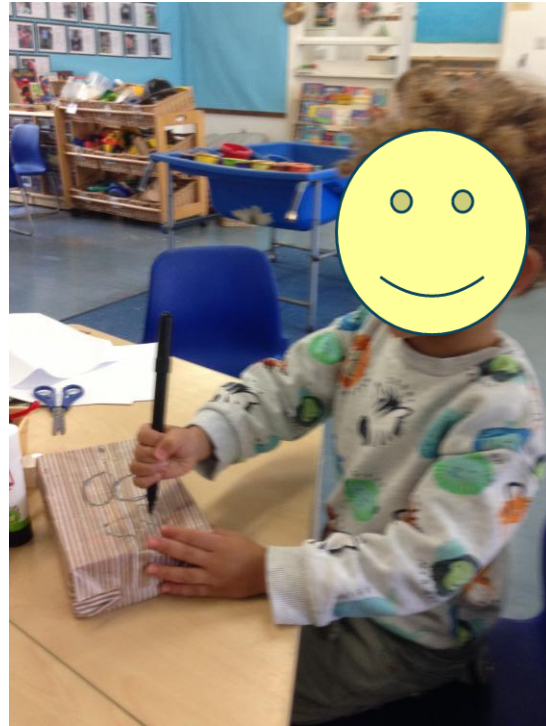

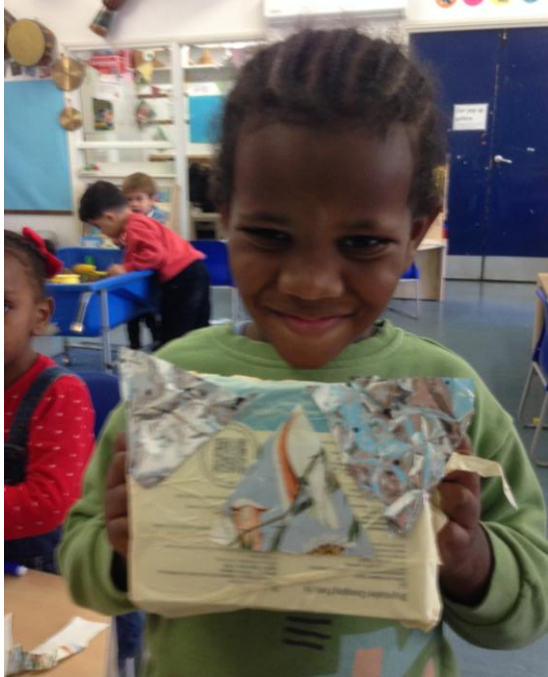

We tried hard to copy the first letter of our name, and thought carefully about how we held the special pen.

This week we've introduced the children to the DT trolley . We have been choosing resources, cutting and sticking. We've all had a think about what our boxes could become, and what we might need to make it. What did you make your box into?

How did you stick the paper on? Did you add any details?

Which shapes did you use to make your box toy?

What else have you been up to?
