

What we have been learning about...

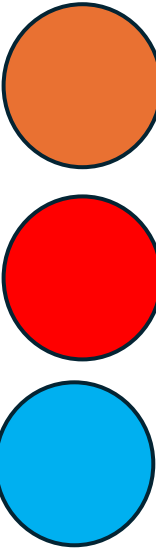

29th September to 3rd October 2025

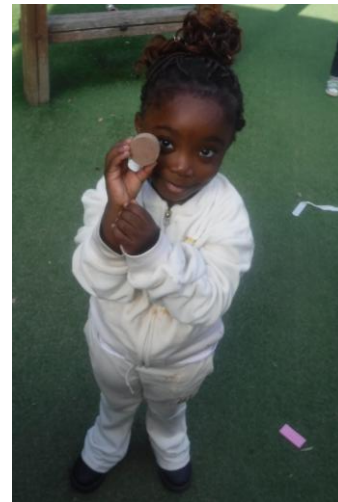

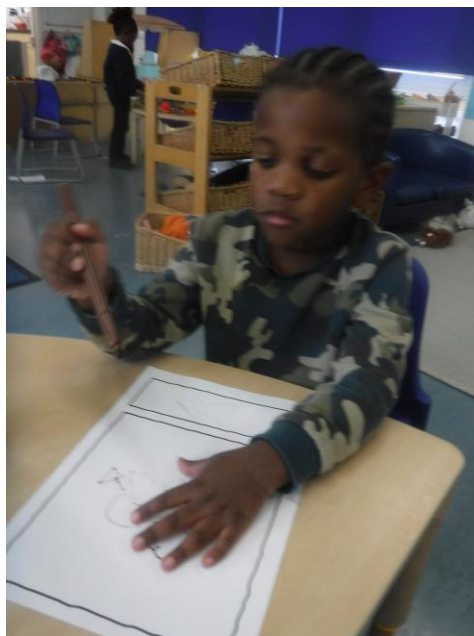

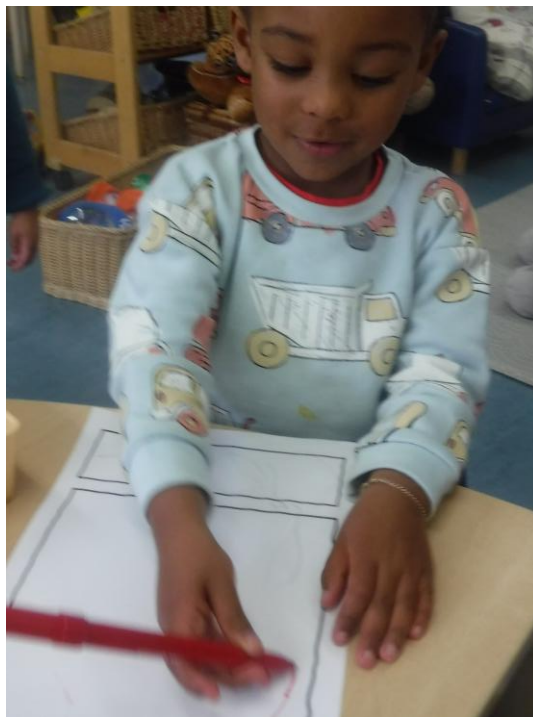

This week we continued to make our box toys.

What did you decide to make?

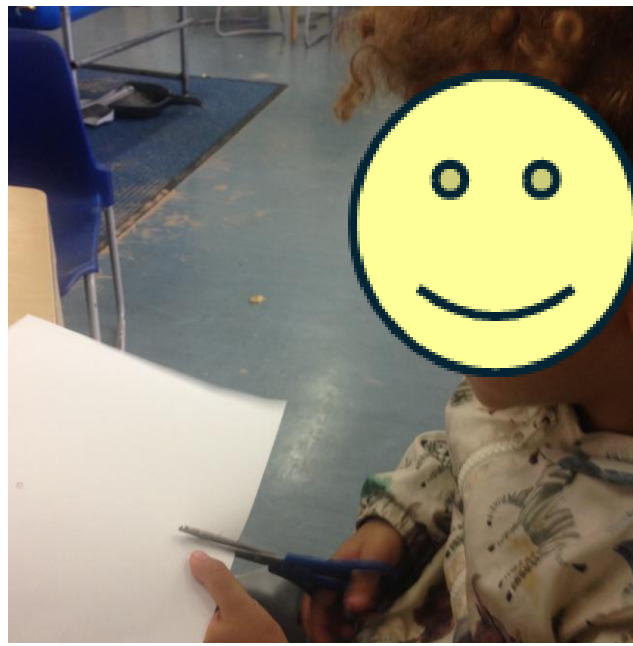

We talked about what made a circle a circle, then we went on a circle hunt in the garden.

We've been drawing pictures of ourselves. Did you remember to include all the features on your face? How could we tell the picture was you?

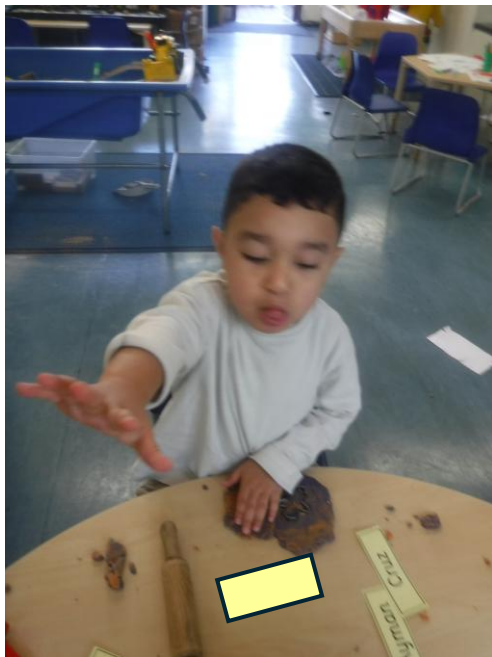

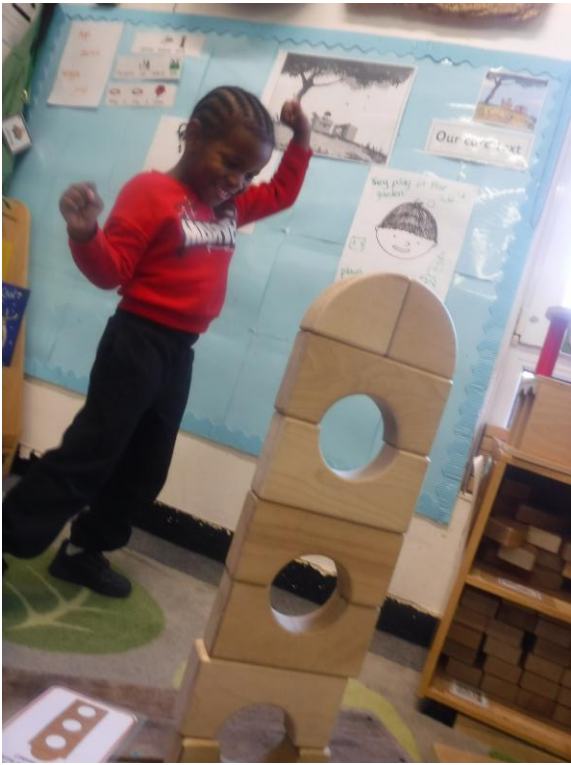

We practiced using scissors with Miss Carol, and worked on how to hold our scissors straight and cut across the paper.

What else have you been up to?

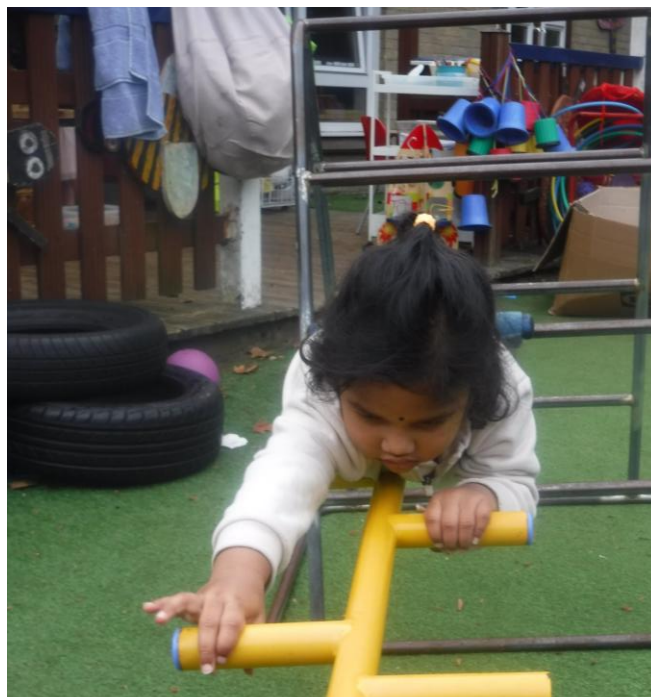

Our harvest celebration is next
Wednesday 8th October at 2pm
at St John's Church.

The older children from
Nursery will be attending.
Parents are also welcome to
attend and sit upstairs.

Please speak to Miss Min if you
have any questions.
